#1 NEW YORK TIMES BESTSELLER • “The story of modern medicine and bioethics—and, indeed, race relations—is refracted beautifully, and movingly.”—*Entertainment Weekly* **NOW A MAJOR MOTION PICTURE FROM HBO® STARRING OPRAH WINFREY AND ROSE BYRNE** • ONE OF THE “MOST INFLUENTIAL” (CNN), “DEFINING” (LITHUB), AND “BEST” (THE PHILADELPHIA INQUIRER) BOOKS OF THE DECADE • ONE OF ESSENCE’S 50 MOST IMPACTFUL BLACK BOOKS OF THE PAST 50 YEARS • WINNER OF THE CHICAGO TRIBUNE HEARTLAND PRIZE FOR NONFICTION NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The New York Times Book Review • *Entertainment Weekly* • *O: The Oprah Magazine* • NPR • Financial Times • New York • Independent (U.K.) • Times (U.K.) • Publishers Weekly • Library Journal • Kirkus Reviews • Booklist • Globe and Mail Her name was Henrietta Lacks, but scientists know her as HeLa. She was a poor Southern tobacco farmer who worked the same land as her slave ancestors, yet her cells—taken without her knowledge—became one of the most important tools in medicine: The first “immortal” human cells grown in culture, which are still alive today, though she has been dead for more than sixty years. HeLa cells were vital for developing the polio vaccine; uncovered secrets of cancer, viruses, and the atom bomb’s effects; helped lead to important advances like in vitro fertilization, cloning, and gene mapping; and have been bought and sold by the billions. Yet Henrietta Lacks remains virtually unknown, buried in an unmarked grave. Henrietta’s family did not learn of her “immortality” until more than twenty years after her death, when scientists investigating HeLa began using her husband and children in research without informed consent. And though the cells had launched a multimillion-dollar industry that sells human biological materials, her family never saw any of the profits. As Rebecca Skloot so brilliantly shows, the story of the Lacks family—past and present—is inextricably connected to the dark history of experimentation on African Americans, the birth of bioethics, and the legal battles over whether we control the stuff we are made of. Over the decade it took to uncover this story, Rebecca became enmeshed in the lives of the Lacks family—especially Henrietta’s daughter Deborah. Deborah was consumed with questions: Had scientists cloned her mother? Had they killed her to harvest her cells? And if her mother was so important to medicine, why couldn’t her children afford health insurance? Intimate in feeling, astonishing in scope, and impossible to put down, *The Immortal Life of Henrietta Lacks* captures the beauty and drama of scientific discovery, as well as its human consequences.

Safe Haven HarperCollins

Ten months after his twin sister dies, with his family falling apart, Gray Thomas meets an unusual girl at the community college who makes him think life is interesting again.

Act Like a Lady HarperCollins UK

You will discover: The ancient survival instincts that drive body language Why the face is the least likely place to gauge a person’s true feelings What thumbs, feet, and eyelids reveal about moods and motives The most powerful behaviors that reveal our confidence and true sentiments Simple nonverbals that instantly establish trust

Simple nonverbals that instantly communicate authority Filled with examples from Navarro’s professional experience, this definitive book offers a powerful new way to navigate your world.

The Never-Ending Birthday Penguin Group

The eagerly anticipated followup to the Newbery honor winner and New York Times bestseller, *Three Times Lucky* When Miss Lana winds up the mortified owner of an old inn with an unidentified ghost in the fine print, Mo’s itching to take the case. Plus, a historical ghost might make for some much needed Extra Credit in history. Who’s haunting the old inn? And why? Mo and Dale set out to solve their second big case—only to find the inn might not be the only thing in Tupelo Landing haunted by the past. A laugh out loud, ghostly, Southern mystery that can be enjoyed by readers visiting Tupelo Landing for the first time, as well as those who are old friends of Mo and Dale. Look for all the Mo & Dale Mysteries: *The Ghosts of Tupelo Landing*, *The Odds of Getting Even*, and *The Law of Finders Keepers* “A rollicking sequel.”—*Wall Street Journal* “An irresistible Southern narrator—a literary descendant of Scout Finch of *To Kill a Mockingbird*.”—*Newsday* on *Three Times Lucky* Goldilocks and the Pea Hachette UK

When Ty witnesses a stabbing, his own life is in danger from the criminals he’s named, and he and his mum have to go into police protection. Ty has a new name, a new look and a cool new image - life as Joe is good, especially when he gets talent spotted as a potential athletics star, special training from an attractive local celebrity and a lot of female attention. But his mum can’t cope with her new life, and the gangsters will stop at nothing to flush them from hiding. Joe’s cracking under extreme pressure, and then he meets a girl with dark secrets of her own. This wonderfully gripping and intelligent novel depicts Ty/Joe’s confused sense of identity in a moving and funny story that teenage boys and girls will identify with - a remarkable debut from a great new writing talent.

The Immortal Life of Henrietta Lacks Orchard Books

NEW YORK TIMES BESTSELLER • The hosts of the popular podcast and E! show *LadyGang* offer a relatable, empowering, and hilarious take on being unapologetically yourself (even if that’s not always your best self) in a manifesto that redefines womanhood for the twenty-first-century lady. If you’re tired of being bombarded with the curated perfection on social media and you’re starving for something raw, honest, and a little bit messy, welcome to the *LadyGang*. Keltie, Becca, and Jac are here to clear away the bullshit and give you the confidence to live your best lady life. Unabashedly sincere, clever, and full of questionable advice, *Act Like a Lady* explores the complexities surrounding topics like body image, breakups, navigating a career, and adult friendships through their own embarrassing experiences. The *LadyGang* has your back with essays like “Maybe She’s Born with It, Maybe It’s Photoshop” and “If You’re Happy and You Know It, Thank Your Ex.” You’ll learn there’s a million different ways to be a lady--and that includes accidentally farting during sex or having the guts to tell your friend she’s being a selfish assh*le. No matter what you’re going through, you’ll find a space to bond over the sloppy, heartbreaking, joyous, and often ridiculous realities of womanhood. Nothing is TMI here.

Funny Footprints A&C Black

The Magic Music Box Maverick Early Readers

In fairy tales we often find that stepmothers are so unkind. But listen, folks, that’s just not true - here’s a different tale for you...

Too Shattered for Mending Rodale Books

From New York Times bestselling author Diane Chamberlain comes a novel of chilling intrigue, a decades-old disappearance, and one woman’s quest to find the truth... “A novel about arts and secrets...grippingly told...pulls readers toward a shocking conclusion.”—*People* magazine, *Best New Books North Carolina*, 2018: Morgan Christopher’s life has been derailed. Taking the fall for a crime she did not commit, her dream of a career in art is put on hold—until a mysterious visitor makes her an offer that will get her released from prison immediately. Her assignment: restore an old post office mural in a sleepy southern town. Morgan knows nothing about art restoration, but desperate to be free, she accepts. What she finds under the layers of grime is a painting that tells the story of madness, violence, and a conspiracy of small town secrets. North Carolina, 1940: Anna Dale, an artist from New Jersey, wins a national contest to paint a mural for the post office in Edenton, North Carolina. Alone in the world and in great need of work, she accepts. But what she doesn’t expect is to find herself immersed in a town where prejudices run deep, where people are hiding secrets behind closed doors, and where the price of being different might just end in murder. What happened to Anna Dale? Are the clues hidden in the decrepit mural? Can Morgan overcome her own demons to discover what exists beneath the layers of lies?

“Chamberlain, a master storyteller, keeps readers hooked, with a story line that leavens history and social commentary with romance and mystery.”—*Lexington Dispatch*

Abdul’s Lazy Sons Franklin Watts

Scores of talented and dedicated people serve the forensic science community, performing vitally important work. However, they are often constrained by lack of adequate resources, sound policies, and national support. It is clear that change and advancements, both systematic and scientific, are needed in a number of forensic science disciplines to ensure the reliability of work, establish enforceable standards, and promote best practices with consistent application. *Strengthening Forensic Science in the United States: A Path Forward* provides a detailed plan for addressing these needs and suggests the creation of a new government entity, the National Institute of Forensic Science, to establish and enforce standards within the forensic science community. The benefits of improving and regulating the forensic science disciplines are clear: assisting law enforcement officials, enhancing homeland security, and reducing the risk of wrongful conviction and exoneration. *Strengthening Forensic Science in the United States* gives a full account of what is needed to advance the forensic science disciplines, including upgrading of systems and organizational structures, better training, widespread adoption of uniform and enforceable best practices, and mandatory certification and accreditation programs. While this book provides an essential call-to-action for congress and policy makers, it also serves as a vital tool for law enforcement agencies, criminal prosecutors and attorneys, and forensic science educators.

The Not-so-evil Stepmother Pan Macmillan

You know the tales of three blind mice, three bears, three pigs - they’re all quite nice. But did you ever stop to wonder why three is such a magic number? Readers will have a twisty time with this fairy tale rhyme!

Little Women Houghton Mifflin Harcourt

Twins Max and Anni have had the worst birthday ever. Max has missed a vital goal in the football Cup Final and Anni has fallen out with her best friend. Feeling thoroughly miserable, Max and Anni sneak downstairs at midnight and light the candles on their untouched birthday cake and, as they blow them out, they make a wish . . . to redo the day! When they wake up, their wish has come true! And this time Max and Anni aren’t going to mess things up. But little do they realize that they are going to have to relive their birthday again . . . and again . . . and again.

It’s Decorative Gourd Season, Motherfuckers Harper Collins

Fans of Jodi Picoult, Caroline B. Cooney, and Lurlene McDaniel--teens and adults alike--will relish this thrilling emotional rollercoaster ride as a web of family secrets brought to light devastates lives on both sides of the Atlantic. When 17-year-old Rosie’s mother, Trudie, dies from Huntington’s disease, her pain is intensified by the knowledge that she has a fifty percent chance of inheriting the crippling disease herself. Only when Rosie tells her mother’s best friend, “Aunt Sarah,” that she is going to test for the disease does Sarah, a midwife, reveal that Trudie wasn’t her real mother after all. Rosie was swapped at birth with a sickly baby who was destined to die.

Devastated, Rosie decides to find her birth mother in California. But all does not go as planned. As Rosie discovers yet more of her family's deeply buried secrets and lies, she is left with an agonizing decision of her own, one which will be the most heart breaking and far-reaching of all.

The Ghosts of Tupelo Landing Delacorte Press

A breakout media and political analyst delivers a sweeping snapshot of American Democracy and the role that African Americans have played in its shaping while offering concrete information to help harness the electoral power of the country ' s rising majority and exposing political forces aligned to subvert and suppress Black voters. Black voters were critical to the Democrats ' 2018 blue wave. In fact, 90 percent of Black voters supported Democratic House candidates, compared to just 53 percent of all voters. Despite media narratives, this was not a fluke. Throughout U.S. history, Black people have played a crucial role in the shaping of the American experiment. Yet still, this powerful voting bloc is often dismissed as some " amorphous " deviation, argues Tiffany Cross. Say It Louder! is her explosive examination of how America ' s composition was designed to exclude Black voters, but paradoxically would likely cease to exist without them. With multiple tentacles stretching into the cable news echo chamber, campaign leadership, and Black voter data, Cross creates a wrinkle in time with a reflective look at the timeless efforts endlessly attempting to deny people of color the right to vote—a basic tenet of American democracy. And yet as the demographics of the country are changing, so too is the electoral power construct—by evolution and by force, Cross declares. Grounded in the most-up-to-date research, Say It Louder! is a vital tool for a wide swath of constituencies.

The Big Bad Werewolf Hachette UK

Meet kindly Viv the vet and her great dog in two illustrated stories. The leveled text will help young children enjoy learning to read.
