**The Lincoln Story**  
"Abraham Lincoln grew up with little more than a second-grade education. His father thought school was a waste of time and wanted young Abe to learn carpentry and farming instead. Even so, Lincoln developed a love of reading so great that he would often walk five miles just to borrow a book. In time, his reading would help to shape a sharp mind, a keen sense of humor, and a kind heart. Lincoln carried these qualities with him from a dirt-floor cabin in Kentucky all the way to the White House. As President, he would fight to keep our country from breaking apart, and he would ultimately free 4,000,000 slaves. However, there would be a price to pay for these triumphs--a very high price, indeed." --Publisher

This biographical story of Matthew Chenevert is the result of a major change in Matts life. He began to have feelings of aloneness after his wife had major illnesses and surgeries. She used to share all of Matts adventures in life with enthusiasm and support. When he lost this security blanket he started feeling more alone than he ever knew. This feeling can come on when you are surrounded by family, friends and even in a party or activity when you are in the mist of people you know and love.

This book examines Lincoln's leadership by assessing his decision-making process and patterns in shaping military strategy, political affairs, and religious interests during the Civil War. In doing so, it shows how Lincoln defined the presidency in wartime, played the role of party chief, and pointed the moral compass of the nation.
