Winesburg, Ohio (A Group of Tales of Ohio Small-Town Life) W. Norton

The Bedford Introduction to Literature responds to the teaching and learning needs of all kinds of literature classrooms and composition courses where literature is a focus. Author Michael Meyer understands that a particular challenge for instructors is that students do not necessarily see literature as relevant to their lives. They may be new to the study of literature, may have difficulty reading it, and may lack confidence in their critical abilities and writing skills. With these factors in mind, Meyer has put together a lively collection of stories, poems, and plays from many periods, cultures, and themes, with voices ranging from the traditional to the latest and hottest contemporary authors. As an experienced anthologist and instructor of literature, Meyer has a knack for choosing enticing selections including humorous works and readings from popular culture that students both enjoy and respond to. Complementing this unparalleled collection are proven editorial features that offer students real help with reading, appreciating, and writing about literature. The Bedford Introduction to Literature is a book designed to bring literature to life and to make students life-long readers. - Publisher.

Creative Writing: Four Genres in Brief Kendall Hunt

The gold standard anthology for anyone who wants to understand the development and current state of literary theory. Offering 191 pieces by 157 authors, The Norton Anthology of Theory and Criticism, Third Edition, is more comprehensive and more varied in its selection than any other anthology. Forty-eight NEW selections—concentrated mostly on the twentieth and twenty-first centuries—make the book not only the best overview of the history of theory, but also a remarkably up-to-date portrait of the state of theory today.

A classic, reimagined.

The Norton Anthology of Western Literature Bedford/St. Martin's
Critical Theory Today is the essential introduction to contemporary critical theory. It provides clear, simple explanations and concrete examples of complex concepts, making a wide variety of commonly used critical theories accessible to novices without sacrificing any theoretical rigor or thoroughness. This new edition provides in-depth coverage of the most common approaches to literary analysis today: feminism, psychoanalysis, Marxism, reader-response theory, new criticism, structuralism and semiotics, deconstruction, new historicism, cultural criticism, lesbian/gay/queer theory, African American criticism, and postcolonial criticism. The chapters provide an extended explanation of each theory, using examples from everyday life, popular culture, and literary texts; a list of specific questions critics

who use that theory ask about literary texts; an interpretation of F. Scott Fitzgerald's *The Great Gatsby* through the lens of each theory; a list of questions for further practice to guide readers in applying each theory to different literary works; and a bibliography of primary and secondary works for further reading.

Upon publication in 1997, The Norton Shakespeare set a new standard for teaching editions of Shakespeare's complete works. Instructors and students worldwide welcomed the fresh scholarship, lively and accessible introductions, helpful marginal glosses and notes, readable single-column format, all designed in support of the goal of the Oxford text: to bring the modern reader closer than before possible to Shakespeare's plays as they were first acted. Now, under Stephen Greenblatt's direction, the editors have considered afresh each introduction and all of the apparatus to make the Second Edition an even better teaching tool.

50 Essays: A Portable Anthology is the best-selling value-priced reader in the country because its virtues don't stop at the price. Its carefully chosen selections include enough classic essays to reassure instructors, and enough high-interest and high-quality contemporary readings to keep things lively and relevant for students. The editorial apparatus is more extensive than in competing value readers, but still is flexible and unobtrusive enough to support a variety of approaches to teaching composition. In its third edition, 50 Essays continues to offer selections that instructors enjoy teaching, at a price students won't resist, but with more editorial emphasis than before on the critical thinking and academic writing skills of

today's composition courses.

The ideal alternative to longer anthologies, this brief, affordable, and diverse collection of fiction, poetry, and drama provides a concise yet comprehensive introduction to the study of literature. Why do you need this new edition? New short stories include selections by authors not represented in earlier editions of this anthology, including Hisaye Yamamoto, Tim O'Brien, and Sherman Alexie, as well as new offerings from previously anthologized authors. A wide range of new poems includes works by poets like Joseph Harrison, Allison Joseph, Sophie Hannah, and Emily Moore, as well as Iraq veteran Brian Turner—a 21st-century soldier-poet. New dramas by Milcha Sanchez-Scott and Arlene Hutton reflect current American concerns (immigration, feminism), and new selections by previously anthologized dramatists offer echoes of today's politics (Sophocles' *Antigone*), an adaptation by Arthur Miller (Ibsen's *An Enemy of the People*), and a classic from one of America's most admired playwrights, August Wilson (*The Piano Lesson*).
