This book pays critical homage to the eminent comparatist of

Chinese and Western literature and religion, Anthony C. Yu of The University of Chicago. Broadly comparative, cross-cultural, and interdisciplinary in scope, the volume consists of an introductory essay on Yu's scholarly career, and thirteen additional essays on topics such as literary texts and traditions of varying provenance and periods, ranging from

ancient Greece, medieval Europe, and nineteenth- and twentieth-century England and America, to China from the classical to modern periods. The disciplines and areas of research that the essays draw into constructive engagement with one another include comparative literature, religion and literature, history of religions, (or comparative

religion), religion and social thought, and the study of myth. Eric Ziolkowski is Professor and Head of the Department of Religious Studies at Lafayette College. The Well of Loneliness, first published in 1928, is a timeless portrayal of lesbian love. The thinly disguised story of Hall's own life, it was banned outright upon publication and almost ruined her literary career as the subject was that of an obscenity trial and forbidden at the time in England. The novel tells the story of Stephen, an ideal child of aristocratic parents—a fencer, a horse rider and a keen scholar. Stephen grows to be a war hero, a bestselling writer and a loyal, protective lover. But Stephen is a woman, and is attracted to women. As her ambitions drive her, and society incarcerates her, Stephen is forced into desperate actions. Although Gordon's

attitude toward her own sexuality is anguished, the novel presents lesbianism as natural and makes a plea for greater tolerance. It became an international bestseller, and for decades was the single most famous lesbian novel.
