British Books Disha Publications
Life Sciences and Space Research, Volume XII documents the proceedings of the Life Sciences sessions of the 16th Plenary Meeting of the Committee on Space Research (COSPAR) held in Konstanz in May and June 1973. This compilation includes several studies on the biological effects of radiation produced by particles of very high energy, including the kind of cellular damage these particles cause and the technique for recording particle tracks in relation to biological objects. The effects of weightlessness upon developmental processes in biology and the interaction between weightlessness and other effects of space flight are also deliberated.

This book likewise provides a brief discussion on the field of planetary quarantine, implying that all the planets should be protected from unwise contamination. This publication is valuable to students and researchers conducting work on exobiology, radiation biology, gravitational biology, or planetary quarantine.

This book tells the true life story of the author, Abdul Tawab Assifi. It is written in three parts. Each part depicts unique circumstances and happenings in the author's life and that of his family. In part one, the author gives an account of his early life, including his schooling and the degrees he earned from reputable American universities. He then discusses how he utilized this knowledge to build his home country. Mr. Assifi climbed the professional ladder, becoming governor of an important

Afghan province and then the minister of mines and industries before the Soviet Red Army's invasion and takeover of his homeland. Part two describes when all hell breaks loose in Afghanistan. It is an eyewitness account of the government coup and the murder of Afghanistan's beloved president, his wife, his daughters and sons, and other women and children in his family. The author kept secret notes while he was in prison, and he managed to get those notes out once he was released. A daily account of these events, Assifi's imprisonment, and the torture and slaughter of thousands of innocent people by the Communists, who had been trained by the Soviet Russian government, is provided in this part of the book, which is called "The Origins of the Tragedy of Afghanistan." Part three is the story of the author's new life in the land of the free. It is an account of how the author managed to get his wife and children to America, which the author calls heaven on earth. In this part, Mr. Assifi speaks of the work he did in America and when he returned to Afghanistan to rebuild his destroyed homeland and provide assistance to its downtrodden people.

The Publisher Yellowreef Limited
