Great Gift For Women! This coloring book uplifts and empowers while bringing laughter to the recipient. Book Size is 8.5 x 11

Light Strings Triangle Interactive, Inc. The guitar is more than a musical instrument. It is an archetype. In homage, Light Strings brings together two masters of their craft: photographer Ralph Gibson and former guitarist for the Police, Andy Summers. Gibson's enigmatic and sensuously elegant photographs are the

visual counterpart to Summers' lyrical history and thoughtful exploration of the instrument's features. Together they create a unique poetic meditation on the guitar. Both artists pay attention to the form of the guitar and its relationship to the body; its curves echo the human figure, not only requiring it to be cradled to play it, but inviting a study of its own sumptuous anatomy. With over one hundred alluring images that capture the graceful details of the instrument, Light Strings is the book for every guitar player.

Chesapeake Light Tackle University of Alabama Press

"[A] well-researched and well-written book . . . linking traditional folklore studies to

current scientific research and to thinking about human behavior.” —American Journal of Play Wiggling a pencil so that it looks like it is made of rubber, “stealing” your niece’s nose, and listening for the sounds of the ocean in a conch shell—these are examples of folk illusions, youthful play forms that trade on perceptual oddities. In this groundbreaking study, K. Brandon Barker and Claiborne Rice argue that these easily overlooked instances of children’s folklore offer an important avenue for studying perception and cognition in the contexts of social and embodied development. Folk illusions are traditionalized verbal and/or physical actions that are performed with the intention of creating a phantasm for one or more participants. Using a cross-disciplinary approach that combines the ethnographic methods of folklore with the empirical data of neuroscience, cognitive science, and psychology, Barker and Rice catalogue over eighty discrete folk illusions while exploring the complexities of embodied perception. Taken together as a genre of folklore, folk illusions show that people, starting from a young age, possess an awareness of the illusory tendencies of perceptual processes as well as an

awareness that the distinctions between illusion and reality are always communally formed. “With clear focal points, sound and carefully explained methodology, and thought-provoking, substantial analysis, this book makes an excellent contribution to children’s folklore and related fields.” —Elizabeth Tucker, author of *Children’s Folklore: A Handbook* “A compendium of perceptual illusions, gathered from performers across the country, sorted into formally related perceptual categories, and analyzed under various theories of perception.” —*Journal of Folklore Research*

Strange, wondrous things happen in these two short stories, which are both the perfect introduction to Gabriel Garc í a M á rquez, and a wonderful read for anyone who loves the magic and marvels of his novels. After days of rain, a couple find an old man with huge wings in their courtyard in 'A Very Old Man with Enormous Wings' - but is he an angel? Accompanying 'A Very Old Man with Enormous Wings' is the short story 'The Sea of Lost Time', in which a seaside town is brought back to life by a curious smell of

roses.

The Diary of Samuel Pepys ... Indiana University Press

Look out for the original series—starring Peyton List, Brent Rivera, Liana Liberato, Ajiona Alexus, and Dylan Sprayberry—now streaming on Hulu! Riverdale meets Final Destination in this fast-paced and deliciously creepy novel about an innocent game that turns deadly at a high school sleepover. It was supposed to be a game... Junior year is shaping up to be the best of McKenna Brady’s life. After a transformative summer, McKenna is welcomed into the elite group of popular girls at Weeping Willow High, led by the gorgeous Olivia Richmond. For the first time in a long time, things are looking up. But everything changes the night of Olivia’s Sweet Sixteen sleepover. Violet, the mysterious new girl in town, suggests the girls play a game during which Violet makes up elaborate, creepily specific stories about the violent ways the friends will die. Though it unsettles McKenna, it all seems harmless at the time. Until a week later, when Olivia dies... exactly as Violet predicted. As Violet rises to popularity and steps into the life Olivia left unfinished, McKenna becomes convinced Olivia’s death wasn’t just a coincidence, especially when a ghost haunting her bedroom keeps leaving

clues that point to Violet. With the help of her cute neighbor, Trey, McKenna pledges to get to the bottom of Violet's secrets and true intentions before it's too late. Because it's only a matter of time before more lives are lost.

Wooldridge, Brenna Yovanoff

A Very Old Man with Enormous Wings Houghton Mifflin Harcourt

Ouija boards aren't the only way to get in trouble. Sometimes, to speak with a ghost, all one must do is ask...but be sure you know who you are

speaking to, and be ready for the answers to your questions. There are worse things out there than death. If you've ever played "light as a feather, stiff as a board," you'll understand why these five children from Walker's Woods are so excited. If you haven't played...consider this a warning. Todd, Danny, Matt, Sean and Robin let their imaginations run wild at the thought of levitation...of contact with the other side...of asking questions of the spirits and getting answers. They like being creeped out. What happens when they play their game will haunt them forever.

Feathers: Not Just for Flying Penguin

Children have their own games, stories, riddles, and so forth. This book gives students and general readers an introduction to children's folklore. Included are chapters on the definition and classification of children's folklore, the presence of children's folklore in literature and popular culture, and the scholarly interpretation of children's folklore. The volume also includes a wide range of examples and texts demonstrating the variety of children's folklore around the world. Children have always had their own games, stories, riddles, jokes, and so forth. Many times, children's folklore differs significantly from the folklore of the adult world, as it reflects the particular concerns and experiences of childhood. In the late 19th century, children's folklore began receiving growing amounts of scholarly attention, and it is now one of the most popular topics among folklorists, general readers, and students. This book is a convenient and authoritative introduction to

children's folklore for nonspecialists. The volume begins with a discussion of how children's folklore is defined, and how various types of children's folklore are classified. This is followed by a generous selection of examples and texts illustrating the variety of children's folklore from around the world. The book then looks at how scholars have responded to children's folklore since the 19th century, and how children's folklore has become prominent in popular culture. A glossary and bibliography round out the volume.

Stiff Upper Lip, Jeeves Texas A&M University Press

Light tackle tips and techniques for fishing the Chesapeake Bay including full color photographs, fishing reports, and conservation methods for landing big fish on light tackle

Swearly Affirmations Livingston Press (AL)

Read Along or Enhanced eBook: Young naturalists meet sixteen birds in this elegant introduction to the many uses of feathers. A concise main text highlights how feathers are not just for flying. More curious readers are invited to explore informative sidebars, which underscore specific ways each bird uses its feathers for a variety of practical purposes. A scrapbook design showcases life-size feather illustrations.

The Weight of Feathers HarperCollins

"Set on the Blackfeet Reservation, the life of one Indian boy, Doby Saxon, is laid bare through the eyes of those who witness it: his near-death experience, his suicide attempts, his brief glimpse of victory, and the overdose of one of his best friends." "But through Doby there emerges a connection to the past, to an Indian Agent who served the United States Government over a century before. This revelation leads to another and another until it becomes clear that the decisions of this single Indian Agent have impacted the lives of generations of Blackfeet. And the life of Doby Saxon, a boy standing in the middle of the road at night, his hands balled into fists, the reservation wheeling all around him like the whole of Blackfeet history."--BOOK JACKET.

Love & Marriage HarperCollins UK

Mary-Anne Boermans believes passionately that traditional British food, refined over centuries, can be tastier, healthier, more exciting and easier to prepare than anything mass-produced. Moreover, by following the collective wisdom of our culinary ancestors we can both save money and drastically reduce food wastage. DEJA FOOD is a return to

the food of times past. It is how we used to eat, being inventive with the less expensive cuts of meat, using richly flavoured leftovers to create stunning new dishes, making the most of seasonal ingredients served simply and deliciously in ways we have forgotten. It's frugal, but full of flavour, deliciously different, yet proudly traditional. This delectable collection includes recipes for meat, poultry, game, offal, vegetable and fish. There are skinks, hashes, puddings and pies. Goose, shrimp, parsnips et al will be potted, stewed and fricasseed into hearty, flavourful food that stands up to the best modern recipes. And Mary-Anne will reveal the fascinating stories behind the dishes. DEJA FOOD is real food, perfected over centuries, that is just as mouth-watering today as it was then. Levitation Simon and Schuster

Seven ways in which psychoanalysis illuminates folklore Bloody Mary in the Mirror mixes Sigmund Freud with vampires and explores various folklore genres to see what new light psychoanalysis can shed on folklore techniques and forms. In seven fascinating essays, folklorist Alan Dundes applies psychoanalytic theory to illuminate such genres as legend (in the vampire tale), folktale

(in the ancient Egyptian tale of two brothers), custom (in fraternity hazing and ritual fasting), and games (in the modern Greek game of "Long Donkey"). One of two essays Dundes co-authored with daughter Lauren Dundes, professor of sociology at Western Maryland College, successfully probes the content of Disney's *The Little Mermaid*, yielding new insights into this popular reworking of a Hans Christian Andersen favorite. Among folk rituals investigated is the girl's game of "Bloody Mary." Elementary or middle school-age girls huddle in a darkened bathroom awaiting the appearance in the mirror of a frightening apparition. The plausible analysis of this well-known, if somewhat puzzling, rite is one of many surprising and enlightening finds in this book. All of the essays in this volume create new takes on old traditions. *Bloody Mary in the Mirror* is an expedition into psychoanalytic folklore techniques and constitutes a giant step towards realizing the potential psychoanalysis promises for folklore studies. Alan Dundes (deceased) was professor of anthropology and folklore at the University of California, Berkeley.

Light As a Feather Random House

A classic work of American literature that has not stopped changing minds and lives since it burst onto the literary scene, *The Things They Carried* is

a ground-breaking meditation on war, memory, imagination, and the redemptive power of storytelling. *The Things They Carried* depicts the men of Alpha Company: Jimmy Cross, Henry Dobbins, Rat Kiley, Mitchell Sanders, Norman Bowker, Kiowa, and the character Tim O'Brien, who has survived his tour in Vietnam to become a father and writer at the age of forty-three. Taught everywhere—from high school classrooms to graduate seminars in creative writing—it has become required reading for any American and continues to challenge readers in their perceptions of fact and fiction, war and peace, courage and fear and longing. *The Things They Carried* won France's prestigious Prix du Meilleur Livre Etranger and the Chicago Tribune Heartland Prize; it was also a finalist for the Pulitzer Prize and the National Book Critics Circle Award.

Quite Mad Chronicle Books

When a professional thief chooses to reverse his ethical alignment and starts using his skills for altruistic purposes, it leads him to unlocking hidden wisdom that dramatically elevates his physical capabilities and awareness of man's place in the Universe, while concurrently leading him down the path of uncovering a nefarious underground syndicate that implicates those in the highest reaches of society and power. Through his journey, he

explores subjects such as self-discipline, the encroachment of technology into daily life, and eventually, catastrophic natural disasters, terrorism, and Armageddon, all as he navigates through enlightening moments counterintuitive to modern conventional and prevailing thought.

In the Land of the Lawn Weenies Sterling Epicure

How can you make cakes, cookies, and candy even MORE fun? Award-winning blogger Heather Baird, a vibrant new voice in the culinary world, has the answer: Cook like an artist! Combining her awesome skills as a baker, confectioner, and painter, she has created a gorgeous, innovative cookbook, designed to unleash the creative side of every baker. Heather sees dessert making as one of the few truly creative outlets for the home cook. So, instead of arranging recipes by dessert type (cookies, tarts, cakes, etc.), she has organized them by line, color, and

sculpture. As a result, SprinkleBakes is at once a breathtakingly comprehensive dessert cookbook and an artist's instructional that explains brush strokes, sculpture molds, color theory, and much more. With easy-to-follow instructions and beautiful step-by-step photographs, Heather shows how anyone can make her jaw-dropping creations, from Mehndi Hand Ginger Cookies to Snow Glass Apples to her seasonal masterpiece, a Duraflame(R)-inspired Yule Log..
