December 2001: Vince McMahon steps out of a snowy night into a diner in upstate New York for a meeting with old friend Phil Thomson, now a highly placed government official. Thomson has a strange proposition: creating a new covert black-ops group using the Superstars of World Wrestling Entertainment. The WWE's talented men and women are perfect. Highly skilled athletes with the ideal cover, they travel all across the country and the globe; no one would find it unusual to find them in a town one day and gone the next. The government would train and support the wrestlers in every way possible except one: no one must know the truth. March 2006: The Superstars have been handed their latest assignment -- take down a commercial-grade methyl-amphetamine plant that is bankrolling terrorist activities in Europe. Their mission seems simple and straightforward, until a member of their team is taken prisoner. Now all that they've worked so hard for is in jeopardy, and one of their own might be killed...

The Big Apple may be hiding in the place you least expect it in this spunky introduction to the best parts of New York. Nelly lives in New York, the greatest city in the world. Every morning, she wakes up to the rumble of the subways and the honking of cars. Every morning, she can smell the food cart downstairs and hear the rat-a-tat-tat of the street musicians outside. Every morning, she goes outside to be in the city she knows like the back of her hand—or does she? One morning, Nelly and her dog Bagel decide to find out what New York is really about—or more specifically, why a city that has nothing to do with apples is the Biggest Apple of them all. Could there really be a giant apple somewhere in New York? And where is it hiding?

*The Little Lady Agency in the Big Apple* McNidder & Grace  
The road to hell is paved with good intentions... Apple "Core" Drew needs The Uncertain Saints MC like he needs air. He is barely making it through the day, and each one that goes by takes him closer and closer to hell. Literally, not figuratively. He's a half breath away from killing himself-maybe not by taking his own life, but he's not against making someone else do it for him. Then he meets her. One of his club member's sister, and his whole outlook on life changes. And not for the better. Just as surely as he ruined his life, he ruins her life, too. One lapse in judgement on his part, and his one night of happiness turns into the worst nine months of his life. Which he would've thought was damn near impossible with the things he's done and seen. She never saw it coming... It was the beard. The beard made her do it. That is a good excuse for having sex with a man she barely knows, isn't it? Yeah, who was she kidding? It wasn't the beard. It was the way he looked so dejected and solemn. The sad look in his eyes pulls her in, and the way his rough hands touch her makes her stay. All she wants to do is take that look out of his eyes, but the consequences to her actions only make things worse, not better. One day is all she gets, and he's not willing to give her more. Until she dies, that is. Then it's too late. *Big Apple Shorts* Little Tiger Press  
Sure to put youngsters in a New York state of mind, this book of more than 100 doodles introduces them to the city that never sleeps through local and unique illustrations and activities, from the classic (coloring

the lights on top of the Empire State Building) and the fun (creating a subway car) to the just plain wacky (doodling a giant cockroach). The book's convenient size makes it a perfect souvenir for tiny-tot tourists and little locals alike, and the projects require no previous drawing skills—just imagination. In addition to five doodle challenges, the book also incorporates QR codes to offer readers free doodles online. *Biting the Big Apple Plume*  
Readers are invited behind the scenes to the torrid office affairs in those big towers or the multicultural sexual melting pot that only the Big Apple can offer and all its pulse-racing impromptu encounters. *So Many Beginnings: A Little Women Remix* Hachette UK  
"Robbie the Rookie" is the new star player for the New York Yankees. Read along as Robbie explores the sights and sounds of New York City while making new friends along the way. *Comfort Me With Apples* Feiwel & Friends  
A NEW YORK TIMES NOTABLE BOOK • From an award-winning journalist, a poignant and gripping immersion in the life of a young, homeless single mother amid her quest to find stability and shelter in the richest city in America LONGLISTED FOR THE PEN/JEAN STEIN BOOK AWARD • “ Riveting . . . a remarkable feat of reporting. ” —The New York Times  
Camila is twenty-two years old and a new mother. She has no family to rely on, no partner, and no home. Despite her intelligence and determination, the odds are firmly stacked against her. In this extraordinary work of literary reportage, Lauren Sandler chronicles a year in Camila ’ s life—from the birth of her son to his first birthday—as she navigates the labyrinth of poverty and homelessness in New York City. In her attempts to secure a safe place to raise her son and find a measure of freedom in her life, Camila copes with dashed dreams, failed relationships, the desolation of abandonment, and miles of red tape with grit, humor, and uncanny resilience. Every day, more than forty-five million Americans attempt to survive below the poverty line. Every night, nearly sixty thousand people sleep in New York City-run shelters, 40 percent of them children. In *This Is All I Got*, Sandler brings this deeply personal issue to life, vividly depicting one woman's hope and despair and her steadfast determination to change her life despite the myriad setbacks she encounters. *This Is All I Got* is a rare feat of reporting and a dramatic story of survival. Sandler ’ s candid and revealing account also exposes the murky boundaries between a journalist and her subject when it becomes impossible to remain a dispassionate observer. She has written a powerful and unforgettable indictment of a system that is often indifferent to the needs of those it serves, and that sometimes seems designed to fail. Praise for *This Is All I Got* “ A rich, sociologically valuable work that ’ s more gripping, and more devastating, than fiction. ” —Booklist “ Vivid, heartbreaking. . . . Readers will be moved by this harrowing and impassioned call for change. ” —Publishers Weekly “ A closely observed chronicle . . . Sandler displays her journalistic talent by unerringly presenting this dire situation. . . . An impressive blend of dispassionate reporting, pungent condemnation of public welfare, and gritty humanity. ” —Kirkus Reviews  
*This Is All I Got* Simon and Schuster  
This is the story of Mouse, who finds a delicious, juicy red apple. Mouse wants to keep the apple all to himself but must first get the apple past various obstacles. Will Mouse succeed in getting his apple treat home safely without sharing it? *Bob Dylan in the Big Apple* Scholastic Inc.  
When Belle Lee, a vivacious, tart-tongued daughter of Mobile, Alabama, decides that the only way she'll ever make a name for herself as a journalist is to leave the family paper and head to New York,she soon realizes just how daunting life in the big city can be. An outsider desperate to carve a place for herself in the cutthroat world of New York journalism, Belle marches all over town in her kitten heels and her single Chlo é suit to hand-deliver r é sum é s and smiles, and to beg for a job from the indifferent or downright hostile office drones. She refuses to give up. With heroic persistence,a wicked sense of humor and a taste for the gourmet, Belle sees what it takes to become a New Yorker. She flirts with a gorgeous young man on the subway, only to learn later that he's stolen her purse; braves the judgmental stares of her neighbors; goes on a series of hilariously disastrous dates and then, finally, she catches her big break: a job as a production assistant at a conservative twenty-four-hour news network. Belle throws herself into her work, sure that her talents will be noticed. All the while, she suffers the sexually suggestive commentary of one of the station's better-known male anchors, doggedly fetches scripts and pulls footage in the wee hours of the morning while working the midnight shift. Belle even maintains her Southern charm, baking cakes for her coworkers and befriending the office security guard. Things start to look up when Paige Beaumont, the channel's star female news anchor, takes Belle under her wing. Paige shows Belle the ropes, dispenses career advice, includes her in the office gossip and also sets her up on dates at restaurants where, before, Belle had only dreamed of one day being inside. But when Belle uncovers the truth behind an illegal network deal that may jeopardize the election of female presidential candidate Jessica Clayton, she realizes that intelligent and ambitious women need to stick together -- and she has no choice but to take matters into her own hands. With thirty recipes for everything from Bribe-Your-Coworkers

Pound Cake to Single-Girl Sustenance and how to make the perfect Manhattan -- all told in the delightful and plucky voice of a determined and saucy young woman -- Belle in the Big Apple is about finding love in the most unlikely places, following your dreams and staying true to yourself. *The Little Lady Agency* Simon and Schuster

Melissa leaves London and her agency, The Little Lady Agency, to join her American boyfriend, Jonathan Riley, for an extended vacation in Manhattan. gods with a little g Turtleback Books  
A witty romantic comedy, perfect for fans of Jo Thomas and Lucy Diamond! As her alter ego, Honey, Melissa is the go-to woman for improving men's dating lives But when her American boyfriend Jonathan invites her to New York for a holiday, he has one condition: the blonde wig stays at home. This is easier said than done, and before long Mel finds herself juggling a rude rising star who just happens to be an ex, Jonathan's manipulative ex-wife, an unruly terrier and escalating crises back at the agency. Can Melissa put the manners back into Manhattan? Or is this a challenge only the Little Lady Agency can handle? 'Deliciously addictive' *Cosmopolitan*  
*The Little Lady Agency* Simon and Schuster  
Funny, poignant and astoundingly honest, BITING THE BIG APPLE is for everyone who ever took a risk - or wishes they had. Bella knew there must be more to life than casual jobs and sitting at home, dreaming about the bright lights. An actor by trade, she bought a one-way ticket to the Big Apple and enrolled against all odds in the prestigious Lee Strasberg Institute. Soon she was falling in love with her own 'Mr Big', meeting the locals and coming to grips with the vagaries of life in that glittering town. What New York City would offer her, Bella could never has predicted - sometimes scary, mostly cash-strapped, but always exhilarating. She proves that with a little determination and a lot of Down Under pizzazz, even the wildest dreams can come true. *Big Sky* Simon and Schuster  
Explore New York City with a fun Little Golden Book guidebook written specifically for the youngest tourists and residents. Get ready to explore New York City with Poppy the Pigeon as your guide! This Little Golden Book highlights major attractions of the Big Apple including the Empire State Building, the Apollo Theater, Ellis Island, and the High Line. When Samantha Archer and her friends take a field trip to New York City, they discover odd instances of vandalism at all of the sightseeing locations that they visit. *Bad Apple* Hachette UK  
Four young Black sisters come of age during the American Civil War in *So Many Beginnings*, a warm and powerful YA remix of the classic novel *Little Women*, by national bestselling author Bethany C. Morrow. North Carolina, 1863. As the American Civil War rages on, the Freedpeople's Colony of Roanoke Island is blossoming, a haven for the recently emancipated. Black people have begun building a community of their own, a refuge from the shadow of the "old life." It is where the March family has finally been able to safely put down roots with four young daughters: Meg, a teacher who longs to find love and start a family of her own. Jo, a writer whose words are too powerful to be contained. Beth, a talented seamstress searching for a higher purpose. Amy, a dancer eager to explore life outside her family's home. As the four March sisters come into their own as independent young women, they will face first love, health struggles, heartbreak, and new horizons. But they will face it all together. Praise for *So Many Beginnings: A Little Women Remix* 'Morrow ’ s ability to take the lingering stain of slavery on American history and use it as a catalyst for unbreakable love and resilience is flawless. That she has remixed a canonical text to do so only further illuminates the need to critically question who holds the pen in telling our nation ’ s story." —Booklist, starred review "Bethany C.

---

Morrow's prose is a sharpened blade in a practiced hand, cutting to the core of our nation's history. ... A devastatingly precise reimagining and a joyful celebration of sisterhood. A narrative about four young women who unreservedly deserve the world, and a balm for wounds to Black lives and liberty." —Tracy Deonn, New York Times-bestselling author of Legendborn "A tender and beautiful retelling that will make you fall in love with the foursome all over again." —Tiffany D. Jackson, New York Times-bestselling author of White Smoke and Grown
