The readings in *The Writer's Presence* are selected exclusively for the quality of the writing. Editors Donald McQuade of the University of California, Berkeley, and Robert Atwan, Series Editor of *The Best American Essays* scoured hundreds of essays in search of teachable readings with strong voices and clear points of view. The result is a blend of classic pieces by favorites like James Baldwin, Annie Dillard, and Amy Tan; and fresh pieces by rising stars like Michael Pollan, Geeta Kothari, James McBride, and Daniel Harris. The voices in *The Writer's Presence* represent different communities, time periods, levels of difficulty, and fields of study, and the topics intersect in intriguing and nuanced ways, giving students the opportunity to think critically and develop their own voices. Organized by type of writing and with minimal apparatus, *The Writer's Presence* gives instructors unsurpassed teaching flexibility. With so many exceptional readings and so many ways to teach them, the possibilities are endless.

Narrative of the Captivity and Restoration of Mrs. Mary Rowlandson  
Pearson UK

*The Well of Loneliness*, first published in 1928, is a timeless portrayal of lesbian love. The thinly disguised story of Hall's own life, it was banned outright upon publication and almost ruined her literary career as the subject was that of an obscenity trial and forbidden at the time in England. The novel tells the story of Stephen, an ideal child of aristocratic parents—a fencer, a horse rider and a keen scholar. Stephen grows to be a war hero, a bestselling writer and a loyal, protective lover. But Stephen is a woman, and is attracted to women. As her ambitions drive her, and society incarcerates her, Stephen is forced into desperate actions. Although Gordon's attitude toward her own sexuality is anguished, the novel presents lesbianism as natural and makes a plea for greater tolerance. It became an international bestseller, and for decades was the single most famous lesbian novel.

Annual Report of the Regents Polity

This book pays critical homage to the eminent comparatist of Chinese and Western literature and religion, Anthony C. Yu of The University of Chicago. Broadly comparative, cross-cultural, and interdisciplinary in scope, the volume consists of an introductory essay on Yu's scholarly career, and thirteen additional essays on topics such as literary texts and traditions of varying provenance and periods, ranging from ancient Greece, medieval Europe, and nineteenth- and twentieth-century England and America, to China from the classical to modern periods.

The disciplines and areas of research that the essays draw into constructive engagement with one another include comparative literature, religion and literature, history of religions, (or comparative religion), religion and social thought, and the study of myth. Eric Ziolkowski is Professor and Head of the Department of Religious Studies at Lafayette College.

This paper investigates the influence of Herland by Charlotte Perkins Gilman (1860-1835) and The Prophet by Khalil Gibran (1883-1930) on American literature from the perspective of four major cultural institutions. In the literature currently available, there is little in reference to the influence of Gilman and Gibran- two marginalized writers at the beginning of the era of American realism- on the discourse of American literature. The purpose of this study is to focus primarily on the works of Gibran examining how he depicts four vital cultural institutions. The researcher will compare another marginalized writer, Charlotte Perkins Gilman, with Gibran and both of their focuses on, and the impact of, four cultural institutions on their writing. The institutions focused on are family, education, religion, and love of country. Gibran was a male who lived in an era when society oppressed women and considered them unequal to men. Gilman was a female who lived in the same era. Each has a very analytical, fictional approach to how things could be if they were different in real life. They are from two different traditions. Gibran was an Arab immigrant, who was a pioneer of Modern Arabic American literature. Gilman was an American woman living in a society where women are not valued nor considered equal to men. Many consider her a pioneer in feminism because of her in-depth look at women and their place in society in her writings. There is value in analyzing the works of writers from two different traditions. The comparison and contrast between the two gives a basis for better understanding each. It further enhances the understanding of a literature work

Tortilla Sun W. W. Norton

A landmark American drama that inspired a classic film and a Broadway revival—featuring an introduction by David Mamet A blistering character study and an examination of the American melting pot and the judicial system that keeps it in check, Twelve Angry Men holds at its core a deeply patriotic faith in the U.S. legal system. The play centers on Juror Eight, who is at first the sole holdout in an 11-1 guilty vote.

Eight sets his sights not on proving the other jurors wrong but rather on getting them to look at the situation in a clear-eyed way not affected by their personal prejudices or biases. Reginald Rose deliberately and carefully peels away the layers of artifice from the men and allows a fuller picture to form of them—and of America, at its best and worst. After the critically acclaimed teleplay aired in 1954, this landmark American drama went on to become a cinematic masterpiece in 1957 starring Henry Fonda, for which Rose wrote the adaptation. More recently, Twelve Angry Men had a successful, and award-winning, run on Broadway.
