engines - Wikipedia*  
The following list  
will provide you  
the information on  
whether your car  
engine is an  
interference engine  
or a non-  
interference  
engine. An  
interference engine  
is one that has  
insufficient  
clearance between  
the valves and  
pistons if the cam  
stops turning due  
to a broken timing  
belt.
