The explosive story of America's secret post-WWII science programs, from the author of the New York Times bestseller *Area 51* In the chaos following World War II, the U.S. government faced many difficult decisions, including what to do with the Third Reich's scientific minds. These were the brains behind the Nazis' once-indomitable war machine. So began Operation Paperclip, a decades-long, covert project to bring Hitler's scientists and their families to the United States. Many of these men were accused of war crimes, and others had stood trial at Nuremberg; one was convicted of mass murder and slavery. They were also directly responsible for major advances in rocketry, medical treatments, and the U.S. space program. Was Operation Paperclip a moral outrage, or did it help America win the Cold War? Drawing on exclusive interviews with dozens of Paperclip family members, colleagues, and interrogators, and with access to German archival documents (including previously unseen papers made available by direct descendants of the Third Reich's ranking members), files obtained through the Freedom of Information Act, and dossiers discovered in government archives and at Harvard University, Annie Jacobsen follows more than a dozen German scientists through their postwar lives and into a startling, complex, nefarious, and jealously guarded government secret of the twentieth century. In this definitive, controversial look at one of America's most strategic, and disturbing, government programs, Jacobsen shows just how dark government can get in the name of national security.

Malcolm Gladwell, host of the podcast *Revisionist History* and author of the #1 New York Times bestseller *Outliers*, offers a powerful examination of our interactions with strangers and why they often go wrong—now with a new afterword by the author. A Best Book of the Year: *The Financial Times*, *Bloomberg*, *Chicago Tribune*, and *Detroit Free Press* How did Fidel Castro fool the CIA for a generation? Why did Neville Chamberlain think he could trust Adolf Hitler? Why are campus sexual assaults on the rise? Do television sitcoms teach us something about the way we relate to one another that isn't true? Talking to Strangers is a classically Gladwellian intellectual adventure, a challenging and controversial excursion through history, psychology, and scandals taken straight from the news. He revisits the deceptions of Bernie Madoff, the trial of Amanda Knox, the suicide of Sylvia Plath, the Jerry Sandusky pedophilia scandal at Penn State University, and the death of Sandra Bland—throwing our understanding of these and other stories into doubt. Something is very wrong, Gladwell argues, with the tools and strategies we use to make sense of people we don't know. And because we don't know how to talk to strangers, we are inviting conflict and misunderstanding in ways that have a profound effect on our lives and our world. In his first book since his #1 bestseller *David and Goliath*, Malcolm Gladwell has written a gripping guidebook for troubled times.

Cirque Du Freak Little, Brown Books for Young Readers Your best friend Lindsay Boxer is pregnant at last! But her work doesn't slow for a second. When millionaire Chaz Smith is mercilessly gunned down, she discovers that the murder weapon is linked to the deaths of four of San Francisco's most untouchable criminals. And it was taken from her own department's evidence locker. Anyone could be the killer--even her closest friends. Or a vicious killer? Lindsay is called next to the most bizarre crime scene she's ever seen: two bodiless heads elaborately displayed in the garden of a world-famous actor. Another head is unearthed in the garden, and Lindsay realizes that the ground could hide hundreds of victims. You won't know until the 11th hour A reporter launches a series of vicious articles about the cases and Lindsay's personal life is laid bare. But this time she has no one to turn to--especially not Joe. 11TH HOUR is the most shocking, most emotional, and most thrilling Women's Murder Club novel ever.

#1 New York Times bestselling author Nicholas Sparks returns with a moving new novel about an injured army doctor and the two women whose secrets will change the course of his life. Trevor Benson never intended to move back to New Bern, North Carolina. But when a mortar blast outside the hospital where he worked as an orthopedic surgeon sent him home from Afghanistan with devastating injuries, he comes to regroup in the dilapidated cabin inherited from his grandfather. Trevor isn't prepared to fall in love, yet from their very first encounter, Trevor feels a deep connection with deputy sheriff Natalie Masterson. Though she seems to reciprocate his feelings, Natalie remains frustratingly distant. Further complicating his stay is the presence of a sullen teenage girl, Callie. Claiming to be 17, she

works at the local store and keeps to herself. Discovering that she was once befriended by his grandfather, Trevor hopes Callie can shed light on the mysterious circumstances of his grandfather's death, but she offers few clues - until a crisis triggers a race that will uncover the true nature of Callie's past. In his quest to unravel Natalie and Callie's secrets, Trevor will learn the true meaning of love and forgiveness . . . and that often, to move forward we must return to the place where it all began.

Charlie and Margaret discover the dark side of Hollywood in Jake Tapper's follow-up to New York Times bestseller *The Hellfire Club*—an "excellent" cocktail of corruption and ambition (Publishers Weekly). Charlie and Margaret Marder, political stars in 1960s Washington DC, know all too well how the tangled web of power in the nation's capital can operate. But while they long to settle into the comforts of home, Attorney General Robert Kennedy has other plans. He needs them to look into a potential threat not only to the presidency, but to the security of the United States itself. Charlie and Margaret quickly find themselves on a flight to sunny Los Angeles, where they'll face off against a dazzling world of stars and studios. At the center of their investigation is Frank Sinatra, a close friend of President John F. Kennedy and a rumored mob crony, whom Charlie and Margaret must befriend to get the inside scoop. But in a town built on illusions, where friends and foes all look alike, nothing is easy, and drinks by the pool at the Sands and late-night adventures with the Rat Pack soon lead to a body in the trunk of their car. Before they know it, Charlie and Margaret are being pursued by sinister forces from Hollywood's stages to the newly founded Church of Scientology, facing off against the darkest and most secret side of Hollywood's power. As the Academy Awards loom, and someone near and dear to Margaret goes missing, Charlie and Margaret find the clock is not only ticking but

running out. Someone out there knows what they've uncovered and can't let them leave alive. Corruption and ambition form a deadly mix in this fast-paced sequel to *The Hellfire Club*.
