**Quite Mad** Livingston Press (AL)

Children have their own games, stories, riddles, and so forth. This book gives students and general readers an introduction to children's folklore. Included are chapters on the definition and classification of children's folklore, the presence of children's folklore in literature and popular culture, and the scholarly interpretation of children's folklore. The

volume also includes a wide range of examples and texts demonstrating the variety of children's folklore around the world. Children have always had their own games, stories, riddles, jokes, and so forth. Many times, children's folklore differs significantly from the folklore of the adult world, as it reflects the particular concerns and experiences of childhood. In the late 19th century, children's folklore began receiving growing amounts of scholarly attention, and it is now one of the most popular topics among folklorists, general readers, and students. This book is a convenient and authoritative introduction to children's folklore for nonspecialists. The volume begins with a discussion of how children's folklore is defined, and how various types of children's folklore are

classified. This is followed by a generous selection of examples and texts illustrating the variety of children's folklore from around the world. The book then looks at how scholars have responded to children's folklore since the 19th century, and how children's folklore has become prominent in popular culture. A glossary and bibliography round out the volume. The *Wednesday Wars* Houghton Mifflin Harcourt Sarah Coates, blogger behind the award-winning *thesugarhit.com*, is a baking genius. Read Along or Enhanced eBook: Young naturalists meet sixteen birds in this elegant introduction to the many uses of feathers. A concise main text highlights how feathers are not just for flying. More curious readers are invited to explore informative sidebars, which underscore specific ways each bird uses its feathers for a variety of practical purposes. A scrapbook design showcases life-size feather illustrations.

Feathers: Not Just for Flying  
Houghton Mifflin Harcourt

The love story of Jenny and Billy continues in this captivating sequel to the acclaimed paranormal novel, "A Certain Slant of Light." Light as a Feather Chronicle Books Newsroom, political platform, local hot spot, confession box, preacher-pulpit and football stadium. For generations, African men have gathered in barber shops to discuss the world. These are places where the banter can be barbed and the truth is always telling. Barber Shop Chronicles, which was partly inspired by verbatim recordings, is a heart-warming, hilarious and insightful play that leaps from a barber shop in Peckham to Johannesburg, Harare, Kampala, Lagos and Accra over the course of a single day. It was first produced by the National Theatre, Fuel and Leeds Playhouse in 2017 and is here published as a Methuen Drama Student Edition with commentary and notes by Oladipo Agboluaje.

Stiff Upper Lip, Jeeves Hardie Grant Books  
Look for O' Brien's new book, *American Fantastica*, on sale October 24th A classic work of American literature that has not stopped changing minds and lives since it burst onto the literary scene, *The Things They Carried* is a ground-breaking meditation on war, memory, imagination, and the redemptive power of storytelling. *The Things They Carried* depicts the men of Alpha Company: Jimmy Cross, Henry Dobbins, Rat Kiley, Mitchell Sanders, Norman Bowker, Kiowa, and the character Tim O' Brien, who has survived his tour in Vietnam to become a father and writer at the age of forty-three. Taught everywhere—from high school classrooms to graduate seminars in creative writing—it has become required reading for any American and continues to challenge readers in their perceptions of fact and fiction, war and peace, courage and fear and longing. *The Things They Carried* won France's prestigious Prix du Meilleur Livre Etranger and the Chicago Tribune Heartland Prize; it was also a finalist for the Pulitzer Prize and the National Book Critics Circle Award.

Under the Light Random House

“ [A] well-researched and well-written book . . . linking traditional folklore studies to current scientific research and to thinking about human behavior. ” —American Journal of Play

Wiggling a pencil so that it looks like it is made of rubber, “ stealing ” your niece's nose, and listening for the sounds of the ocean in a conch shell—these are examples of folk illusions, youthful play forms that trade on perceptual oddities. In this groundbreaking study, K. Brandon Barker and Claiborne Rice argue that these easily overlooked instances of children's folklore offer an important avenue for studying perception and cognition in the contexts of social and embodied development. Folk illusions are traditionalized verbal and/or physical actions that are performed with the intention of creating a phantasm for one or more participants. Using a cross-disciplinary approach that combines the ethnographic methods of folklore with the empirical data of neuroscience, cognitive science, and psychology, Barker and Rice catalogue over eighty discrete folk illusions while exploring the complexities of embodied perception. Taken together as a genre of folklore, folk illusions show that people, starting from a young age, possess an awareness of the illusory tendencies of perceptual processes as well as an awareness that the distinctions between illusion and reality are always communally formed. “ With clear focal points, sound and carefully explained methodology, and thought-provoking, substantial analysis, this book makes an excellent contribution to children's folklore and related

fields. ” —Elizabeth Tucker, author of *Children's Folklore: A Handbook* “ A compendium of perceptual illusions, gathered from performers across the country, sorted into formally related perceptual categories, and analyzed under various theories of perception. ” —Journal of Folklore Research

Levitation HarperCollins

The guitar is more than a musical instrument. It is an archetype. In homage, *Light Strings* brings together two masters of their craft: photographer Ralph Gibson and former guitarist for the Police, Andy Summers. Gibson's enigmatic and sensuously elegant photographs are the visual counterpart to Summers' lyrical history and thoughtful exploration of the instrument's features. Together they create a unique poetic meditation on the guitar. Both artists pay attention to the form of the guitar and its relationship to the body; its curves echo the human figure, not only requiring it to be cradled to play it, but inviting a study of its own sumptuous anatomy. With over one hundred alluring images that capture the graceful details of the instrument, *Light Strings* is the book for every guitar player. *The Things They Carried* Harper Collins

Look out for the original series—starring Peyton List, Brent Rivera, Liana Liberato, Ajiona Alexus, and Dylan Sprayberry—now streaming on Hulu! McKenna’s mission to save her friends from their predicted deaths concludes in the third and final installment in the Light as a Feather series that is Riverdale meets The Chilling Adventures of Sabrina! It’s not a game anymore... McKenna has managed to rid Violet of the curse claiming the lives of so many in Willow, Wisconsin, but evil still plagues the town. McKenna’s friend Mischa now carries the curse, and when it comes for her family, she pledges revenge on those she deems responsible for their deaths...including McKenna and everyone she holds dear.

Don't Turn Out the Lights Mad Creek Books  
Look out for the original series—starring Peyton List, Brent Rivera, Liana Liberato, Ajiona Alexus, and Dylan Sprayberry—now streaming on Hulu! Riverdale meets Final Destination in this fast-paced and deliciously creepy novel about an innocent game that turns deadly at a high school sleepover. It was supposed to be a game... Junior year is shaping up to be the best of McKenna Brady’s life. After a transformative summer, McKenna is welcomed into the elite group of popular girls at Weeping Willow High, led by the gorgeous Olivia Richmond. For the first time in a long time, things are looking up. But everything changes the night of Olivia’s Sweet Sixteen sleepover. Violet, the mysterious new girl in

town, suggests the girls play a game during which Violet makes up elaborate, creepily specific stories about the violent ways the friends will die. Though it unsettles McKenna, it all seems harmless at the time. Until a week later, when Olivia dies...exactly as Violet predicted. As Violet rises to popularity and steps into the life Olivia left unfinished, McKenna becomes convinced Olivia’s death wasn’t just a coincidence, especially when a ghost haunting her bedroom keeps leaving clues that point to Violet. With the help of her cute neighbor, Trey, McKenna pledges to get to the bottom of Violet’s secrets and true intentions before it’s too late. Because it’s only a matter of time before more lives are lost.

From the author of the international bestseller Sweetbitter, a memoir of survival, starting over, and love in all its complicated

guises. Even after achieving her dream of selling her debut novel, Stephanie Danler feels adrift in New York. Struggling in the throes of a doomed relationship and haunted by her tumultuous childhood, something nameless compels her to return home to Southern California. In a cottage in Laurel Canyon, as a new life begins to shape itself, she finally succumbs to memories of the past that have proved impossible to escape. A father who swung in and out of her life erratically, charming and mercurial and prone to addiction. A mother now disabled by years of alcoholism and an aneurysm, who cannot remember the abuse she inflicted. The looming, desolate mountains of Colorado, and a teenage freedom that nearly killed her. And above all, the painful love and forgiveness for those who failed her over and over again. ‘It’s such a thrill to watch a writer open up her greediest thoughts, to slice open little pockets of her skin and root around underneath her flesh.’ New York Times Book Review ‘A compulsive, neck-breaking masterpiece.’ Lisa Taddeo ‘This is a story of triumph: the triumph of grit, talent, grace, and beauty over the dark pull of inner demons.’ Dani Shapiro

Barber Shop Chronicles Univ. Press of Mississippi  
The Empress of Kisses explores the landscape of the human heart through free and formal verse. The poems chronicle a wide variety of relationships past and present, real and imagined, with family, friends, lovers, pop culture icons, mythological figures, historical events, and with words themselves. The collection features a special focus on the experiences of Generation X, the “ forgotten generation. ” "This book offers all the pleasures that poetry affords—sonic felicities, skilled wordplay, resonant insights, and unexpected destinations. This is a delightful and memorable book."—Beth Ann Fennelly, final judge, author of Unmentionables November 9th, 1989 For thirty years there is no kiss. Then there is the possibility of a kiss, like a rumble or a half-heard shout— did it come from this side or that side? When the kiss breaks through, we all struggle to register the impossible, how the wall came down, how their lips found each other, every obstacle reduced to rubble around their feet, the bright paint of her lipstick smeared, unintelligible graffiti all over the changed angles of his face.  
What Makes a Leader? (Harvard Business Review Classics) Chronicle Books  
When a professional thief chooses to reverse his ethical alignment and starts using his skills for altruistic purposes, it leads him to unlocking hidden wisdom that dramatically elevates his physical capabilities and awareness of man's place in the Universe, while concurrently leading him down the path of uncovering a nefarious

underground syndicate that implicates those in the highest reaches of society and power.  
Through his journey, he explores subjects such as self-discipline, the encroachment of technology into daily life, and eventually, catastrophic natural disasters, terrorism, and Armageddon, all as he navigates through enlightening moments counterintuitive to modern conventional and prevailing thought.
