The Culture of Castles in Tudor England and Wales Page Street YA

"You only need a tube of glue and a pair of scissors or a craft knife to turn this book into a superb model of a 14th century castle. The model is packed with accurate historical details, including over 40 cut-out figures and props to help you bring the castle to life."--back cover.

Life in a Medieval Castle DK Publishing (Dorling Kindersley)

"A lovely, witty treasure trove of a book, spilling over with historical gems . . . a very human history: sometimes weird, always wonderful." —Dan Jones, New York Times-bestselling author Have you ever found yourself watching a show or reading a novel and wondering what life was really like in the Middle Ages? What did people actually eat? Were they really filthy? And did they ever get to marry for love? In *Life in Medieval Europe: Fact and Fiction*, you'll find fast and fun answers to all your secret questions, from eating and drinking to sex and love. Find out whether people bathed, what they did when they got sick, and what actually happened to people accused of crimes. Learn about medieval table manners, tournaments, and toothpaste, and find out if people really did poop in the moat.

"To say that this book was fun to read would be an understatement. Cybulskie's knowledge radiates in every page of this short book . . . It was educational and entertaining all at the same time. Simply a wonderful resource for novice medievalists and writers of historical fiction and nonfiction alike." —Adventures of a Tudor Nerd "All in all, this is an excellent book to put to bed many of the myths surrounding medieval existence that persist in the popular imagination. Easy to read and well worth the time to read it. I highly recommend this book if you want to get a mostly unbiased view of medieval life." —Battles and Book Reviews

The Medieval Castle Boydell & Brewer

The reissue of Joseph and Frances Gies' classic bestseller on life in medieval villages. This new reissue of *Life in a Medieval Village*, by respected historians Joseph and Frances Gies, paints a lively, convincing portrait of rural people at work and at play in the Middle Ages. Focusing on the village of Elton, in the English East Midlands, the Gieses detail the agricultural advances that made communal living possible, explain what domestic life was like for serf and lord alike, and describe the central role of the church in maintaining social harmony. Though the main focus is on Elton, c. 1300, the Gieses supply enlightening historical context on the origin, development, and decline of the European village, itself an invention of the Middle Ages. Meticulously researched, *Life in a Medieval Village* is a remarkable account that illustrates the captivating world of the Middle Ages and demonstrates what it was like to live during a fascinating—and often misunderstood—era.

Castle Harper Collins

Provides readers of all ages with a colorful tour of medieval castles

through detailed pop-up diagrams with informative and factual text about their construction, inhabitants, and the era in which they were used.

Life in a Mediaeval City, Illustrated by York in the XVth Century Enchanted Lion Books

History comes alive in this incredible children's illustrated book about castles. Slicing through different areas of a medieval fortress, extraordinary views reveal the people busy inside, preparing for battle as an enemy army approaches. Packed with facts, you'll find out what it takes to build a massive 14th-century castle, dress a knight in armor, or prepare a feast fit for a king or queen. From the drawbridge to the dungeon, *Cross-Sections Castle* swarms with the people who keep the castle going--the workers, craftsmen, and servants. And, as you pore over every page, look out for the villainous spy. Is he in the well... the keep... the moat? No? Keep looking, he's there somewhere! Back in print after 20 years, you can now cheer on jousters, be entertained by a troubadour, and witness the gory details of a traitor's demise. This unique illustrated book for kids is not just the story of a castle; it brings medieval history to life.

Make This Medieval Castle DK Children

Describes medieval castles and what life was like for the knights who lived in them.

Life in a Medieval Castle and Village Coloring Book

Penguin Classics

From acclaimed historians Frances and Joseph Gies comes the reissue of their classic book on day-to-day life in medieval cities, which was a source for George R.R. Martin's *Game of Thrones* series. Evoking every aspect of city life in the Middle Ages, *Life in a Medieval City* depicts in detail what it was like to live in a prosperous city of Northwest Europe in the twelfth and thirteenth centuries. The year is 1250 CE and the city is Troyes, capital of the county of Champagne and site of two of the cycle Champagne Fairs—the "Hot Fair" in August and the "Cold Fair" in December. European civilization has emerged from the Dark Ages and is in the midst of a commercial revolution. Merchants and money men from all over Europe gather at Troyes to buy, sell, borrow, and lend, creating a bustling market center typical of the feudal era. As the Gieses take us through the day-to-day life of burghers, we learn the customs and habits of lords and serfs, how financial transactions were conducted, how medieval cities were governed, and what life was really like for a wide range of people. For serious students of the medieval era and anyone wishing to learn more about this fascinating period, *Life in a Medieval City* remains a timeless work of popular medieval scholarship.

Exploring English Castles Franklin Watts

"Text and detailed drawings follow the planning and construction of a "typical" castle and adjoining town in thirteenth-century Wales."-- Title page verso.

The Knight in History Brepols Publishers

This collection of 30 detailed illustrations focuses on activities within the castle and how the heavily fortified structure functioned. Included are views of the castle's moat, drawbridge, and other features, plus the Great Hall and dungeons. Also here are ready-to-color scenes of a lady doing needlework, a castle under siege, and more.

Life in a Castle Holiday House

The Haynes Medieval Castle Manual explores the background story to castle construction in Medieval Europe, showing that castles had both a domestic and defensive function. It uses the 'new' medieval castle-building project at Gu é delon in Burgundy as the centerpiece for the book, examining the construction and anatomy of these awe-inspiring structures, section by section. Life inside the castle walls is explored, from the perspectives of the lowliest servants to the mighty lords and all those ranks in between. Ordinary daily routines to how a castle 's inhabitants would have been fed and watered and the building itself heated and furnished are also covered. When it came to survival in times of unrest, the castle presented would-be assailants with a formidable array of defensive measures, some of which were truly frightening in their ability to inflict injury and death.

Life in a Medieval Castle Houghton Mifflin Harcourt

Heir to an earldom, and wife and widow of William de Valence (half-brother of King Henry III), Joan de Valence was an important actor in the volatile political world of thirteenth-century England, Wales, Scotland, and Ireland. Yet, astonishingly, her story of survival, perseverance, and influence has never been told until now. *Joan de Valence: The Life and Influence of a Thirteenth-Century Noblewoman* draws on archival research, as well as tools of historical analysis and gender studies, to peel back the layers of this remarkable noblewoman's life. From her survival of the wars between king and baronage at mid-century to her life as a widow and magnate of the realm, the story of Joan de Valence, as Mitchell argues, exemplifies the range of experiences of noblewomen during the middle ages.

Life in Medieval Europe Pen and Sword

Describes the history, purpose, and construction of medieval castles and the life of their various inhabitants.

Life in a Medieval Castle Capstone Classroom

An epic quest, a dragon, a knight in shining armor—this classic children 's story is the perfect read for 3rd and 4th graders who love medieval fantasy. A magical toy castle plunges 10-year-old William into a wild fantasy adventure—where he discovers the true meaning of courage. When his beloved caretaker Mrs. Phillips tells him she's leaving, William is devastated. Not even her farewell gift of a model medieval castle helps him feel better—though he has to admit it 's fascinating. From the working drawbridge and portcullis to the fully-furnished rooms, it's perfect in every detail. It almost seems magical. And when William looks at the silver knight, the tiny figure comes to life in his hand—and tells him a tale of a wicked sorcerer, a vicious dragon, and a kingdom in need of a hero. Hoping the castle's magic will help him find a way to make his friend stay, William embarks on a daring quest with Sir Simon, the Silver Knight—but he will have to face his own doubts and regrets if he's going to succeed. William 's story continues in *The Battle for the Castle*, available as a redesigned companion edition.

The Medieval Castle Courier Corporation

types of castles that existed in the Middle Ages. They will discover the different purposes they served, how they were built, and who lived in them. Special sections portray the roles played by women and children inside a castle.

Sabuda & Reinhart Present Castle Konemann

Examines methods of defending and attacking castles and what day to day life was like inside a castle in medieval times.

Life in a Medieval Village Crabtree Publishing Company

This series comprises regional studies in the rural history of the European continent during the Middle Ages (concentrating on the period 1000-1500). Integrating written records, archaeology, and research on the history of the landscape and environment, the books profile work on particular regions in detail. Implicitly and explicitly the series seeks to generate a comparative vocabulary and understanding of phenomena that heretofore have been studied in their local settings. These studies offer broader implications for the history of the seigneurial regime of the Middle Ages, and concern such topics as the history of servitude, the settlement of the land, the functioning of the economy, food, and agricultural practices.

Escape the Medieval Castle Harper Collins

Learn about castle life.

Life in a Medieval Castle Orchard Books (NY)

Got a warm heart and a weak stomach? Then you probably wouldn't want to be a servant in a medieval castle, where the rooms are always stone cold - unless it's your castle - and the next revolt could leave you mopping up a bloody mess and piles of dead bodies.

Castles in Italy Haynes Publishing UK

A guide to some of the most historical and picturesque castles in England for romantics and Anglophiles alike. Castles have shaped England. For almost one thousand years, castles have been the settings of siege and battle, dens of plotting and intrigue, and refuges for troubled kings. Today, the romantic yet ruinous shapes of once grand fortresses stud the English countryside—a reminder of turbulent times past. Exploring English Castles provides readers with a breathtaking tour through the grandest castles of England. It brings ruins to life through true stories of royalty, chivalry, deception, and intrigue, played out within formerly majestic walls. Uncover the secret of Bodiam Castle, Sussex—a fortress seemingly from a fairy tale, built for a knight returning from the Hundred Years ' War. Discover how Mary Tudor, first queen of England, took refuge in Framlingham Castle, Suffolk, overturning a wily plot to deny her the throne. Unearth a delicate love story between Queen Elizabeth I and Robert Dudley, which unfolds against the genteel backdrop of Kenilworth Castle, Warwickshire. Filled with evocative photographs, awe-inspiring historical tales, and gentle humor, Exploring English Castles will delight any armchair historian, travel aficionado, or fan of historical fiction.

Castle The History Press

Noble knights, haughty chatelaines and their castles are something we encounter in our earliest readings of fairy tales. The picture they give of the Middle Ages is glamorous but rather short on realism. This book brings to life the genuine everyday life and machinations of the Italian nobility and clergy. The names of ruling families such as the Medicis, Sforzas and d'Estes are closely linked with Italian history. Of very diverse origin and by no means always noble, they were condottieri, merchants and bankers. Their dangerous power games, alliances and intrigues were not infrequently resolved by mysterious poisonings. Splendid marriages and celebrations were part of their more public front, while princes, kings and popes were discriminating patrons of outstanding artists and poets. Their fortresses have survived the centuries, if not always unscathed, to tell their stories. Book jacket.
