A Pelican at Blandings Random House

P.G. Wodehouse (1881-1975) was perhaps the most widely acclaimed British humorist of the twentieth century. Throughout his career, he brilliantly examined the complex and idiosyncratic nature of English upper-crust society with hilarious insight and wit. The works in this volume provide a wonderful introduction to Wodehouse's work and his unique talent for joining fantastic plots with authentic emotion. In *The Code of the Woosters*, Wodehouse's most famous duo, Bertie Wooster and his unflappable valet Jeeves, risks all to steal a cream jug. Uncle Fred in the *Springtime*, part of the famous Blandings Castle series, follows Uncle Fred as he attempts to ruin the Duke of Blandings while he is preoccupied with his favorite pig. Fourteen stories feature some of Wodehouse's most memorable characters, and three autobiographical pieces provide a revealing look into Wodehouse's life. With his gift for hilarity and his ever-human tone, Wodehouse and his work have never felt more lively. With a New Introduction by John Mortimer

"The Honourable Galahad Threepwood has decided to write his memoirs, and England's aristocrats are all diving for cover, not least Galahad's formidable sister Lady Constance Keeble who fears that her brother will ruin the family reputation with saucy stories of the 1890s. But Galahad's memoirs are not the only cause for concern. Yet again Lord Emsworth's prize pig has been stolen and, as usual, the castle seems to be buzzing with imposters all pretending to be one another. Love and natural justice triumph in the end, but not before Wodehouse has tangled and untangled a plot of Shakespearean complexity in a novel which might as well be subtitled *The Price of the Papers*."--BOOK JACKET.

Jill the Reckless The Floating Press

Something Fresh W. W. Norton & Company
WITH A NEW INTRODUCTION BY NINA STIBBE
A hundred years ago P.G. Wodehouse, now widely regarded as the best comic novelist of the twentieth century, wrote *SOMETHING FRESH*, the first of his novels set in Blandings Castle. Here resides the dotty Lord Emsworth, who is 'as

completely happy as only a fluffy-headed old man with excellent health and a large income can be'; his son, the Hon. Freddie Threepwood, who 'had been expelled from Eton for breaking out at night and roaming the streets of Windsor in a false moustache' and their butler, Beach, who had 'acquired a dignified inertia which almost qualified him for inclusion in the vegetable garden'.

Featuring a valuable scarab unwittingly acquired from a dyspeptic American billionaire, plus imposters, engagements, broken engagements, elopements, mistaken identities, family spats and shots fired in the dead of night, *SOMETHING FRESH* is Wodehouse at his glorious best. 'The gardens of Blandings Castle are that original garden from which we are exiled.' Evelyn Waugh
Plum Pie W. W. Norton

A Blandings novel When the moon is full at Blandings, strange things happen: among them the commissioning of a portrait of The Empress, twice in succession winner in the Fat Pigs Class at the Shropshire Agricultural Show. What better choice of artist, in Lord Emsworth's opinion, than Landseer. The renowned painter of *The Stag at Bay* may have been dead for decades, but that doesn't prevent Galahad Threepwood from introducing him to the castle - or rather introducing Bill Lister, Gally's godson, so desperately in love with Prudence that he's determined to enter Blandings in yet another imposture. Add a gaggle of fearsome aunts, uncles and millionaires, mix in Freddie Threepwood, Beach the Butler and the gardener McAllister, and the moon is full indeed.

The Blandings Omnibus Penguin Mass Market

Lord Emsworth's prized pig, the Empress of Blandings, is at the centre of Wodehouse's hilarious tale of mistaken identity, the triumph of young love, and general mayhem among the twits at Blandings Castle.

Summer Lightning Collector's Wodehouse
"[Blandings] is an entire world unto itself and, one senses, Wodehouse pours into it his deepest feelings for England." —Stephen Fry
The Honourable Galahad Threepwood has decided to write his memoir—a tell-all that could destroy polite society. Everyone wants this manuscript gone, particularly Lord Emsworth's neighbor Sir Gregory Parsloe-Parsloe, who would do anything to keep the story of the prawns buried in the past. But the memoir isn't the only problem. A chorus girl disguised as an heiress, a double-dealing detective, a stolen prize-winning

sow, and a crazy ex-secretary are only a few of the complications that must be dealt with before everyone can have their happy ending.

Life at Blandings Simon and Schuster

Was PG Wodehouse really a traitor, a naive simpleton dominated by his wife and out of touch with the world around him? This book challenges many of the accepted wisdoms about PG Wodehouse and his work and skilfully entwines details of Wodehouse's life with an analysis of his work to show that, contrary to popular belief, many of the scenarios, characters and issues he wrote about came from his own, sometimes bitter, personal experience. It shows, for instance, how Bertie Wooster is a much misunderstood figure in literature and shared many of the characteristics and life story of PG Wodehouse himself. Easdale also gives fresh insight into PG Wodehouse's alleged 'treachery' during World War II and his motives for making five radio broadcasts from Germany which were to cast a shadow over the rest of his life. 'Easdale often finds an original angle with which to shatter stale, accepted perception... this book is compelling.' (Country Life). 'This fascinating examination offers a refreshing and accessible study of Wodehouse's work.' (Press Association).

Heavy Weather W. W. Norton & Company

Introducing some of P.G Wodehouse's adored reoccurring characters and settings, *Something New* marks the beginning of the adventures at Blandings Castle. When Freddie and Aline get engaged, both are happy with the arrangement. Both from wealthy and prominent families, the engagement ensures them a higher social status. However, Freddie becomes paranoid that old letters he sent to an ex would endanger the engagement if unearthed. Desperate, Freddie hires a shady fixer to recover the letters. Meanwhile, J. Preston Peters, an American billionaire and Aline's father, invites Freddie's father, the Earl of Emsworth, to visit his home. There, the two men make small talk while Peters attempts to impress Emsworth with his vast beetle collection. But passive-aggressive conflict arises when Emsworth accidentally slips Peters' most prized beetle in his pocket, unintentionally stealing it. Though Peters suspects the other man, he is reluctant to confront him, in fears that it would threaten their children's relationship. Instead, he advertises a reward for its return, inspiring a group of greedy thieves to find the beetle for themselves. With battling fathers, a group of thieves, a shady fixer, and a missing beetle, Aline and Freddie struggle to preserve their engagement. Considered to be one of P.G Wodehouse's best works, *Something New* is a comic caricature of aristocratic life. Originally published in Great Britain in 1915, the novel earned such impressive commercial success that it was reprinted for American audiences as well with minor changes to appeal to the demographic. With amusing and lovable characters, *Something New* delivers a light-hearted but exciting narrative that keeps audiences entertained even over one-hundred years after its first publication. Now presented in a stylish, easy-to-read font and with a fun, eye-

catching cover design, this edition of *Something New* by P.G Wodehouse is catered to accommodate modern readers.

P.G. Wodehouse in His Own Words Harry N. Abrams

'Is this a time for drivelling?' One of P. G. Wodehouse's most gloriously funny stories, this is the tale of bumbling Lord Emsworth, whose quiet life reading *The Care Of The Pig* and pottering among the flowers at Blandings

Castle is shattered by an outbreak of lawlessness involving his niece Jane (the third prettiest girl in Shropshire), an airgun - and the trouser seat of the abominable Baxter.
