without agenda, decodes Melania [Trump]” (NBC News) who is far more influential in the White House than most people realize. Based on interviews with more than one hundred people in five countries, *The Art of Her Deal: The Untold Story of Melania Trump* draws an unprecedented portrait of the first lady. While her public image is of an aloof woman floating above the political gamesmanship of Washington, behind the scenes Melania Trump is

not only part of President Trump’s inner circle, but for some key decisions she has been his single most influential adviser. Throughout her public life, Melania Trump has purposefully worked to remain mysterious. With the help of key people speaking publicly for the first time and never-before-seen documents and tapes, *The Art of Her Deal* looks beyond the surface image to find a determined immigrant and the life she had before she met

Donald Trump. Mary Jordan traces Melania’s journey from Slovenia, where her family stood out for their nonconformity, to her days as a fledgling model known for steering clear of the industry’s hard-partying scene, to a tiny living space in Manhattan she shared platonically with a male photographer, to the long, complicated dating dance that finally resulted in her marriage to Trump. Jordan documents Melania’s key role in Trump’s political

life before and at the White deal.

House, and shows why he trusts her instincts above all. The picture of Melania Trump that emerges in *The Art of Her Deal* is one of a woman who is savvy, steely, ambitious, deliberate, and who plays the long game. And while it is her husband who became famous for the phrase “the art of the deal,” it is she who has consistently used her leverage to get exactly what she wants. This is the story of the art of her

Winter of Fire Scholastic NZ Henry the Lion, a medieval Duke of Saxony and Bavaria, was one of the first, great German princes who wielded immense influence as a politician and a patron of the arts. His thirst for power put him in conflict with his cousin Frederick Barbarossa, whose imperial policies he had originally supported. After his eventual removal from power he spent many years in exile in England, retaining enough prominence to enable his family's return to importance

in the subsequent century. To this dramatic life, the author brings years of research and a lucid personal style to illuminate the political, social, and intellectual contexts around this vivid personality. *A Knock at Midnight* Parallax Press The Pulitzer Prize – winning journalist looks at the life and times of the Chicago Bulls superstar— “ The best Jordan book so far ” (The Washington Post). One of sport ’ s biggest superstars,

Michael Jordan is more than an internationally renowned athlete. As illuminated through David Halberstam's trademark balance of impeccable research and fascinating storytelling, Jordan symbolizes the apex of the National Basketball Association's coming of age. Long before multimillion-dollar signings and lucrative endorsements, NBA players worked in relative obscurity, with

most games woefully unattended and rarely broadcast on television. Then came Larry Bird and Magic Johnson, Jordan's two great predecessors, and the game's status changed. The new era capitalized on Jordan's talent, will power, and unrivaled competitiveness. In *Playing for Keeps*, Halberstam is at his investigative best, delving into Jordan's expansive world of teammates and coaches.

The result is a gripping story of the athlete and media powerhouse who changed a game forever. This ebook features an extended biography of David Halberstam.

Written especially for the teacher or camp director who wants to bring mindfulness, social and emotional learning (SEL), and the arts into their busy day through storytelling and fun games, this book offers a complete course that helps kids identify and talk about their feelings, self-regulate and self-soothe when stressed, and learn from easy mindfulness practices.

Educator and theater

director Andrew Nance

is the author of the popular children's book *Puppy Mind*, which brought a new dimension of cuteness to the practice of mindfulness in the form of a rambunctious, playful puppy. In this book, Nance brings the puppy and a host of other friendly characters into the classroom to animate a 21-lesson curriculum centered around lively stories and easy-to-lead exercises for young students from

kindergarten to third grade. Nance offers a teacher's guide to arts-based mindfulness exercises utilizing story-telling, theater games, and drawing to spark students' self-expression, self-awareness, and social and emotional well-being.

David Goggins
HRH King Abdullah was schooled in America and at Sandhurst and was heading for a life as a career soldier, when his father fell ill and he unexpectedly inherited

the throne of Jordan. Fiercely loyal to his country but possessing an outsider's perspective on the political difficulties of the region, King Abdullah has since spent every effort to better Jordan - improving their economy, education and rights for women - and find security for his people and their neighbours. In this seminal work, he puts forward what may be our best chance yet for the most important issue in the region - Israeli-

Palestinian peace. *Leap of Faith* Parallax Press
"When I feel anger start to roar, I take a deep breath and count to four..." In the latest picture book from educator Andrew Nance, author of the bestselling *Puppy Mind*, a young boy learns to calm his ferocious anger. Using deep breaths, the lion inside-his growling anger-can be tamed. Written in a rhyming style that will be fun for the whole family, this is the perfect

Palestinians has profoundly influenced not only Jordan but also the entire Middle East peace process. At different times, Jordan's Hashemite royalty has sought to accommodate, embrace, exclude, or cooperate with the Palestinians and the PLO, and the impact of these efforts has been felt throughout the region. Today,

Jordan has signed a peace treaty with Israel, and Palestinians account for over half of the Jordanian population--yet the dynamic relationship between the regime and its Transjordanian and Palestinians citizens still arouses powerful sentiments at home and can send shock waves through the West Bank and Israel. Abu-Odeh explores this relationship from its origins in the 1920s to the very latest attempts to cope with competing national identities and to sustain a peace process.

The Lion's Gate
Penguin
Shortlisted for the Palestine Book Awards 2017 A powerful, groundbreaking

history of the Occupied Territories from one of Israel's most influential historians. From the author of the bestselling study of the 1948 War of Independence comes an incisive look at the Occupied Territories, picking up the story where The Ethnic Cleansing of Palestine left off. In this comprehensive exploration of one of the world's most prolonged and tragic conflicts, Pappé uses one million recently declassified archival materials to analyse the motivations and strategies of the generals and politicians – and the decision-making process itself – that laid the foundation of the occupation. From a survey of the legal and bureaucratic infrastructures that were put in place to control the population of over one million Palestinians, to the security mechanisms that vigorously enforced that control, Pappé paints a picture of what is to all intents and purposes the world's largest 'open prison'. The Lion in Me Open Road Media

The first major account of the life of an extraordinary soldier and statesman, King Hussein of Jordan. Throughout his long reign

(1953–1999), Hussein remained a dominant figure in Middle Eastern politics and a consistent proponent of peace with Israel. For over forty years he walked a tightrope between Palestinians and Arab radicals on the one hand and Israel on the other. Avi Shlaim reveals that Hussein initiated a secret dialogue with Israel in 1963 and spent hundreds of hours in talks with countless Israeli officials. Shlaim expertly reconstructs this

dialogue from previously untapped records and first-hand accounts, significantly rewriting the history of the Middle East over the past fifty years and shedding light on the far-reaching impact of Hussein's leadership.

Married to a Bedouin
W. W. Norton & Company
Saroo Brierley's journey home to a small village in India with the help of Google Earth became an

internationally bestselling book and inspired the major motion picture LION. But the story of how his adoptive mother, Sue, came into his life half a world away in Tasmania is every bit as riveting. In this uplifting and deeply personal book Sue reveals for the first time her own traumatic childhood. The daughter of a violent alcoholic whose business

gambles left her family destitute, she grew up in geographic and emotional isolation. When Sue married and broke free of her father she was determined to also sever the cycle of despair, and made the selfless decision not to have a biological child. Instead, inspired by a vision she'd had as a young girl, she chose to adopt two children in need - Saroo and Mantosh.

Little did she imagine that twenty-five years later she would be portrayed on screen by another Australian mother who chose to adopt - Nicole Kidman. Moving and inspiring, *Lioness* explores the myth of motherhood, how families are formed in many ways, and how love and perseverance can bring us together. *12 Rules for Life* Multnomah The definitive

military victories
in history. June 5,
1967. Israel is
surrounded by
enemies who want

nothing less than her utter extinction. The Soviet-equipped Egyptian Army has massed a thousand tanks on the nation's southern border. Syrian heavy guns are shelling her from the north. To the east, Jordan and Iraq are moving mechanized brigades and fighter squadrons into position to attack.

June 10, 1967. The Arab armies have been routed, their air forces totally destroyed. Israel's citizen-soldiers have seized the Gaza Strip and the Sinai Peninsula from Egypt, the Golan Heights from Syria, East Jerusalem and the West Bank from Jordan. Moshe Dayan has entered the Lion's Gate of the Old City of

Jerusalem to stand with the paratroopers who have liberated Judaism's holiest site—the Western Wall. Drawing on hundreds of hours of interviews with veterans of the war—fighter and helicopter pilots, tank commanders and Recon soldiers, paratroopers, as well as women soldiers, wives, and

others—bestselling author Steven Pressfield tells the story of the Six Day War as you've never experienced it before.
