I was just wondering if there was a guide out there for linerider. Recently rediscovered this game and found this sub. I want to get back into messing around with this game, but I never really understood any of the tricks of the game. Anything out there that would help me make something other than red line ramps would be great

New Jersey Transit knows that Amtrak's summer work in NYPS will be difficult.

Amtrak has been neglecting this work for years, but it must happen now to prevent even more delays and to create a safer commuting environment.
