The Black Panther Party represents Black Panther Party members' coordinated responses over the last four decades to the failure of city, state, and federal bureaucrats to address the basic needs of their respective communities. The Party pioneered free social service programs that are now in the mainstream of American life. The Party's Sickel Cell Anemia Research Foundation, operated with Oakland's Children's Hospital, was among the nation's first such testing programs. Its Free Breakfast Program served as a model for national programs. Other initiatives included free clinics, grocery giveaways, school and education programs, senior programs, and legal aid programs. Published here for the first time in book form, The Black Panther Party makes the case that the programs' methods are viable models for addressing the persistent, basic social injustices and economic problems of today's American cities and suburbs.

The A-904 and A-727, debuting in 1960 and 1962, respectively, are 3-speed automatic Chrysler TorqueFlite Transmissions. In Mopar circles, they have become synonymous with strength, durability, and performance. In fact, 43 years after its first application, A-904s were still found in the Jeep lineup! TorqueFlites are known for their dependability, but many have endured a tremendous amount of abuse over 50-plus years when hooked up to V-8 Mopar powerplants. There is little doubt that some of these automatics could be prone to failure, or at least need a thorough rebuild. Tom Hand shares his decades of experience rebuilding TorqueFlite transmissions with chapters dedicated to troubleshooting, disassembly and reassembly, performance modifications, post-installation procedures, and the most thorough source guide offered in print, ever. The author walks you through the TorqueFlite rebuild with color photos showcasing step-by-step procedures with highly detailed, easy-to-follow text. This book will keep money in your pocket and add experience to your résumé, but more important, it will help you get your Mopar back on the road! p.p1 {margin: 0.0px 0.0px 0.0px 0.0px; font: 12.0px Arial}
