The Theme Of Betrayal In *Hamlet* 798 Words | 4 Pages. In Shakespeare's *Hamlet*, the theme of betrayal is a major focus of the play. All the characters turn their backs on one another at some point in the play; this leads to misjudgments, lying, characters being un loyal to one another and untruthful as well as acting out of pure rage rather than using logical thought to think things through.

Analysis of betrayal in

Hosseini's "Kite Runner" - GRIN

Further, Troy's betrayal of Rose ultimately reveals how the ties of families like his are fundamentally based upon the relationship between the two spouses who create it—in this case, a black man and woman raising a family in relative poverty—and upon whose union, which isn't guaranteed, the survival of those ties depend. Troy's betrayal therefore reveals a crack at the heart of family life: the fact that the idea of a family as a stably defined, pre-existing structure of human ...
