Mr Mulliner, raconteur par excellence of the Anglers' Rest, has some amazing stories to relate. Take, for example, young Lancelot. He is a bohemian - or was, until he had to look after his saintly uncle's cat Webster, and was startlingly transformed. Then there is Mulliner's brother Wilfred, a whizzo at chemistry, whose 'Magic Marvels' medicine gets him in and out of a dreadful scrape. Mervyn, not one of the brighter members of the family, has a scrap over some strawberries. Not to mention Augustine the resourceful curate, Ignatius the

portrait-painter, Adrian the detective and many more besides, whose wonderful and intriguing exploits are revealed in this witty omnibus. 'Witty and effortlessly fluid. His books are laugh-out-loud funny.' *Arabella Weir*

A Bounty of Blandings Harry N. Abrams

There are not many characters in literature more famous or cherished than Jeeves and Bertie Wooster. They feature in nearly 100 tomes, which taken together, make their creator, Sir Pelham Grenville Wodehouse, among the most eminent and best-loved writers of comedy in the English language. But what of the man himself? Frances Donaldson, who first met Wodehouse in 1921, was given unique access to his most important private papers. From his blissful school days and his love affair with Hollywood to his time as a prisoner of war and his final years in America, Donaldson's definitive biography paints a luminous and affectionate portrait of the man known to his friends as "Plum."

'Why have you got to go anywhere? Are you on the run from the police?' 'Doctor's orders.' When Bertie Wooster overdoes metropolitan life, his doctor prescribes fresh air in the depths of the country. But after moving with Jeeves to his cottage at Maiden Eggesford, Bertie soon finds himself surrounded by aunts - not only his redoubtable Aunt Dahlia but an aunt of Jeeves's too. Add a hyper-sensitive racehorse, a pompous cat and a decidedly bossy fiancée - and all the ingredients are present for a plot in which aunts can exert their terrible authority. But Jeeves, of course, can cope with everything - even aunts, and even the country. Sir Pelham Grenville Wodehouse, KBE was an English author, humorist and scriptwriter. After being educated at Dulwich College, to which he remained devoted all his life, he was employed by a bank, but disliked the work and wrote magazine pieces in his spare time. In 1902 he published his first novel, *The Pothunters*, set at the

fictional public school of St. Austin's; his early stories continued the school theme. He also used the school setting in his short story collections, which started in 1903 with the publication of *Tales of St. Austin's*.

"Sublime comic genius"—Ben Elton These eleven stories describe the misadventures of the delightfully idle "Eggs," "Beans," and "Crumpets" that populate the Drones club: young men wearing spats, starting spats, and landing in sticky spots. Blandings is now a major BBC One television series starring Jennifer Saunders and Timothy Spall. Unwelcome guests are descending on Blandings Castle - particularly the overbearing Duke of Dunstable, who settles in the Garden Suite with no intention of leaving, and Lady Constance, Lord Emsworth's sister and a lady of firm disposition, who arrives unexpectedly from New York. Skulduggery is also afoot involving the sale of a modern nude painting (mistaken by Lord Emsworth for a pig). It's enough to take the noble earl on the short journey to the end of his wits. Luckily Clarence's brother Galahad Threepwood, cheery survivor of the raffish Pelican Club, is on hand to set things right, restore sundered lovers and even solve all the mysteries.

Jill the Reckless - P. G. Wodehouse - Jill The Reckless is a novel by P. G. Wodehouse. The heroine here, Jill Mariner, is a sweet-natured and wealthy young woman who, at the opening, is engaged to an MP, the baronet Sir Derek Underhill. We follow her through financial disaster, an adventure with a parrot, a policeman and the colourful proletariat, a broken engagement, an awkward stay with some grasping relatives, employment as a chorus girl, and the finding of true love. Sir Pelham Grenville Wodehouse, was an English author and one of the most widely read humorists of the 20th century. Born in Guildford, the son of a British magistrate based in Hong Kong, Wodehouse spent happy teenage years at Dulwich College, to which he remained devoted all his life. After leaving school he was employed by a bank but disliked the work and turned to writing in his spare time. His early novels were mostly school stories, but he later switched to comic fiction, creating several regular characters who became familiar to the public over the years. They include the feather-brained Bertie Wooster and his sagacious valet, Jeeves; the immaculate and loquacious Psmith; the feeble-minded Lord Emsworth and the Blandings Castle set; the loquacious Oldest Member, with stories about golf; and the equally loquacious Mr Mulliner, with tall tales on subjects ranging from bibulous bishops to megalomaniac movie moguls. Although most of Wodehouse's fiction is set in England, he spent much of his life in the US and used New York and Hollywood as settings for some of his novels and short stories. During and after the First World War, together with Guy Bolton and Jerome Kern, he wrote a series of Broadway musical comedies that were an important part of the development of the American musical. He began the 1930s writing for MGM in Hollywood. In a 1931 interview, his naïve revelations of incompetence and extravagance at Hollywood studios

caused a furore. In the same decade, his literary career reached a new peak.
