Entry Numbers. Curriculum materials are arranged alphabetically by title in each category (Core Materials, Supplementary Units, and Science Activity Books) in chapters 1 through 5 of this guide.. Each curriculum annotation has a two-part entry number: the chapter number is given before the period; the number after the

period locates the entry within that chapter.

Read "Resources for Teaching Middle School Science" at NAP.edu

I use these books in my high school science classes to introduce topics or for 10-minute warm-up guided reading activities. It is perfect because the

reading is usually less than two pages, and inquiry questions are designed to be used on a paragraph-by-paragraph basis.
