Jesus in Kashmir Weiser Books

"This book fruitfully serves those looking to apply Ernest Becker's ideas psychotherapeutically, in individual counseling or in group therapy. A capstone to Robert Firestone's 50 years of work in psychotherapy, psychoanalysis and psychiatry and to the numerous books written by these authors, Firestone and Catlett show how to apply the themes and implications of the ideas of Ernest Becker in everyday life. Their basic premise is that accepting death is part of developing an affirming and meaningful experience of life. Contributing to the credibility of their presentation is the wealth of clinical evidence and personal experience Firestone and Catlett incorporate." --The Ernest Becker Foundation "[F]ascinating and an enjoyable read....steeped in well researched and relevant psychological and sociological perspectives applicable to all social studies areas..." --Carol Lloyd University of Chichester "Firestone and Catlett's work is a marvelous achievement....This volume is both innovative and intrepid. Firestone and Catlett challenge prevailing psychoanalytic views on death and they demolish many of the accepted canons of thanatology and existential psychology. ...This is required reading for anyone who purports to talk about death." -- Jerry Piven, PhD Author of Death and Delusion: A Freudian Analysis of Mortal Terror "[A] towering synthesis of personal and clinical wisdom about death....with a superb overview of the psychology of death and death anxiety....Dr. Firestone draws on the best of the existential-humanistic as well as the psychoanalytic thinkers to address a flourishing path toward self-realization." -Kirk J. Schneider, PhD Author, Existential-Integrative Psychotherapy and Awakening to Awe (From the Foreword) Firestone and Catlett's groundbreaking volume assists mental health practitioners in helping their clients learn to accept and face their mortality. They describe the many defenses of death anxiety that keep individuals from achieving personal fulfillment, and also suggest methods to cope directly with fears of death; an approach that, ironically, can lead to more satisfaction, more freedom, and a greater appreciation for the gift of life. This book examines the many destructive consequences of death anxiety, including introversion, depression, and withdrawal from life. Throughout the book, the authors demonstrate the importance of achieving what they call life-affirming

death awareness. Key topics include: The dawning awareness of death and its impact on the developing child Literal and symbolic defenses against death anxiety Separation theory and "the fantasy bond" Challenging the defenses that interfere with living fully Microsuicide: the death of the spirit Breaking with limiting religious dogma and cultural worldviews With this book, mental health practitioners and their clients will be able to better understand death awareness, overcome the defenses against death anxiety, and ultimately lead richer, more fulfilling lives.

With the Swamis in America and India Simon and Schuster

This work includes a new excerpt -- about the past, present, and future of humanity -- from a sacred manuscript of Tibetan origin, known as the secret Book of Dzyan, which was written in the most ancient language of Senzar approximately one million years ago.

Reincarnation Advaita Ashrama (A publication branch of Ramakrishna Math, Belur Math)

" " Reads like a detective thriller! It picks you up and never lets go of you. " —Jess Stearn, bestselling author of Edgar Cayce, The Sleeping Prophet Ancient texts reveal that Jesus spent 17 years in the Orient. They say that from age 13 to age 29, Jesus traveled to India, Nepal, Ladakh and Tibet as both student and teacher. For the first time, Elizabeth Clare Prophet brings together the testimony of four eyewitnesses—and three variant translations—of these remarkable documents. She tells the intriguing story of how Russian journalist Nicolas Notovitch discovered the manuscripts in 1887 in a monastery in Ladakh. Critics " proved " they did not exist—then three distinguished scholars and educators rediscovered them in the twentieth century. Now you can read for yourself what Jesus said and did prior to his Palestinian mission. It ' s one of the most revolutionary messages of our time."

The Zen of Living and Dying Penguin Books India

This fascinating book of M.V. Kamath helps to answer the most crucial question of existence "What is the meaning of death?" Drawing from the wisdom of major religions and cultures of the East and West, he presents a clear, highly, informative study on the experience of Life and Death. Included are the thoughts and reflections of 55 famous men and women during their experience of dying, who tells us what we ought to know or intuit, that those who are well integrated die bravely, calmly and at peace with themselves. To mention a few names like Socrates, Madame Curie, Queen Elizabeth, Swami Vivekananda – these are people whose deaths tell us how to die.

The Unknown Life of Jesus Christ World Wisdom, Inc

This collection of 108 stories recounts the ways in which Hindu, Tibetan and Zen Buddhist masters, both ancient and modern, have confronted their own deaths. It is intended to show people how to leave the world gracefully and place death in its proper perspective.

Journey Into Kashmir and Tibet Jaico Publishing House

Swami Bhashyananda has explained different aspects of Vedanta philosophy in this book

with appropriate quotations from the Upanishads and Gita and has brought home to us the significance of this great philosophy in the context of the present edition in the world. From the standpoint of this book will serve a very useful purpose by making readers aware of their duty to themselves and to the world at large.

The Initiate Vedanta Press

Reincarnation is an Eastern religious studies text by Swami Abhedananda. The visible phenomena of the universe is bound by the universal law of cause and effect. The effect is visible or perceptible, while the cause is invisible or imperceptible. The falling of an apple from a tree is the effect of a certain invisible force called gravitation.

Nature, the Utility of Religion, and Theism Penguin/Ananda

Recorded conversations and reminiscences can help you sense the spiritual power of the Holy Mother. The most complete collection available.

Bhagavad Gita As Viewed By Swami Vivekananda Shambhala Publications

8 x 5.25 x 0.25 Inches

Kali's Child Gateway Books

A first-hand biographical record, written by a disciple, presents the teachings and mystical experiences of Sri Ramakrishna, the 19th century guru who inspired a renewal of Hindu spirituality.

The Gospel of Sri Ramakrishna Partridge Publishing

Comprises author's travel account, 1922, with discussions on the life of Jesus Christ in India and his links with Buddhists.

A Traveler's Guide to the Afterlife Weatherhill, Incorporated

To live life fully and die serenely—surely we all share these goals, so inextricably entwined. Yet a spiritual dimension is too often lacking in the attitudes, circumstances, and rites of death in modern society. Kapleau explores the subject of death and dying on a deeply personal level, interweaving the writings of Western religions with insights from his own Zen practice, and offers practical advice for the dying and their families.

Life Beyond Death Pustak Mahal

Swami Vivekananda 's views on the Bhagavad Gita are scattered throughout 'The Complete Works of Swami Vivekananda' published in nine volumes. The present book, published by Advaita Ashrama, a publication branch of Ramakrishna Math, Belur Math, is an extensive compilation of these insightful views of Swami Vivekananda on this sacred scripture of the Hindus. The reader is, as it were, taken through several verses of the Gita along with the Swami 's elevating and soul-stirring commentary. Note: This book has embedded fonts to display the verses in Devanagari. You may have to use the 'Original' Font option in Google Play Books app. "... The book is certainly not a commentary on the Gita, in the traditional sense. But, what is available is indeed a treasure house of wisdom. Swamiji was a living embodiment of the Gita. According to him, the Gita was ' practical Vedanta ' . He demonstrated this through his life. Reading through the book is indeed a rewarding experience. One is in holy company, imbibing the words of one who is speaking from his heart. ... Just as Swamiji himself used to carry a copy of the Gita with him

always, one cannot do better than carry a copy of this book with one always..." - from a Review in the Vedanta Kesari, November 2010, p.441 published by Sri Ramakrishna Math, Chennai. As of February 2017, the print book has undergone seven reprints and more than 27,000 copies have been sold.

Beyond Death Anxiety Readworthy

A grand survey of the world ' s death and afterlife traditions throughout history

- Examines beliefs from many different cultures on the soul, heaven, hell, and reincarnation; instructions for accessing the different worlds of the afterlife; how one may become a god; and how ethics and the afterlife may not be connected
- Explores techniques to communicate with the dead, including s é ance instructions
- Includes an extensive bibliography of more than 900 sources from around the world

Drawing on death and afterlife traditions from cultures around the world, Mark Mirabello explores the many forms of existence beyond death and each tradition ' s instructions to access the afterlife. He examines beliefs on the soul, heaven, hell, and reincarnation and wisdom from Books of the Dead such as the Book of Going Forth by Day from Egypt, the Katha Upanishad from India, the Bardo Thodol from Tibet, the Golden Orphic Tablets from Greece, Lieh Tzu from China, and Heaven and its Wonders and Hell from Things Heard and Seen from 18th-century Europe. Considering the question " What is Death? " Mirabello provides answers from a wide range of ancient and modern thinkers, including scientist Nicholas Maxwell, the seer Emanuel Swedenborg, 1st-century Buddhist philosopher Nagarjuna, and Greek philosopher Euripides, who opined that we may already be dead and only dreaming we are alive. He explores the trek of the soul through life and death with firsthand accounts of the death journey and notes that what is perceived as death here may actually be life somewhere else. He reveals how, in many traditions, ethics and the afterlife are not connected and how an afterlife is possible even without a god or a soul. Sharing evidence that consciousness is not simply a product of the brain, he offers a strong rebuttal to nihilists, materialists, and the Lokayata philosophical school of India who believe in the " finality " of death. He explains how specters and ghosts are produced and offers techniques to communicate with the dead as well as instructions for an out-of-body experience and the complete procedure for a s é ance. With an extensive bibliography of more than 900 sources, this guide offers comprehensive information on afterlife beliefs from the vast majority of cultures around the world and throughout history--a veritable " traveler ' s guide " to the afterlife.

Life After Death Ramakrishna Vivekanada Center

The Initiate presents the unfolding story of the fascinating and mysterious personality known as Justin Moreward Haig. The story is of absorbing interest to students of the spiritual path because they learn that Mahatmas and Masters do not live in seclusion, nor are they necessarily wellknown teachers and authorities. The

spiritual path can be found by people of diverse nationalities and races. Here we learn the veiled history of an Adept who lived and worked within his community, hiding his true identity for the convincing reason discussed in this book. Also included are excerpts from the discourse of the author 's Master, in which some of the most profound truths are stated in an original and compelling manner.

The Monk as Man Lulu Press, Inc

The author Sri Anil Sharma was born in Ambala, India. He graduated as an electrical engineer in 1980, after which he travelled for a period of three years throughout the Indian subcontinent, in search of the truth. Since 1993 over a period of seven years he read more than nine hundred books written and referred to by great spiritual masters, attained various siddhis, toured many countries around the world and gave lectures. This book is the outcome of his spiritual experiences and guidance received from sages and spiritual masters during deep states of meditation. However, inspite of experiencing the rising of cosmic currents in his body, having attained a heightened awareness of reality, and achieving many tasks in spirituality, like writing books and genuinely helping many aspirants in the path of spirituality, his own quest of knowing and gaining personal experience of self realisation remained unfulfilled. In the year 2000 he came across the teachings of Sri Ramana Maharshi, in whom he found all the answers to his spiritual quest and took him as his Sat guru. The author currently resides in Australia, works in his profession and also runs a small centre in Sydney called Sage Sri Ramana Maharshi Centre of Learning Sydney Complete Works of Swami Abhedananda Advaita Ashrama (A publication branch of Ramakrishna Math, Belur Math)

Swami Abhedananda SCB Distributors

An intimate portrait of the little-known aspects of Swami Vivekananda 's life. Wandering mystic, India 's spiritual ambassador to the West and founder of the Ramakrishna Mission, Swami Vivekananda awakened India 's masses to the country 's spiritual richness while stressing the importance of scientific inquiry. These aspects of Swamiji 's life have been well chronicled by Swamiji himself, through his letters, speeches and writings; his own brothers who between them have written more than a hundred books; his co-disciples, disciples and others whose lives were enriched by their interactions with him; and, more than a century after his death, followers who had only read or heard of the magnetic personality of this revered teacher. Gleaned from all these sources, through painstaking research Sankar 's biography focuses on the personal life of the saint: What was Vivekananda like as a man? What role did his mother play in his life, both before and after he renounced all family ties? Could he reconcile the duties of a monk with the duties of an eldest son? What prompted him to promote Vedanta and biriyani in the West? Did the long drawn battles over family property affect his health and cut short his life? Did his sister commit suicide? Why did his brother not write a single letter for six years when he was wandering around the world? What was Swamiji 's favourite dish and what fruit did he like the least?

What was his height? Where did he have his second heart attack? How much did the Calcutta doctor charge him at his chamber? Sankar 's composite picture of the monk as man has sold over one lakh copies in Bengali and this translation brings the unfamiliar Vivekananda to a larger readership.

The Gospel of the Holy Mother Sri Sarada Devi Abhedananda Press

Scholar Jeffrey J. Kripal explores the life and teachings of Ramakrishna Paramahansa, a 19th-century Bengali saint who played a major role in the creation of modern Hinduism. The work is now marked by both critical acclaim and cross-cultural controversy. In a substantial new Preface to this second edition, Kripal answers his critics and addresses the controversy.
