A boy's efforts to create an icon to please the family's new maid helps him to make new friends and discover an artistic talent.

[Firefly Lane](#) Simon and Schuster

From the author of BEING 14 and FATHERS AND DAUGHTERS comes a book that shares what your daughter needs you to know about her shift from child to teenager - how she feels, what she thinks, what worries her and what you can do to help. Science tells us that the shift from childhood to teenager is happening earlier than ever before. Girls are starting puberty well before the age of thirteen. With heightened pressure from what they see in the media, in movies and on TV, girls are leaving childhood behind well before they hit their teens. This shift is an abrupt one and can come as a shock to parents. Not surprisingly, emotions can be heightened and relationships can be fraught. So many parents struggle to understand the pressures their daughters are under and how to deal with their emotional volatility. Journalist and social commentator Madonna King has an extraordinary ability to connect with experts, schools and the girls themselves to deliver the answers parents need and the communication their children want. This is an important book that shows that 10 is the new start of a girl's teenage years. It raises the issues our girls might not be talking about publicly, and guides their parents on how experts believe we should deal with it.

Love Life Simon and Schuster

**BOOKER PRIZE WINNER • NATIONAL BESTSELLER •** A novel that follows a middle-aged man as he contends with a past he never much thought about—until his closest childhood friends return with a vengeance: one of them from the grave, another maddeningly present. A novel so compelling that it begs to be read in a single setting, *The Sense of an Ending* has the psychological and emotional depth and sophistication of Henry James at his best, and is a stunning achievement in Julian Barnes's oeuvre. Tony Webster thought he left his past behind as he built a life for himself, and his career has provided him with a secure retirement and an amicable relationship with his ex-wife and daughter, who now has a family of her own. But when he is presented with a mysterious legacy, he is forced to revise his estimation of his own nature and place in the world.

[Alright, Alright, Alright](#) Random House

It's rural Ireland in the second half of the nineteenth century, the age of the Pre-Raphaelites, when Europe burns with a passion for long, flowing locks. So when seven sisters, born into fatherless poverty, grow up with hair cascading down their backs, to their ankles, and beyond, men are not slow to recognize their potential. Soon, they're a singing and dancing septet: Irish jigs kicked out in dusty church halls. But it is not their singing or their dancing that fills the seats: it is the torrents of hair they let loose at the end of each show. In an Ireland still hungry and melancholy with the Great Famine, the Swiney hair is a rich offering. And their hair will take dark-hearted Darcy, bickering twins Berenice and Enda, plain Pertilly, gentle Oona, wild Ida, and fearful, flame-haired Manticory—the writer of their on- and off-stage adventures-out of poverty, through the dance halls of Ireland, to the salons of Dublin and the palazzi of Venice. It will bring them suitors and obsessive admirers, it will bring some of them love and each of them loss. For their past trails behind the sisters like the tresses on their heads and their fame and fortune will come at a terrible price. Rich in period detail, peopled by a bewitching cast of characters, *The True and Splendid History of the Harristown Sisters* is a tale of exploitation and celebrity, illegitimacy and sibling rivalry, love triangles and financial skulduggery, of death and devilry. And a very great deal of hair.

The Madonna of Bolton HarperCollins

Rise Sister Rise is a call to arms for our sacred feminine to rise up, tell the truth, and lead. From Rebecca Campbell, a writer, mystic, devotional creative, and visionary who supports hundreds of thousands of people to connect with their soul and weave the sacred back into their everyday life. It is for those who agreed at soul level to be here at this stage in history to lead this global shift that the mystics of all of the ages have predicted: the return of the mother and the rise of the feminine. Rebecca says: Rise for you, rise for me, when you rise first you rise for She. Many of us have spent much of our working lives “making it” in a man’s world, leaning on patriarchal methods of survival in order to succeed, dulling down our intuition, and ignoring the fierce power of the feminine. We have ignored the cycles of the feminine in order to survive in a patriarchal linear system—but now the world has changed. Here Are Some of the Chapters in Rise, Sister Rise: Part I – Rebecca’s Story · The Unbinding · The Wise Women · Work Baby · Shakti Rising · Returning to Avalon · Tools for Your Rising Part II – Birthing A New Age · We Were Made for These Times · Shakti Always Rises · The Holy Grail is Within You Part III – Remembering Our Cyclic Nature · You Are Spirit Earthed · You'll Find Your True Nature in Nature · When Whispers Turn into Shouts Part IV – Unbinding the Wise, Wild Woman · The Suppression of the Female Voice · The Mystic Always Rises · Finding Mary · The Return of the Magdalenes Part V – Redefining Sisterhood · The Reunion · The Ones Who Came Before Us · When Women Circle · Your Constellation of Sisters · Calling in Your Sisters Part VI – Doing the Work · What Is Rising in You? · Rising Feminine Archetypes · New World Rising Birthed by You · Let the Universe Use You · Be a Clear Channel · A Prayer for Times of Remembering · It's Not Your Job to Save the World · Keep on Rising “I’m a super-fan of Rebecca Campbell . . . Rebecca guides her reader to step into their authentic power so that they can live and lead at their highest potential.” —Gabrielle Bernstein, New York Times bestselling author of *Miracles Now* Rise Sister Rise is a transmission that calls the innate divine feminine wisdom to rise. It is about healing the insecurities, the fears, and the inherited patterns that stop people from trusting the Shakti (power) and wisdom (intuition) that effortlessly flows through them. It's about recognizing all of

the ways we have been keeping ourselves contained and restrained in effort to dim to fit into a certain archetype. It’s about co-creating a whole new archetype—someone who does not keep themselves small in order to make others feel more comfortable. Full of activations, spiritual tools, calls to action, contemplative questions, rituals, and confrontational exercises, this inspirational book teaches that it is safe to let Shakti rise, safe to trust your intuition, and safe to take leaps of faith—because in healing ourselves we are healing the world. “You have an ancient wisdom within you that is waiting for you to remember, hear, and heed it. These Rise Sister Rise calls to action have been carefully designed to assist you in reclaiming your voice, unbinding your power, unlocking your wisdom, unleashing your true nature, and aligning yourselves with the sacred flow of all of Life.” Rise Sister Rise. Love, Rebecca x

The Kitchen Madonna St. Martin's Press

It is no secret that men are in trouble today. From war to ecological collapse, most of the world’s critical problems stem from a distorted masculinity out of control. Yet our culture rewards the very dysfunctions responsible for those problems. To Matthew Fox, our crucial task is to open our minds to a deeper understanding of the healthy masculine than we receive from our media, culture, and religions. Popular religion forces the punitive imagery of fundamentalism on us, pushing most men away from their natural yearning for spirituality and toward intolerance and domination. Meanwhile, many men, particularly young men, are looking for images of healthy masculinity to emulate and finding nothing. To awaken what Fox calls “the sacred masculine,” he unearths ten metaphors, or archetypes, ranging from the Green Man, an ancient pagan symbol of our fundamental relationship with nature, to the Grandfatherly Heart to the Spiritual Warrior. He explores archetypes of sacred marriage, showing how partnership becomes the ultimate expression of healthy masculinity. By stirring our natural yearning for healthy spirituality, Fox argues, these timeless archetypes can inspire men to pursue their higher calling to reinvent the world.

[The Missing Madonna](#) Rowman & Littlefield

From the New York Times bestselling author Kristin Hannah comes a powerful novel of love, loss, and the magic of friendship. . . . now a #1 Netflix series! In the turbulent summer of 1974, Kate Mularkey has accepted her place at the bottom of the eighth-grade social food chain. Then, to her amazement, the “coolest girl in the world” moves in across the street and wants to be her friend. Tully Hart seems to have it all—beauty, brains, ambition. On the surface they are as opposite as two people can be: Kate, doomed to be forever uncool, with a loving family who mortifies her at every turn. Tully, steeped in glamour and mystery, but with a secret that is destroying her. They make a pact to be best friends forever; by summer’s end they’ve become TullyandKate. Inseparable. So begins Kristin Hannah’s magnificent new novel. Spanning more than three decades and playing out across the ever-changing face of the Pacific Northwest, *Firefly Lane* is the poignant, powerful story of two women and the friendship that becomes the bulkhead of their lives. From the beginning, Tully is desperate to prove her worth to the world. Abandoned by her mother at an early age, she longs to be loved unconditionally. In the glittering, big-hair era of the eighties, she looks to men to fill the void in her soul. But in the buttoned-down nineties, it is television news that captivates her. She will follow her own blind ambition to New York and around the globe, finding fame and success . . . and loneliness. Kate knows early on that her life will be nothing special. Throughout college, she pretends to be driven by a need for success, but all she really wants is to fall in love and have children and live an ordinary life. In her own quiet way, Kate is as driven as Tully. What she doesn’t know is how being a wife and mother will change her . . . how she’ll lose sight of who she once was, and what she once wanted. And how much she’ll envy her famous best friend. . . . For thirty years, Tully and Kate buoy each other through life, weathering the storms of friendship—jealousy, anger, hurt, resentment. They think they’ve survived it all until a single act of betrayal tears them apart . . . and puts their courage and friendship to the ultimate test. *Firefly Lane* is for anyone who ever drank Boone’s Farm apple wine while listening to Abba or Fleetwood Mac. More than a coming-of-age novel, it’s the story of a generation of women who were both blessed and cursed by choices. It’s about promises and secrets and betrayals. And ultimately, about the one person who really, truly knows you—and knows what has the power to hurt you . . . and heal you. *Firefly Lane* is a story you’ll never forget . . . one you’ll want to pass on to your best friend.

**GOLD MEDALIST OF FOREWORD REVIEWS' 2015 INDIEFAB AWARDS IN WOMEN'S STUDIES** What’s wrong with black women? Not a damned thing! *The Sisters Are Alright* exposes anti – black-woman propaganda and shows how real black women are pushing back against distorted cartoon versions of themselves. When African women arrived on American shores, the three-headed hydra—servile Mammy, angry Sapphire, and lascivious Jezebel—followed close behind. In the '60s, the Matriarch, the willfully unmarried baby machine leeching off the state, joined them. These stereotypes persist to this day through newspaper headlines, Sunday sermons, social media memes, cable punditry, government policies, and hit song lyrics. Emancipation may have happened more than 150 years ago, but America still won’t let a sister be free from this coven of caricatures. Tamara Winfrey Harris delves into marriage, motherhood, health, sexuality, beauty, and more, taking sharp aim at pervasive stereotypes about black women. She counters warped prejudices with the straight-up truth about being a black woman in America. “We have facets like diamonds,” she writes. “The trouble is the people who refuse to see us sparkling.”

Sister Mary Helen is sinfully good at snooping through the San Francisco fog. Now a fellow OWL (Older Woman's League) member has disappeared. The police believe Erma Duran simply flew the coop, but Sister feels a Higher Authority pushing her to investigate. A gold medal entangled in Erma's bedsprings and a cryptic clue to a Byzantine madonna deepens the mystery. By the time Police Inspector Kate Murphy joins the hunt, Sister's good intentions have already paved her way straight to the Mission District--and a hellish encounter with sudden death.

[Backstage Passes](#) Vintage

The searing conclusion of the thrilling epic fantasy trilogy that saw a young girl trained by an arcane order of nuns grow into the fiercest of warriors... They came against her as a child. Now they face the woman. The ice is advancing, the Corridor narrowing, and the empire is under siege from the Scithrowl in the east and the Durns in the west. Everywhere, the emperor’s armies are in retreat. Nona Grey faces the final challenges that must be overcome if she is to become a full sister in the order of her choice. But it seems unlikely that she and her friends will have time to earn a nun’s habit before war is on their doorstep. Even a warrior like Nona cannot hope to turn the tide of war. The shiphearts offer strength that she might use to protect those she loves, but it’s a power that corrupts. A final battle is coming in which she will be torn between friends, unable to save them all. A battle in which her own demons will try to unmake her. A battle in which hearts will be broken, lovers lost, thrones burned.

Life with My Sister Madonna Berrett-Koehler Publishers

From the "New York Times"-bestselling author of "The Jane Austen Book Club," the story of an American family, ordinary in every way but one--their close family relative was a chimpanzee.

The Magnolia Code Antique Collector's Club

Her Serene Highness, Princess Grace of Monaco, the legendary Hollywood screen siren, Grace Kelly is an American icon whose beauty is unrivalled, and whose oft-imitated aristocratic style and cool elegance has never been eclipsed. Wendy Leigh- after three years' research - has gained unprecedented access to over one hundred sources who have never talked about Grace before, including nine of her until now undisclosed romances - among them an English aristocrat, an American tennis player, and a Hollywood legend - and also including her priest friend, Father Peter Jacobs, and Bernard Combemal, the former head of the S.B.M, the consortium that runs Monaco. Wendy Leigh provides revealing new details about Grace's life, including her premarital romantic swan song which took place during her voyage to Monaco, the hitherto untold story of her troubling relationship with bridesmaid, Carolyn Reybold and the moving story of Grace's lifelong relationship with actor, David Niven. Wendy Leigh paints a compelling portrait of Grace, the ambitious young actress, Grace, the dutiful princess who transformed the principality of Monaco into a jet-set haven, Grace, the kind-hearted philanthropist, Grace, the loving mother, and Grace, the patriotic American. Wendy Leigh's book has not been written for those readers who wish to view Grace as a saint, but for those who - like Leigh herself - believes that she was a strong and wonderful woman.

When pregnancy forces her mother to cancel their long-planned trip to Milan, she feels that things couldn't possibly be worse. Can the English Roses pull together to help Amy realize she can't wait to be a big sister after all?

Worlds Within Macmillan

" Fascinating profiles " of remarkable nuns, from an eighty-three-year-old Ironman champion to a crusader against human trafficking (Daily News [New York]). " In an age of villainy, war and inequality, it makes sense that we need superheroes, " writes Nicholas Kristof of The New York Times. " And after trying Superman, Batman and Spider-Man, we may have found the best superheroes yet: Nuns. " In *If Nuns Ruled the World*, veteran reporter Jo Piazza overthrows the popular perception of nuns as killjoy schoolmarms, instead revealing them as the most vigorous catalysts of change in an otherwise repressive society. Meet Sister Simone Campbell, who traversed the United States challenging a Congressional budget that threatened to severely undermine the well-being of poor Americans; Sister Megan Rice, who is willing to spend the rest of her life in prison if it helps eliminate nuclear weapons; and the inimitable Sister Jeannine Gramick, who is fighting for acceptance of gays and lesbians in the Catholic Church. During a time when American nuns are often under attack from the very institution to which they devote their lives—and the values of the institution itself are hotly debated—these sisters offer thought-provoking and inspiring stories. As the Daily Beast put it, " Anybody looking to argue there is a place for Catholicism in the modern world should just stand on a street corner handing out Piazza ' s book. "

The Sense of an Ending Penguin Books

- The ultimate Madonna book before she became a pop icon- Updated from the 1979 edition to include recently-discovered and never-before published photos of a then-unknown Madonna  
Martin H. M. Schreiber rose to international prominence when his shots of a nude, pre-fame Madonna appeared in the September 1985 issue of Playboy magazine. While he is proud of the shots, Schreiber regrets not having had the chance to do a one-on-one shoot with Madonna. "I was taking pictures from behind my students, it wasn't as if I had a private session and could get her to do what I wanted her to do." It was February 1979 when a quiet, shy young woman walked into Martin's studio to serve as a model for his photography class. The 'dancer', as she modestly described herself, was Madonna Ciccone. She arrived in New York in 1978 having bought a one-way ticket from Michigan, with only \$35 in her pocket. Life modeling for art classes was a way of making a living. Little did Martin know at the time that this more or less chance encounter would lead to one of the most memorable photo shoots of all time. After the huge success of Martin H.M. Schreiber's *Madonna Nudes* in the 1990s the new edition *Madonna Nudes +* features many recently discovered and never published photos of Madonna besides a selection of the best images published in *Madonna Nudes* 1979 edition.

"Times are tough, especially for Maggie Bandenburg and her twin sister, Em, who are trying to help Aunt Sophie save her farm during the Great Depression. But can Maggie overcome her own fears and really help Aunt Sophie save the farm?"--Back cover.

Jeannie Out of the Bottle Crown

" A riveting adventure for the soul . . . just the kind of evocative historical fiction I love. " —Sara Gruen, author of *At the Water ' s Edge* and *Water for Elephants*  
An epic, inspiring novel about one woman ' s survival in the hardscrabble Italian countryside and her determination to protect her family throughout the Second World War—by any means possible Maria Vittoria is twenty-five when her father brings home the man who will become her husband. It is 1923 in the austere Italian mountain village where her family has lived for generations, and the man she sees is tall and handsome and has survived the First World War without any noticeable scars. Taking just the linens she has sewn that make up her dowry and a statue of the Madonna that sits by her bedside, Maria leaves the only life she has ever known to begin a family. But her future will not be what she imagines. The Madonna of the Mountains follows Maria over the next three decades, as she moves to the town where she and her husband become shopkeepers, through the birth of their five children, through the hardships and cruelties of the National Fascist Party Rule and the Second World War. Struggling with the cost of survival at a time when food is scarce and allegiances are questioned, Maria trusts no one and fears everyone—her Fascist cousin, the madwoman from her childhood, her watchful neighbors, the Nazis and the Partisans who show up hungry at her door. As Maria ' s children grow up and her marriage endures its own hardships, she must hold her family together with resilience, love, and faith, until she makes a fateful decision that will change the course of all their lives. A sweeping saga about womanhood, loyalty, war, religion, family, food, motherhood, and marriage, *The Madonna of the Mountains* is a poignant look at the span of one woman ' s life as the rules change and her world becomes unrecognizable. In depicting the great cost of war and the ineluctable power of time on a life, Elise Valmorbida has created an unforgettable portrait of a woman navigating both the unforeseen and the inevitable. Advance praise for *Madonna of the Mountains* " The moral and ethical questions raised propel the story beyond the particulars into the universal. " —Kirkus Reviews " It is a bewitching but entirely unsentimental portrait of one woman ' s attempt to keep her family safe in turbulent times. " —The Times (UK), Book of the Month " A solid choice for readers who appreciate layered family sagas. " —Library Journal
