Chapter 30 Lilley Course Hero - 12/2020
Description: This book presents basic pharmacology for nursing students. Its unique feature is the extensive and predominant use of pedagogical approaches. Purpose: The purpose is to "provide the most up-to-date clinically relevant information on pharmacology and nursing in an appealing, understandable, and practical format." The content covers basic nursing and pharmacology information, but is limited in the depth of information or in explaining the why and the how of the pharmacology.
