Lord Emsworth's prized pig, the Empress of Blandings, is at the centre of Wodehouse's hilarious tale of mistaken identity, the triumph of young love, and general mayhem among the twits at Blandings Castle.
Plum Pie Penguin
Blandings is now a major BBC One television series starring Jennifer Saunders and Timothy Spall. Unwelcome guests are descending on Blandings Castle - particularly the overbearing Duke of Dunstable, who settles in the Garden Suite with no intention of leaving, and Lady

Constance, Lord Emsworth's sister and a lady of firm disposition, who arrives unexpectedly from New York. Skulduggery is also afoot involving the sale of a modern nude painting (mistaken by Lord Emsworth for a pig). It's enough to take the noble earl on the short journey to the end of his wits. Luckily Clarence's brother Galahad Threeepwood, cheery survivor of the raffish Pelican Club, is on hand to set things right, restore sundered lovers and even solve all the mysteries.

The Best of Wodehouse
Simon and Schuster
Blandings is now a major BBC One show starring Jennifer Saunders and Timothy Spall. In this wonderfully fat omnibus, which seems to span the dimensions of the Empress of Blandings herself (the fattest pig in Shropshire and surely all England), the whole world of Blandings Castle is

spread out for our delectation: the engagingly dotty Lord Emsworth and his enterprising brother Galahad, his terrifying sister Lady Constance, Beach the butler (his voice 'like tawny port made audible'), James Wellbeloved, the gifted but not always sober pigman, and Lord Emsworth's secretary the Efficient Baxter, with gleaming spectacles, whose attempts to bring order to the Castle always end in disarray. Lurking in the wings is Sir Gregory Parsloe-Parsloe of Matchingham Hall, the neighbour with designs on the Prize which must surely belong to the Empress. As Evelyn Waugh wrote, 'The gardens of Blandings Castle are that original garden from which we are all exiled.' This omnibus contains Something Fresh, Summer Lightning and three short stories.

Blandings is now a major BBC One television series starring Jennifer Saunders and Timothy Spall. As a peer of the realm, Clarence, Ninth Earl of Emsworth, has an occasional duty to leave the Empress of Blandings, surely the most considerable pig in the whole world, and travel to London for the opening of parliament. It comes hard to him, for he has a proper sense of the priorities in life, which rate pigs and flowerbeds higher than politicians. But no sooner has he returned to Blandings than his real problems begin: the dastardly Duke of Dunstable is out to steal the Empress. His sister Lady Constance has inflicted on him a particularly nasty new secretary. And the Church Lads' Brigade are camped all over his lawns. Thank God for the Earl of Ickenham, better known as Uncle Fred, whose own particularly devious brand of sweetness and light aims to banish blackmailers and pig-stealers and restore true love all over the castle grounds.

In the second part of John le Carré's Karla Trilogy, the battle of wits between spymaster George Smiley and his Russian adversary takes on an even more dangerous dimension. As the fall of Saigon looms, master spy George Smiley must outmaneuver his Soviet counterpart on a battlefield that neither can afford to lose. The mole has been eliminated, but the

damage wrought has brought the British Secret Service to its knees. Given the charge of the gravely compromised Circus, George Smiley embarks on a campaign to uncover what Moscow Centre most wants to hide. When the trail goes cold at a Hong Kong gold seam, Smiley dispatches Gerald Westerby to shake the money tree. A part-time operative with cover as a philandering journalist, Westerby insinuates himself into a war-torn world where allegiances—and lives—are bought and sold. Brilliantly plotted and morally complex, The Honourable Schoolboy is the second installment of John le Carré's renowned Karla trilogy and a riveting portrayal of postcolonial espionage. With an introduction by the author.

The Inimitable Jeeves

The claim that human agents are vulnerable to tragic conflict, situations in which one cannot help but do wrong, is a commonplace in contemporary moral philosophy. This book draws on Thomas Aquinas's moral thought in order to delineate an alternative view. While affirming that the human good can be attained only through difficulty, including the difficulty of moral conflict, it argues that Aquinas's understanding of a natural, hierarchical ordering of human goods allows for the rational resolution of moral conflict in a way that avoids tragic necessity.

Disaster at the annual fete at Blandings Castle. It is the annual fete at Blandings Castle, and Connie will again force Clarence to wear a miserable top-hat and make a speech. To top it off, he is banned from picking his favourite flowers by terrifying head-gardener McAllister.

However, Clarence befriends Gladys and Ern, two cheeky school-children who encourage him to do what he wants. Connie is of course scandalised, and brings her howitzers to bear on the ghastly intruders. Freddie - needing to tap his old man for some cash - tries to help Clarence and the children and inevitably makes everything worse. 'Sublime comic genius' Ben Elton 'You don't analyse such sunlit perfection, you

just bask in its warmth and splendour.' Stephen Fry 'The funniest writer ever to put words to paper.' Hugh Laurie 'P.G. Wodehouse remains the greatest chronicler of a certain kind of Englishness, that no one else has ever captured quite so sharply, or with quite as much wit and affection.' Julian Fellowes **Full Moon** Everyman's Library

A Brazil nut playfully flung through the window of the Drones Club catapults Uncle Fred into action in P. G. Wodehouse's jab at the publishing industry. An anonymously penned novel about the nut incident has nobody suspecting the culprit and everybody scrambling for the royalties . . . then the movie rights come up for sale.

This book challenges
many of the accepted

Wodehouse and his

entwines details of
Wodehouse's life with
an analysis of his
work to show that,
contrary to popular

the characteristics and life story of PG Wodehouse himself. Easdale also gives fresh insight into PG Wodehouse's alleged 'treachery' during World War II and his motives for making five radio broadcasts from Germany which were to cast a shadow over the rest of his life. 'Easdale often finds an original angle with which to shatter stale, accepted perception... this book is compelling.' (Country Life). G. Wodehouse - "Something New" is

a novel by P. G. Wodehouse. The novel introduces Lord Emsworth of Blandings Castle, whose home and family reappear in many of Wodehouse's later short stories and novels. P.G. Wodehouse introduces us to the delightfully dotty Lord Emsworth, his bone-headed younger son, the Hon. Freddie Threepwood, his long-suffering secretary, the Efficient Baxter, and Beach the Blandings butler. *Full Moon* New Delhi : Arnold-Heinemann WITH A NEW INTRODUCTION BY NINA STIBBE A hundred years ago P.G. Wodehouse, now widely regarded as the best comic novelist of the twentieth century, wrote SOMETHING FRESH, the first of his novels set in Blandings Castle. Here resides the dotty Lord Emsworth, who is 'as completely

happy as only a fluffy-headed old man with excellent health and a large income can be'; his son, the Hon. Freddie Threepwood, who 'had been expelled from Eton for breaking out at night and roaming the streets of Windsor in a false moustache' and their butler, Beach, who had 'acquired a dignified inertia which almost qualified him for inclusion in the vegetable garden'. Featuring a valuable scarab unwittingly acquired from a dyspeptic American billionaire, plus imposters, engagements, broken engagements, elopements, mistaken identities, family spats and shots fired in the dead of night, SOMETHING FRESH is Wodehouse at his glorious best.
