So, if you imported the image into Lightroom from your SD card, then eject your SD card, Lightroom won't be able to find the ' source ' file. Lightroom won't ever edit your original image, which is a good thing!

[Lightroom Ultimate Guide – File Management. October 14, 2020 by David Coultham.](#) Lightroom File Management is not the most exciting subject. Nevertheless, it is important to get it right! Getting your Folder structure right from the beginning when you start importing photos into Lightroom will save time. Without some form of structure, you can quite easily lose track of your photos, particularly as your collection grows.
