Western Admirers of Ramakrishna and His Disciples Rupa Publications India Pvt Limited This is an enlarged edition of our earlier publication, the Apostles of Sri Ramakrishna. The book contains the life and teachings of the sixteen monastic disciples of Sri Ramakrishna. Brief life sketches of some of the lay disciples of Sri

Ramakrishna, both men and women, have also been added. Compiled and Edited by Swami Gambhirananda and published by Advaita Ashrama, a publication house of Ramakrishna Math, Belur Math, India, readers will find in this work invaluable guidance and instructions for enriching their spiritual life, as well as plenty of much needed inspiration. Philosophy of Life and Death Shambhala Publications Death is a constant phenomenon facing man with its grim ruthlessness, arousing in him all sorts of questions about its nature

and about fate and rebirth. This book attempts to answer these questions in the light of the occult-spiritual insights provided by Sri Aurobindo and the Mother. The author also dwells on the fear of death and ways to conquer it, as well as on what happens at the moment of death, and where the soul goes. The Master as I Saw Him Harmony This fascinating book of M.V. Kamath helps to answer the most crucial question of existence “ What is the meaning of death? ” Drawing from the wisdom of major religions

and cultures of the East and West, he presents a clear, highly, informative study on the experience of Life and Death. Included are the thoughts and reflections of 55 famous men and women during their experience of dying, who tells us what we ought to know or intuit, that those who are well integrated die bravely, calmly and at peace with themselves. To mention a few names like Socrates, Madame Curie, Queen Elizabeth, Swami Vivekananda – these are people

whose deaths tell us how to die. Jesus Mystery Jaico Publishing House This classic work of research published by Advaita Ashrama, a Publication centre of Ramakrishna Math, Belur Math, India, brings under a single volume around 600 persons inspired by the ideals of Sri Ramakrishna and his disciples. Notable personalities whose connection with the Vedanta Movement in the West is delineated include Aldous Huxley, Arnold Toynbee, Albert Einstein, Ralph Waldo

Emerson, Carl Jung, Mark Twain, J D Salinger and Joseph Campbell among others. For the scholars it is a mine of information presented precisely, and for the devotees of Ramakrishna, it is an inspiring account of western admiration for Ramakrishna and his disciples. (Pdf version). Spiritual Teachings of Swami Abhedananda Prabhat Prakashan Vedanta Philosophy: Famous lectures in Yoga from the last survivor of the direct

disciples of Ramakrishna. "The doctrine of Reincarnation says that each individual soul is potentially perfect and is gradually unfolding its powers and making them actual through the process of Evolution."
-Swami Abhedananda
Swami Abhedananda compiled for you this fabulous book of his five lectures on reincarnation. In each lecture he examines the beliefs of religions and cultures while explaining the

scientific basis of mankind is reincarnation. This is a very deep book and powerful to those who seek a deeper understanding of reincarnation. "In these discourses the Swami Abhedananda considers the questions of evolution and the resurrection in their bearing upon the ancient teaching of rebirth, the truth, logic and justice of which are rapidly permeating the best thought of the Western world. For the preservation of this doctrine

indebted to the literary storehouses of India, the racial and geographical source of much of the vital knowledge of Occidental peoples. Reincarnation is shown in the present volume to be a universal solvent of life's mysteries. It answers those questions of children that have staggered the wisest minds who seek to reconcile the law of evolution and the existence of an intelligent and just Creator, with the proposition that

ma has but a single lifetime in which to develop spiritual self-consciousness. It is commended to every thinker." -Mind, February, 1900 "It is a work which will appeal to the novice for its simplicity and definite quality, and to the student for its wealth of knowledge and suggestion." -Vedanta Monthly Bulletin, September, 1907 "The book should prove a valuable acquisition." -The Evening Sun, N. Y., December 21, 1907 "This is

the work of a man of fine education and fine intellect....(Reincarnation) as expounded by Swami Abhedananda is very plausible, quite scientific, and far from uncomfoting. The exposition contained in this little book is well worth reading for all students of metaphysics. There is not the slightest danger of its converting or perverting any one to a new and strange religion. Reincarnation is not religion, it is science. Science was never

known to hurt anybody but scientists." -Brooklyn Eagle, December 13, 1907 Contents I.--Reincarnation II.--Heredity and Reincarnation III.--Evolution and Reincarnation IV.--Which is Scientific, Resurrection or Reincarnation? V.--Theory of Transmigration Aghora Columbia University Press Perhaps no other subject has haunted the human mind, right from the hoary past, with such unerring consistency like

the one regarding life and death. Is man mortal or immortal? What is reincarnation? What happens when a man dies? Every man is forced to ask these questions at some juncture of his life. This booklet published by Advaita Ashrama, Publication House of Ramakrishna Math, Belur Math, India, provides brief but clear answers to these fundamental questions. Life After Death DigiCat

What happens to the spirit after the body dies? In Life After Death, Deepak Chopra draws on cutting-edge scientific discoveries and the great wisdom traditions to provide a map of the afterlife. He tells us there is abundant evidence that “ the world beyond ” is not separated from this world by an impassable wall; in fact, a single reality embraces all worlds, all times and places. “ A must-read for everyone who will die. ”

—Candace B. Pert, Ph.D., author of *Molecules of Emotion* “ A penetrating and insightful investigation into the greatest mystery of existence. This is an important book because only by facing death will we come to a deeper realization of who we are. ” —Eckhart Tolle, author of *A New Earth* and *The Power of Now* “ If I had any doubts about the afterlife, I don ’ t anymore. Why a Hindu is a Vegetarian

by Abhedananda is a thought-provoking exploration of the vegetarianism tradition within Hinduism. The book presents philosophical and spiritual reasons behind the dietary choices practiced by many Hindus, emphasizing non-violence, compassion, and a connection to nature. Key Aspects of the Book "Why a Hindu is a Vegetarian":
Spiritual

Principles: The book delves into the spiritual and ethical reasons that guide many Hindus toward a vegetarian lifestyle.
Ancient Wisdom: It explores the roots of vegetarianism in Hindu scriptures and philosophy, revealing the tradition's historical significance.
Compassionate Living: The book advocates for a lifestyle that reflects harmony with

nature and a sense of responsibility toward all living beings. Abhedananda presents a philosophical exploration of vegetarianism in Hinduism through "Why a Hindu is a Vegetarian." As an author, Abhedananda highlights the spiritual and ethical dimensions that underpin this dietary choice. The Gospel of Râmakrishna University of Chicago Press The author Sri Anil Sharma

was born in Ambala, India. He graduated as an electrical engineer in 1980, after which he travelled for a period of three years throughout the Indian subcontinent, in search of the truth. Since 1993 over a period of seven years he read more than nine hundred books written and referred to by great spiritual masters, attained various siddhis, toured many countries around the world and gave lectures. This

book is the outcome of his spiritual experiences and guidance received from sages and spiritual masters during deep states of meditation. However, inspite of experiencing the rising of cosmic currents in his body, having attained a heightened awareness of reality, and achieving many tasks in spirituality, like writing books and genuinely helping many aspirants in the path of spirituality, his own quest of

knowing and gaining personal experience of self realisation remained unfulfilled. In the year 2000 he came across the teachings of Sri Ramana Maharshi, in whom he found all the answers to his spiritual quest and took him as his Sat guru. The author currently resides in Australia, works in his profession and also runs a small centre in Sydney called Sage Sri Ramana Maharshi Centre of Learning Sydney Complete Works of Swami

Abhedananda Partridge Publishing Reincarnation is an Eastern religious studies text by Swami Abhedananda. The visible phenomena of the universe is bound by the universal law of cause and effect. The effect is visible or perceptible, while the cause is invisible or imperceptible. The falling of an apple from a tree is the effect of a certain invisible force called gravitation. Human Affection and Divine Love Legare Street Press Zen teacher

Philip Kapleau presents an exploration of the spiritual dimensions of death and dying that reveals how we may learn to live life fully at every moment, and die serenely. [Journey Into Kashmir and Tibet](#) Penguin Books India DigiCat Publishing presents to you this special edition of "Five Lectures on Reincarnation" by Swami Abhedananda. This work is in the "public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and

distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant. Life Beyond Death Excerpt: "Liberty

is the first condition of growth. Just as man must have liberty to think and speak, so must he have liberty in food, dress, and marriage, and in every other thing as long as he does not injure others." The Disciples of Sri Ramakrishna "Theos Bernard, the White Lama" recounts the real story behind the purported adventures of Theos Casimir Bernard (1908--1947), the self-proclaimed "White Lama"

who in 1937 became the third American in history to reach Lhasa, the capital city of Tibet. Bernard met, associated, and corresponded with the major social, political, and cultural leaders of his day, from the Regent and high politicians of Tibet to saints, scholars, and diplomats of British India, and from Charles Lindbergh and Franklin Delano Roosevelt to Gandhi and

Nehru. But he also had his flaws. He was an entrepreneur propelled by grandiose schemes, a handsome man who shamelessly used his looks to bounce from rich wife to rich wife to support his activities, and a master manipulator who concocted his own interpretations of Eastern wisdom to suit his own ends. Despite the bright future ahead of him,

Bernard disappeared in India during the communal violence of the 1947 Partition, never to be seen again. Through diaries, interviews, and previously unstudied documents, Paul G. Hackett shares Bernard's compelling life story, along with his efforts to awaken America's religious counterculture to the unfolding events in India, Tibet, and the Himalayas.

Theos Bernard, the White Lama An intimate portrait of the little-known aspects of Swami Vivekananda ' s life. Wandering mystic, India ' s spiritual ambassador to the West and founder of the Ramakrishna Mission, Swami Vivekananda awakened India ' s masses to the country ' s spiritual richness while stressing the importance of scientific inquiry. These aspects of Swamiji ' s life have been well chronicled by

Swamiji himself, through his letters, speeches and writings; his own brothers who between them have written more than a hundred books; his co-disciples, disciples and others whose lives were enriched by their interactions with him; and, more than a century after his death, followers who had only read or heard of the magnetic personality of this revered teacher. Gleaned from all these sources, through

research
Sankar ' s
biography
focuses on the
personal life of
the saint: What
was
Vivekananda like
as a man? What
role did his
mother play in
his life, both
before and after
he renounced all
family ties?
Could he
reconcile the
duties of a monk
with the duties
of an eldest son?
What prompted
him to promote
Vedanta and
biriyani in the
West? Did the
long drawn
battles over
family property
affect his health

and cut short his
life? Did his
sister commit
suicide? Why did
his brother not
write a single
letter for six
years when he
was wandering
around the
world? What was
Swamiji ' s
favourite dish
and what fruit
did he like the
least? What was
his height?
Where did he
have his second
heart attack?
How much did
the Calcutta
doctor charge
him at his
chamber?
