In the thirteen stories collected here, Crowley sets his imagination free to roam from a 20th century Shakespeare festival to spring break at a future Yale in his Edgar Award winning story “ Spring Break ” . And in the previously unpublished “ Anosognosia ” the world brought about by one John C. ’ s high-school accident may or may not exist.

Really, I think Crowley is so good that he has left everybody else in the dust."—Peter Straub From award-winning author John Crowley comes a novel that masterfully blends history and magic in Flint and Mirror. There is more than one history of the world. Before science defined the modern age, other powers, wondrous and magical, once governed the universe. Historian Pierce Moffett moves to the New England countryside to write a book about Aegypt, driven by an idea he dare not believe: that the physical laws of the universe once changed and may change again. Yet the notion is not his alone. Something waits at the locked estate of Fellowes Kraft, something for which Pierce and those near him have long sought without knowing it: a key, perhaps, to Aegypt. David Stacton ’ s The Judges of The Secret Court is a long-lost triumph of American fiction as well as one of the finest books ever written about the Civil War. Stacton ’ s gripping and atmospheric story revolves around the brothers Edwin and John Wilkes Booth, members of a famous theatrical family. Edwin is a great actor, himself a Hamlet-like character whose performance as Hamlet will make him an international sensation. Wilkes is a blustering mediocrity on stage who is determined, however, to be an actor in history, and whose assassination of Abraham Lincoln will change America. Stacton ’ s novel about how the roles we play become, for better or for worse, the lives we lead, takes us back to the day of the assassination, immersing us in the farrago of bombast that fills Wilkes ’ s head while following his footsteps up to the fatal encounter at Ford ’ s Theatre. The political maneuvering around Lincoln ’ s deathbed and Wilkes ’ s desperate flight and ignominious capture then set the stage for a political show trial that will condemn not only the guilty but the—at least relatively—innocent. For as Edwin Booth broods helplessly many years later, and as Lincoln, whose tragic death and wisdom overshadow this tale, also knew, “ We are all accessories before or after some fact. . . . We are all guilty of being ourselves. ”
