Come on, pink stone, perfect, smooth, and flat. Cut me out. Make it seven. Stone spins and cuts the surface. Papa, big spray; Mama, less; Kevorg, closer; Misak, smaller; Anahid, Sosi, Mariam. Stone sinks into water. I will do it with care. As the proverb says: Measure seven times. Cut once. That's how I will do it. I'm going to

America. Mariam Feet up. Feet human relationship with time down.

In addition to exploring the questions of individual and collective identity, group-think and the human penchant for rationalization leading to dehumanization, balanced at times by individual examples of empathy, *Like Water on Stone* also explores the

and space, and with our communion through spiritualization of the nature world.

Dana Walrath. The Armenian genocide that took place 100 years ago is not discussed in most history classes, but the story is still sadly relevant. Told in verse, *Like Water on Stone* follows three Armenian children, orphaned by the Ottoman siege of 1915, as they race

to safety and, hopefully, to America. Their path is littered with bodies, and they see the smoke of their neighbors' destroyed houses.

Like Water on Stone by Dana Walrath is a fictional account of the Armenian genocide. This novel in verse recounts the flight to America of three Armenian children after the Ottoman Turks confiscate their family's flour mill and murder their parents.
