Overexposed Random House Australia #1 New York Times bestselling author and TikTok sensation Rebecca Yarros sends readers on a heartwreck of a nine-month cruise where everyone has to keep their head—and heart—above water. After two lost years, I'm forcing the wake-up call on my life with a nine-month work-study cruise. See the world, experience all of it to the fullest, and maybe (if I'm lucky) find the life I've lost. I just wish I'd known what I was signing up for. My scholarship depends on tutoring a student. But not just any student, oh no. That would be too easy. Instead I get Paxton Wilder, daredevil influencer and X Games champion. And wherever he goes, documentary cameras, groupies, and high-octane stunts will follow. I want to hate him. I want to kick his arrogant ego right off this boat. But from the second we touch, my stomach does a full-on bungee jump and I know that Wilder is as much stay-away danger as he is addictive adrenaline. Because I know what

happens to guys who go looking for that next wild ride. And I know what happens to the girls who fall for them. Now our fates are strapped together...and if he goes down, I don't stand a chance. Sex. Who really knows sex? I mean, we've all had sex, great sex even but when you get down to the details, how many of us actually see sex for the raw, primal act that it is? I thought I knew sex. I've had sex. Heck, I've felt lust. Once, I've even felt love. I thought I knew exactly what sex was. Until I met Cade. He's the meaning of sex. He's a biker. He's dangerous. He's powerful. He's dominant. He wants me. My world is about to change, for the better? I don't know. But here's my story, I hope you're ready for it because it's not the beautiful, heart wrenching story most people have to tell. It's passionate, forbidden, morally incorrect and downright, fucking beautiful.

We'll Always Have Summer Springer

In the darkness is where I first met him. Alone at a water fountain, tears rolling

down my cheeks. Ready to give up. From the shadows, his voice came to me. Soothing. Comforting. Rough as the blackest night. I didn't see him. I didn't even know his name. All I knew was he saved me that night. He put my back on my feet. And he kept me on them. Every single time I needed him, he found a way to come to me. My stranger of the night. My dark warrior. My name is Scarlett. You probably know me. I'm America's number one country music star. I'm also the loneliest girl you'll ever meet. He's as free as a bird. A nomad. Travelling alone. Nobody to hold him back. He holds the freedom I pray for every single day. He shows me that life can be so much more than what I'm living. When danger comes knocking, he'll also show me a different world. A world I never knew existed. A world that both terrifies and fascinates me. A world that goes against everything I've ever known. A world of Iron Fury. *It's Not Summer Without You* Createspace Independent Publishing Platform

My hoodie is freakishly oversized. It covers my body in a way that makes

me feel comfortable. Safe. Invisible. Wren Martin isn't what you would call a popular girl. She is remarkably average, gets good grades, and aspires to get a scholarship to her dream college and leave her hometown, as it's filled with impossible memories. Asher Reed—star athlete and heartthrob of Eastview High—is everything wrong with high school in one frustratingly good-looking body. But when an on-field accident leaves him sidelined for the season, he takes an interest in Wren. With an undeniable connection, Wren and Asher form a friendship that quickly turns into something more. Yuen Wright's heartwarming debut is a reminder that when someone really sees you, the last thing you want is to be invisible.
