"This case writing workbook offers something unique in the world of case writing manuals. The third edition of *The Case Writing Workbook: A Guide for Faculty and Students* provides eleven standalone chapters that focus specifically on challenges related to the case writing process. The book is meant for day-to-day use as a model of the case writing process, with exercises, worksheets, and training activities that will guide you through the entire course of writing both a traditional case and instructor's manual or a concise/short case and its associated teaching note. Brief explanatory notes will lead you step-by-step through all the developmental exercises, including readying the case for publication and teaching it in the classroom or online. Designed as an individualized workshop to assist case authors to structure their writing, this book combines the easy-to-understand, student-focused language with new material covering the latest developments and challenges in the world of case writing. These include: A fresh focus on writing and teaching concise cases, which are particularly suited to the world of blended learning. Emphasis on secondary research methodology, particularly using digital technologies and social media. A new case study

running throughout the book, which restructured worksheets and notes to support it. Enhanced online case teaching information and discussion of the development of multi-media cases, particularly using video. Complete instructor's materials to support the text are available online, including PowerPoint presentations, guidance on embedding cases within the curriculum, a sample syllabus that incorporates cases within it, and selected student assignment and handouts. Finishing all the book's assignments will result in a complete case and instructor's manual that can be tested in the classroom and submitted to a conference or journal. The Case Writing Workbook is a must for the shelf of any academic or student conducting qualitative research and looking to enhance their skill set, and any instructor building working with cases in their teaching"--

New Headway Beginner is aimed at absolute beginners, or those who have learned a little English but lack the confidence to build on it. It provides a solid foundation for New Headway Elementary. Its measured, step-by-step approach builds both skills and confidence. The right mix of language work and plentiful practice material enables learners to consolidate their knowledge of key points before proceeding further. The clearly defined grammatical syllabus includes past, present and future time and provides a thorough basis on which to build. The presentation of new language is gradual, methodical and clearly structured, giving learners a clear sense of progression. The vocabulary syllabus focuses on high-frequency survival terms and avoids overload. The gradual introduction of simple skills work with manageable communicative activities give learners a sense of achievement. 'Everyday English' practises social expressions in common situations and shows how learners can apply their knowledge in practical ways.

Tools such as checklists and conversation frames are included to help busy leaders and administrators effectively monitor literacy instruction and provide constructive,

thorough feedback to teachers. Each chapter features: Check-Up Tools to review documents and observe instruction Check-In Tools to guide your conversations and feedback given to teachers Reflective Questions for system and school leaders and instructional coaches.

Life Elementary Longman

From the introduction: This book is a companion volume to Book 1 and features ten exciting new lesson topics: Crime, Sport, Music, Weather, Animals, Cars, The Human Body, Colours and Numbers, Life Events, and Nature. The lesson topics in this book can be used alongside those in Book 1, according to your needs. For example, it is now possible for you to plan a longer Talk a Lot course, using lesson material from both books! A great new feature in Book 2 is the inclusion of information exchange activities. For more details see page 14. Once again, the aim of this book is to teach students to think in English and Talk a Lot! The Talk a Lot course objectives are very simple: * Every student talking in English * Every student listening to and understanding English * Every student thinking in English, and * Every student taking part in class Talk a Lot is structured so that every student can practise and improve English grammar, vocabulary, pronunciation, intonation, word and sentence stress, and interpersonal skills, by working in pairs, groups, and one to one with the teacher.

A practical course for adult learners working in the international technical sector.

New Headway: Beginner: Workbook (without Key) John Wiley & Sons

Quiet, sensitive Faith starts middle school already worrying about how she will fit in. To her surprise, Amanda, a popular eighth grader, convinces her to join the school soccer team, the Bloodhounds. Having never played soccer in her life, Faith ends up on the C team, a ragtag group that's way better at drama than at teamwork. Although they are awful at soccer, Faith and her teammates soon form a bond both on and off the soccer field that challenges their notions of loyalty, identity, friendship, and unity. The Breakaways is a raw, and beautifully honest graphic novel that looks into the lives of a diverse and defiantly independent group of kids learning to make room for themselves in the world.
