Really loved the series which took fantasy to a new level. The cast of characters are brilliantly drawn and the story lines are well written.

Became completely engrossed in finding out the fate of Roan, Gareth ,Gwen and the rest of the characters and lost count of the number of times that I told myself "just one more chapter" and then carried on reading well in to the night.

The Fatemarked Epic is finally finished. It took nearly two years to write this 4,000+ page epic adventure, but the time was well worth it. I nearly lost my mind trying to keep all the characters straight, but

somehow *I think* they all came together for the conclusion.
