In the second part of John le Carr é 's Karla Trilogy, the battle of wits between spymaster George Smiley and his Russian adversary takes on an even more dangerous dimension. As the fall of Saigon looms, master spy George Smiley must outmaneuver his Soviet counterpart on a battlefield that neither can afford to lose. The mole has been eliminated, but the

damage wrought has brought the British Secret Service to its knees. Given the charge of the gravely compromised Circus, George Smiley embarks on a campaign to uncover what Moscow Centre most wants to hide. When the trail goes cold at a Hong Kong gold seam, Smiley dispatches Gerald Westerby to shake the money tree. A part-time operative with cover as a philandering journalist, Westerby insinuates himself into a war-torn world where allegiances—and lives—are bought and sold. Brilliantly plotted and morally complex, *The Honourable Schoolboy* is the second installment of John le Carr é 's renowned Karla trilogy and a riveting portrayal of postcolonial espionage. With an introduction by the author.

A Blandings novel When the moon is full at Blandings, strange things happen: among them the commissioning of a portrait of The Empress, twice in succession winner in the Fat Pigs Class at the Shropshire Agricultural Show. What better choice of artist, in Lord Emsworth's opinion, than Landseer. The renowned painter of The Stag at Bay may have been dead for decades, but that doesn't prevent Galahad Threepwood from introducing him to the castle - or rather introducing Bill Lister,

Gally's godson, so desperately in love with Prudence that he's determined to enter Blandings in yet another imposture. Add a gaggle of fearsome aunts, uncles and millionaires, mix in Freddie Threepwood, Beach the Butler and the gardener McAllister, and the moon is full indeed.

Blandings is now a major BBC One show starring Jennifer Saunders and Timothy Spall. In this wonderfully fat omnibus, which seems to span the dimensions of the Empress of Blandings herself (the fattest pig in Shropshire and surely all England), the whole world of Blandings Castle is spread out for our delectation: the engagingly dotty Lord Emsworth and his enterprising brother Galahad, his terrifying sister Lady Constance, Beach the butler (his voice 'like tawny port made audible'), James Wellbeloved, the gifted but not always sober

---

pigman, and Lord Emsworth's secretary the Efficient Baxter, with gleaming spectacles, whose attempts to bring order to the Castle always end in disarray. Lurking in the wings is Sir Gregory Parsloe-Parsloe of Matchingam Hall, the neighbour with designs on the Prize which must surely belong to the Empress. As Evelyn Waugh wrote, 'The gardens of Blandings Castle are that original garden from which we are all exiled.' This omnibus contains *Something Fresh*, *Summer Lightning* and three short stories.

Lady Constance rules with the iron rod of snobbery until her inevitable comeuppance in this delectable snarl of complications involving Lady Constance's daughter, a young American millionaire, and an earnest young artist with a face like a gorilla. Lord Emsworth's youngest, Freddie, has a star turn which reveals him as something more than a vapid lounge-lizard.

The claim that human agents are vulnerable to tragic conflict, situations in which one cannot help but do wrong, is a commonplace in contemporary moral philosophy. This book draws on Thomas Aquinas's moral thought in order to delineate an alternative view. While affirming that the human good can be attained only through difficulty, including the difficulty of moral conflict, it argues that Aquinas's understanding of a natural, hierarchical ordering of human goods allows for the rational resolution of moral conflict in a way that avoids tragic necessity.

P.G. Wodehouse (1881-1975) was perhaps the most widely acclaimed British humorist of the twentieth century. Throughout his career, he brilliantly examined the complex and idiosyncratic nature of English upper-crust society with hilarious insight and wit. The works in this volume provide a wonderful introduction to Wodehouse's work and his unique talent for joining fantastic plots with authentic emotion. In *The Code of the Woosters*, Wodehouse's most famous duo, Bertie Wooster and his unflappable valet Jeeves, risks all to steal a cream jug. *Uncle Fred in the Springtime*, part of the

famous Blandings Castle series, follows Uncle Fred as he attempts to ruin the Duke of Blandings while he is preoccupied with his favorite pig. Fourteen stories feature some of Wodehouse's most memorable characters, and three autobiographical pieces provide a revealing look into Wodehouse's life. With his gift for hilarity and his ever-human tone, Wodehouse and his work have never felt more lively. With a New Introduction by John Mortimer

"[Blandings] is an entire world unto itself and, one senses, Wodehouse pours into it his deepest feelings for England." —Stephen Fry  
The Honourable Galahad Threepwood has decided to write his memoir—a tell-all that could destroy polite society. Everyone wants this manuscript gone, particularly Lord Emsworth's neighbor Sir Gregory Parsloe-Parsloe, who would do anything to keep the story of the prawns buried in the past. But the memoir isn't the only problem. A chorus girl disguised as an heiress, a double-dealing detective, a stolen prize-winning sow, and a crazy ex-secretary are only a few of the complications that must be dealt with before everyone can have their happy ending.

and Timothy Spall. As a peer of the realm, Clarence, Ninth Earl of Emsworth, has an occasional duty to leave the Empress of Blandings, surely the most considerable pig in the whole world, and travel to London for the opening of parliament. It comes hard to him, for he has a proper sense of the priorities in life, which rate pigs and flowerbeds higher than politicians. But no sooner has he returned to Blandings than his real problems begin: the dastardly Duke of Dunstable is out to steal the Empress. His sister Lady Constance has inflicted on him a particularly nasty new secretary. And the Church Lads' Brigade are camped all over his lawns. Thank God for the Earl of Ickenham, better known as Uncle Fred, whose own particularly devious brand of

sweetness and light aims to banish blackmailers and pig-stealers and restore true love all over the castle grounds.

Disaster at the annual fete at Blandings Castle. It is the annual fete at Blandings Castle, and Connie will again force Clarence to wear a miserable top-hat and make a speech. To top it off, he is banned from picking his favourite flowers by terrifying head-gardener McAllister.

However, Clarence befriends Gladys and Ern, two cheeky school-children who encourage him to do what he wants. Connie is of course scandalised, and brings her howitzers to bear on the ghastly intruders. Freddie - needing to tap his old man for some cash - tries to help Clarence and the children and inevitably makes everything worse. 'Sublime comic genius' Ben Elton 'You don't analyse such sunlit perfection, you just bask in its warmth and splendour.' Stephen Fry 'The funniest writer ever to put words to paper.' Hugh Laurie 'P.G.

Wodehouse remains the greatest chronicler of a certain kind of Englishness, that no one else has ever captured quite so sharply, or with quite as much wit and affection.' Julian Fellowes

**The Difficult Good** W. W. Norton

Blandings is now a major BBC One television series starring Jennifer Saunders and Timothy Spall. Unwelcome guests are descending on

Blandings Castle - particularly the overbearing Duke of Dunstable, who settles in the Garden Suite with no intention of leaving, and Lady Constance, Lord Emsworth's sister and a lady of firm disposition, who arrives unexpectedly from New York. Skulduggery is also afoot involving the sale of a modern nude painting (mistaken by Lord Emsworth for a pig). It's enough to take the noble earl on the short journey to the end of his wits. Luckily Clarence's brother Galahad Threepwood, cheery survivor of the raffish Pelican Club, is on hand to set things right, restore sundered lovers and even solve all the mysteries.
