If influencers have power over us, who are you allowing to influence you? In an online world obsessed with follows and likes, it's important to consider what you're really searching for. When you follow someone, it's typically because you want to be like them or live like they do—but who have you placed as your role models? In *Who Are You Following?* bestselling author and social media personality Sadie Robertson Huff dives deep into exploring who we are allowing to influence our daily thoughts and actions. With an excellent grasp of scriptural truths, using current research, surveys, and personal and biblical stories, Sadie draws on her

own experience as a social media influencer and addresses topics such as how to go from being liked to being truly loved our true motives for fame being seen from the outside versus being known comparing ourselves to others questioning why did I post that?! how to respond to cancel culture wondering does God still love me? This book is perfect for young Christians wondering how they can live a vibrant, bold, and uncompromising life of faith in God by following the Messiah—the ultimate influencer. Discover the love, purpose, and fulfillment that is found only in Jesus.

The Nuts: Bedtime at the Nut House Simon and Schuster

In a strangely heartwarming story, a duck strikes up an unlikely friendship with Death. "Who are you? Why are

you creeping along behind me?" "Good. You've finally noticed me," said Death. "I am Death." Duck was startled. You couldn't blame her for that. Death, Duck and the Tulip is the much anticipated translation of Wolf Erlbruch's latest masterpiece. Death, Duck and the Tulip will intrigue, haunt and enchant teenagers and adults. Simple, unusual, warm and witty - a picture book version of *The Book Thief*. This book deals with a difficult subject in away that is elegant, straightforward, and thought-provoking. *Reflections on Faith, Family, and Fowl* Simon and Schuster This 365-day devotional contains a brief message, an inspirational scripture and a prayer for each day of the year. With contributions from all the members of the family, from patriarch Will and his wife Kay, to their four

sons (Willie, Jase, Jep and Alan) and their beautiful wives and children, not to forget Uncle Si, this book reveals the faith that lies at the core of all that they do. The Robertson clan's flair for down-home wisdom and wit has rarely been better illustrated than in this volume, which is sure to appeal to their many fans. We even get to hear from Martin and Godwin, the only two non-family members who are regulars on the show.

The wives of the Robertsons all came into the family the same way: they fell in love with one of the Robertson boys. In the Duck Dynasty TV series, the women often come into their own when the whole family gathers around the table together to eat dinner, and

get a good glimpse into their lives, but that is hardly the whole story, which is why they decided to write this book... In The Women of Duck Commander, the wives show how they have worked together to help one another and to support the family in all its work and its happiness. They are committed to timeless values, and in the book they share the insights, stories, and experiences that have made them who they are. The appeal of the Duck Dynasty comes, not because they are

showing us anything new, but they are reminding us of the values our culture is in danger of losing.

Into the Wild Anchor

From the award-winning author of Little Pea, Little Hoot, and Little Oink comes a clever take on the age-old optical illusion: is it a duck or a rabbit? Depends on how you look at it! Readers will find more than just Amy Krouse Rosenthal's signature humor herethere's also a subtle lesson for kids who don't know when to let go of an argument. A smart, simple story that will make readers of all ages eager to take a side, Duck! Rabbit! makes it easy to agree on one thing—reading it again! Plus, this is the fixed format

version, which will look almost identical to the print version. Additionally for devices that support audio, this ebook includes a read-along setting.

life. "F**k positivity," Mark Manson says. "Let's be honest, shit is f**ked and we have to live with it." In his wildly popular Internet blog, Manson doesn't sugarcoat or equivocate. He tells it like it is—a dose of raw, refreshing, honest truth that is sorely lacking today. The Subtle Art of Not Giving a F**k is his antidote to the coddling, let's-all-feel-good mindset that has infected American society and spoiled a generation, rewarding them with gold medals just for showing up. Manson makes the argument, backed both by academic research and well-timed poop jokes, that improving our lives hinges not on our ability to turn lemons into lemonade, but on learning to stomach lemons better. Human beings are flawed and limited—"not everybody can be extraordinary, there are winners and losers in society, and some of it is not fair or your fault." Manson advises us to get to know our limitations and accept them. Once we embrace our

fears, faults, and uncertainties, once we stop running and avoiding and start confronting painful truths, we can begin to find the courage, perseverance, honesty, responsibility, curiosity, and forgiveness we seek. There are only so many things we can give a f**k about so we need to figure out which ones really matter, Manson makes clear. While money is nice, caring about what you do with your life is better, because true wealth is about experience. A much-needed grab-

Make Way for Ducklings
Simon and Schuster
Sadie Robertson—former star of A&E's *Duck Dynasty* and daughter of Willie and Korie Robertson—shares her outlook on life as she opens up about herself and the values that make her family what it is. Sadie Robertson represents everything that a well-adjusted teenager should be, even while growing up in the spotlight on *Duck Dynasty*. She exhibits poise,

respect for her family and friends, and a faith that influences her choices. Everyone wants to know how a family as eclectic as the Robertsons are raising such confident, fun, family-loving kids. With this book, Sadie sheds light on the values instilled by her family that make her the person she is. Sadie lives by a simple list of principles that lead her to personal and spiritual growth and allow the relationships she has with her friends and family to flourish. These values include think happy, be happy; dream big; shake the hate; do something; and many more. Living as a culturally relevant teen who loves God and her family, Sadie has

become a role model for other teens and for parents who are eager to instill the same characteristics in their children.

Head First Design

Patterns Thomas Nelson

John was once described by a friend as a man who looked like he had a party going on in his head all the time. In *Duck Butts: Seasons With God* he invites you to that party. In this, his first collection of writings, he shares his somewhat askew humor with short essays like *If I Were the Pope*. He takes us on an imaginative flight in *Astronaut*, and then brings us soberly back home with *Walking For Groceries*. Within these pages you'll also find experiments in poetry and a few song lyrics, some of which have

been forgotten melodies and have come to stand as statements that punctuate a journey of faith and grace. This book can be read straight through but also allows the reader to go slow and experience the change of seasons. John's voice can be irreverent, silly, and painfully honest but always returns to grace--as all seasons with God do.

Wood Duck Harper Collins

Krakauer's page-turning bestseller explores a famed missing person mystery while unraveling the larger riddles it holds: the profound pull of the American wilderness on our imagination; the allure of high-risk activities to young men of a certain cast of mind; the complex, charged bond between fathers and sons.
