P. G. Wodehouse: A Life in Letters Everyman's Library P G WODEHOUSE

Presents three works of fiction set at Blandings Castle in Shopshire, England, seat of the ninth Earl of Emsworth, home to the Empress of Blandings, a prize-winning Berkshire sow, and the location of a series of humorous misadventures.

Jeeves and the Wedding Bells Simon and Schuster

Blandings is now a major BBC One television series starring Jennifer Saunders and Timothy Spall. As a peer of the realm, Clarence, Ninth Earl of Emsworth, has an occasional duty to leave the Empress of Blandings, surely the most considerable pig in the whole world, and travel to London for the opening of parliament. It comes hard to him, for he has a proper sense of the priorities in life, which rate pigs and flowerbeds higher than politicians. But no sooner has he returned to Blandings than his real problems begin: the dastardly Duke of Dunstable is out to steal the Empress. His sister Lady Constance has inflicted on him a particularly nasty new secretary. And the Church Lads' Brigade are camped all over his lawns. Thank God for the Earl of Ickenham, better known as Uncle Fred, whose own particularly devious brand of sweetness and light aims to banish blackmailers and pig-stealers and restore true love all over the castle grounds.

The claim that human agents are vulnerable to tragic conflict, situations in which one cannot help but do wrong, is a commonplace in contemporary moral philosophy. This book draws on Thomas Aquinas's moral thought in order to delineate an alternative view. While affirming that the human good can be attained only through difficulty, including the difficulty of moral conflict, it argues that Aquinas's understanding of a natural, hierarchical ordering of human goods allows for the rational resolution of moral conflict in a way that avoids tragic necessity.

Blandings is now a major BBC One television series starring Jennifer Saunders and Timothy Spall. Unwelcome guests are descending on Blandings Castle - particularly the overbearing Duke of Dunstable, who settles in the Garden Suite with no intention of leaving, and Lady Constance, Lord Emsworth's sister and a lady of firm disposition, who arrives unexpectedly from New York. Skulduggery is also afoot involving the sale of a modern nude painting (mistaken by Lord Emsworth for a pig). It's enough to take the noble earl on the short journey to the end of his wits. Luckily Clarence's brother Galahad Threepwood, cheery survivor of the raffish Pelican Club, is on hand to set things right, restore sundered lovers and even solve all the mysteries.

The Inimitable Jeeves Random House

In the second part of John le Carré's *Karla* Trilogy, the battle of wits between spymaster George Smiley and his Russian adversary takes on an even more dangerous dimension. As the fall of Saigon looms, master spy George Smiley must outmaneuver his Soviet counterpart on a battlefield that neither can afford to lose. The mole has been eliminated, but the damage wrought has brought the British Secret Service to its knees. Given the charge of the gravely compromised Circus, George Smiley embarks on a campaign to uncover what Moscow Centre most wants to hide. When the trail goes cold at a Hong Kong gold seam, Smiley dispatches Gerald Westerby to shake the money tree. A part-time operative with cover as a philandering journalist, Westerby insinuates himself into a war-torn world where allegiances—and lives—are bought and sold. Brilliantly plotted and morally complex, *The Honourable Schoolboy* is the second installment of John le Carré's renowned *Karla* trilogy and a riveting portrayal of postcolonial espionage. With an introduction by the author.

"[Blandings] is an entire world unto itself and, one senses, Wodehouse pours into it his deepest feelings for England." —Stephen Fry *The Honourable Galahad Threepwood* has decided to write his memoir—a tell-all that could destroy polite society. Everyone wants this manuscript gone, particularly Lord Emsworth's neighbor Sir Gregory Parsloe-Parsloe, who would do anything to keep the story of the prawns buried in the past. But the memoir isn't the only problem. A chorus girl disguised as an heiress, a double-dealing detective, a stolen prize-winning sow, and a crazy ex-secretary are only a few of the complications that must be dealt with before everyone can have their happy ending.

WITH A NEW INTRODUCTION BY NINA STIBBE A hundred years ago P.G. Wodehouse, now widely regarded as the best comic novelist of the twentieth century, wrote *SOMETHING FRESH*, the first of his novels set in Blandings Castle. Here resides the dotty Lord Emsworth, who is 'as completely happy as only a fluffy-headed old man with excellent health and a large income can be'; his son, the Hon. Freddie Threepwood, who 'had been expelled from Eton for breaking out at night and roaming the streets of Windsor in a false moustache' and their butler, Beach, who had 'acquired a dignified inertia which almost qualified him for inclusion in the vegetable garden'. Featuring a valuable scarab unwittingly acquired from a dyspeptic American billionaire, plus imposters, engagements, broken engagements, elopements, mistaken identities, family spats and shots fired in the dead of night, *SOMETHING FRESH* is Wodehouse at his glorious best. 'The gardens of Blandings Castle are that original garden from which we are exiled.' Evelyn Waugh

Was PG Wodehouse really a traitor, a naive simpleton dominated by his wife and out of touch with the world around him? This book challenges many of the accepted wisdoms about PG Wodehouse and his work and skilfully entwines details of Wodehouse's life with an analysis of his work to show that, contrary to popular belief, many of the scenarios, characters and issues he wrote about came from his own, sometimes bitter, personal experience. It shows, for instance, how Bertie Wooster is a much misunderstood figure in literature and shared many of the characteristics and life story of PG Wodehouse himself. Easdale also gives fresh insight into PG Wodehouse's alleged 'treachery' during World War II and his motives for making five radio broadcasts from Germany which were to cast a shadow over the rest of his life. 'Easdale often finds an original angle with which to shatter stale, accepted perception... this book is compelling.' (Country Life). 'This fascinating examination offers a refreshing and accessible study of Wodehouse's work.' (Press Association).

A Blandings novel When the moon is full at Blandings, strange things happen: among them the commissioning of a portrait of The Empress, twice in succession winner in the Fat Pigs Class at the Shropshire Agricultural Show. What better choice of artist, in Lord Emsworth's opinion, than Landseer. The renowned painter of *The Stag at Bay* may have been dead for decades, but that doesn't prevent Galahad Threepwood from introducing him to the castle - or rather introducing Bill Lister, Gally's godson, so desperately in love with Prudence that he's determined to enter Blandings in yet another imposture. Add a gaggle of fearsome aunts, uncles and millionaires, mix in Freddie Threepwood, Beach the Butler and the gardener McAllister, and the moon is full indeed.
