P.G. Wodehouse (1881-1975) was

perhaps the most widely acclaimed British humorist of the twentieth century. Throughout his career, he brilliantly examined the complex and idiosyncratic nature of English upper-crust society with hilarious insight and wit. The works in this volume provide a wonderful introduction to Wodehouse's work and his unique talent for joining fantastic plots with authentic emotion. In *The Code of the Woosters*, Wodehouse's most famous duo, Bertie Wooster and his unflappable valet Jeeves, risks all to steal a cream jug. *Uncle Fred in the Springtime*, part of the famous *Blandings Castle* series, follows Uncle Fred as he attempts to ruin the Duke of Blandings while he is preoccupied with his favorite pig. Fourteen stories feature some of Wodehouse's most memorable characters, and three autobiographical pieces provide a revealing look into

Wodehouse's life. With his gift for hilarity and his ever-human tone, Wodehouse and his work have never felt more lively. With a New Introduction by John Mortimer

Blandings is now a major BBC One television series starring Jennifer Saunders and Timothy Spall. As a peer of the realm, Clarence, Ninth Earl of Emsworth, has an occasional duty to leave the Empress of Blandings, surely the most considerable pig in the whole world, and travel to London for the opening of parliament. It comes hard to him, for he has a proper sense of the priorities in life, which rate pigs and flowerbeds higher than politicians. But no sooner has he returned to Blandings than his real problems begin: the dastardly

Duke of Dunstable is out to steal the Empress. His sister Lady Constance has inflicted on him a particularly nasty new secretary. And the Church Lads' Brigade are camped all over his lawns. Thank God for the Earl of Ickenham, better known as Uncle Fred, whose own particularly devious brand of sweetness and light aims to banish blackmailers and pig-stealers and restore true love all over the castle grounds.

Disaster at the annual fete at Blandings Castle. It is the annual fete at Blandings Castle, and Connie will again force Clarence to wear a miserable top-hat and make a speech. To top it off, he is banned from picking his favourite flowers by terrifying head-gardener McAllister.

However, Clarence befriends Gladys and Ern, two cheeky school-children who encourage

him to do what he wants. Connie is of course scandalised, and brings her howitzers to bear on the ghastly intruders. Freddie - needing to tap his old man for some cash - tries to help Clarence and the children and inevitably makes everything worse. 'Sublime comic genius' Ben Elton 'You don't analyse such sunlit perfection, you just bask in its warmth and splendour.' Stephen Fry 'The funniest writer ever to put words to paper.' Hugh Laurie 'P.G. Wodehouse remains the greatest chronicler of a certain kind of Englishness, that no one else has ever captured quite so sharply, or with quite as much wit and affection.' A Blandings novel When the moon is full at Blandings, strange things happen: among them the commissioning of a portrait of The Empress, twice in succession winner in the Fat Pigs Class at the Shropshire Agricultural Show. What better choice of artist, in

Lord Emsworth's opinion, than Landseer. The renowned painter of The Stag at Bay may have been dead for decades, but that doesn't prevent Galahad Threepwood from introducing him to the castle - or rather introducing Bill Lister, Gally's godson, so desperately in love with Prudence that he's determined to enter Blandings in yet another imposture. Add a gaggle of fearsome aunts, uncles and millionaires, mix in Freddie Threepwood, Beach the Butler and the gardener McAllister, and the moon is full indeed.

Everyone wants this manuscript gone, particularly Lord Emsworth's neighbor Sir Gregory Parsloe-Parsloe, who would do anything to keep the story of the prawns buried in the past. But the memoir isn't the only problem. A chorus girl disguised as an heiress, a double-dealing detective, a stolen prize-winning sow, and a crazy ex-secretary are only a few of the complications that must be dealt with before everyone can have their happy ending.

STIBBE A hundred years ago P.G. Wodehouse, now widely regarded as the best comic novelist of the twentieth century, wrote **SOMETHING FRESH**, the first of his novels set in Blandings Castle. Here resides the dotty Lord Emsworth, who is 'as completely happy as only a fluffy-headed old man with excellent health and a large income can be'; his son, the Hon. Freddie Threepwood, who 'had been expelled from Eton for breaking out at night and roaming the streets of Windsor in a false moustache' and their butler, Beach, who had 'acquired a dignified inertia which almost qualified him for inclusion in the vegetable garden'. Featuring a valuable scarab unwittingly acquired from a dyspeptic American billionaire, plus imposters, engagements, broken engagements, elopements, mistaken identities, family spats and shots fired in the dead of night, **SOMETHING FRESH** is Wodehouse at his glorious best. 'The gardens of Blandings Castle are that original garden from which we are exiled.' Evelyn Waugh **Life at Blandings** Macmillan
