"Unwelcome guests are descending on Blandings Castle - particularly the overbearing Duke of Dunstable, who settles in the Garden Suite with no intention of leaving, and Lady Constance, Lord Emsworth's sister and a lady of firm disposition, who arrives unexpectedly from New York. Skulduggery is also afoot involving the sale of a modern nude painting (mistaken by Lord Emsworth for a pig). It's enough to take the noble earl on the short journey to the end of his wits. Luckily Clarence's brother Galahad Threepwood, cheery survivor of the raffish Pelican Club, is on hand to set things right, restore sundered lovers and even solve all the mysteries."--Publisher description.

"[Blandings] is an entire world unto itself and, one senses, Wodehouse pours into it his deepest feelings for England." —Stephen Fry The Honourable Galahad Threepwood has decided to write his memoir—a tell-all that could destroy polite society. Everyone wants this manuscript gone, particularly Lord Emsworth ' s neighbor Sir Gregory Parsloe-Parsloe, who would do anything to keep the story of the prawns buried in the past. But the memoir isn ' t the only problem. A chorus girl disguised as an heiress, a double-dealing detective, a stolen prize-winning sow, and a crazy ex-secretary are only a few of the complications that must be dealt with before everyone can have their happy ending.

P.G. Wodehouse (1881-1975) was perhaps the most widely acclaimed British humorist of the twentieth century. Throughout his career, he brilliantly examined the complex and idiosyncratic nature of English upper-crust society with hilarious insight and wit. The works in this volume provide a wonderful introduction to Wodehouse's work and his unique talent for joining fantastic plots with authentic emotion. In *The Code of the Woosters*, Wodehouse's most famous duo, Bertie Wooster and his unflappable valet Jeeves, risks all to steal a cream jug. *Uncle Fred in the Springtime*, part of the famous *Blandings Castle* series, follows Uncle Fred as he attempts to ruin the Duke of Blandings while he is preoccupied with his favorite pig. Fourteen stories feature some of Wodehouse's most memorable characters, and three autobiographical pieces provide a revealing look into Wodehouse's life. With his gift for hilarity and his ever-human tone, Wodehouse and his work have never felt more lively. With a New Introduction by John Mortimer

Blandings is now a major BBC One show starring Jennifer Saunders and Timothy Spall. In this wonderfully fat omnibus, which seems to span the dimensions of the Empress of Blandings herself (the fattest pig in Shropshire and surely all England), the whole world of Blandings Castle is spread out for our delectation: the engagingly dotty Lord Emsworth and his enterprising brother Galahad, his terrifying sister Lady Constance, Beach the butler (his voice 'like tawny port made audible'), James Wellbeloved, the gifted but not always sober pigman, and Lord Emsworth's secretary the Efficient Baxter, with gleaming spectacles, whose attempts to bring order to the Castle always end in disarray. Lurking in the wings is Sir Gregory Parsloe-Parsloe of Matchingham Hall, the neighbour with designs on the Prize which must surely belong to the Empress. As Evelyn Waugh wrote, 'The gardens of Blandings Castle are that original garden from which we are all exiled.' This omnibus contains *Something Fresh*, *Summer Lightning* and three short stories.

The claim that human agents are vulnerable to tragic conflict, situations in which one cannot help but do wrong, is a commonplace in contemporary moral philosophy. This book draws on Thomas Aquinas's moral thought in order to delineate an alternative view. While affirming that the human good can be attained only through difficulty, including the difficulty of moral conflict, it argues that Aquinas's understanding of a natural, hierarchical ordering of human goods allows for the rational resolution of moral conflict in a way that avoids tragic necessity.

A *Blandings* novel When the moon is full at Blandings, strange things happen: among them the commissioning of a portrait of The Empress, twice in succession winner in the Fat Pigs Class at the Shropshire Agricultural Show. What better choice of artist, in Lord Emsworth's opinion, than Landseer. The renowned painter of *The Stag at Bay* may have been dead for decades, but that doesn't prevent Galahad Threepwood from introducing him to the castle - or rather introducing Bill Lister, Gally's godson, so desperately in love with Prudence that he's determined to enter Blandings in yet another imposture. Add a gaggle of fearsome aunts, uncles and millionaires, mix in Freddie Threepwood, Beach the Butler and the gardener McAllister, and the moon is full indeed.
