the top-selling

Lippincott's Q&A Review for NCLEX-RN reflects the new 2010 NCLEX-RN test plan and contains more than 5,800 total test questions--including all the latest alternate-format questions and new audio-format questions--to help students practice taking the exam. Organized by practice area, this full-color book contains more questions than any other NCLEX-RN review and includes more pharmacology-related questions. The author clearly explains the rationale for correct and incorrect answers. Six comprehensive tests resembling the format of the NCLEX-RN are included. A bound-in CD-ROM includes over 1,300 questions for additional practice.

A companion website on thePoint offers student and instructor resources including study plans and test tips for students, 300 downloadable questions for iPod, and question-writing tips for instructors. Study Software for NCLEX-RN Elsevier Health Sciences LIPPINCOTT NCLEX-PN ALTER NATE-FORMAT QUESTIONS, 4E is designed to help anyone preparing to take the PN licensing examination. This 4th edition has everything needed for students to be fully prepared to answer every type of question found on the NCLEX. More than 300 questions include multiple-response, drag-and-drop, hotspot, audio, chart, graphic option, and fill-in-the blank

questions. Also included is a comprehensive test with an additional 120 questions. Rationales are clear and detailed and cover correct as well as incorrect answers. Test-taking strategies help students dissect each question to its core components and provide keys to choosing the right answer. The book reviews all the topics covered on the actual NCLEX-PN. Hundreds of questions at the application level or above prompt active learning and higher-order thinking. Questions are aligned with the National Council of State Boards of Nursing (NCSBN) 2017 PN test plan and are written in the style used on the licensing examination. An accompanying

PassPoint site provides an additional opportunity for students to practice for NCLEX while also giving a glimpse of the full PassPoint experience. Lippincott NCLEX-RN Pharmacology Review Lippincott Williams & Wilkins Lippincott Review for NCLEX-PN, 11E is designed to help pre-licensure nursing students in practical and vocational nursing programs prepare to take the licensing examination. More than 2,000 questions span all areas of nursing practice. Seventeen specialty tests contain questions across all the Client Need categories of the NCLEX-PN. A two-part Comprehensive Examination contains 263 items--more than the maximum of 205 questions asked on the NCLEX-PN—to provide an outlet for comprehensive review and test practice. Every test section concludes with a review of Correct Answers, Rationales, and Test Taking Strategies. A detailed section of Frequently Asked Questions provides details about the design and process of the NCLEX-PN, as well as tips for students on how to prepare. Questions fully align with the National Council of State Boards of Nursing (NCSBN) 2017 PN test plan and are written in the style used on the licensing examination, including the use of all the types of alternate-format questions found on the licensing examination. A free trial of PassPoint PN provides book purchasers an opportunity to practice with additional questions and gives a sneak preview of the full PassPoint

2021 Lippincott Pocket Drug Guide for Nurses F.A. Davis

Lippincott's Review for Medical-Surgical Nursing Certification, Fifth Edition provides the information nurses need to achieve certification in the specialty of medical-surgical nursing. This helpful reference covers the broad range of content

found on the actual examinations, including disorders by body system, such as coronary artery disease, COPD, and diabetes. The product reviews signs and symptoms, diagnostic tests, medical treatments, nursing assessments, and interventions for scores of health problems. Concise refreshers on wound care, perioperative nursing, collaborative practice, nursing research, and legal issues are also included. Review questions after each

chapter and an end-of-book posttest help assess the nurse's preparedness for the exam. The book is appropriate for exams of both major certifying bodies: the ANCC and the AMSN. Lippincott NCLEX-RN Alternate-Format Questions Lippincott Williams & Wilkins
