Rainbow Six Boxtree

The Secret Service can't control him. The British government can't silence him. But renegade agent Travis Caine is one loose cannon you don't want to mess with, so his commanders cut him a break—and cut him loose. His new HQ is America's top intelligence force, Elite Ops. His new code name is "Black Jack." And his new assignment is to die for. She's smart, sexy, scintillating—and one of Elite Ops' savviest agents. Lillian Belle's code name is "Night Hawk," and Travis certainly wouldn't mind flying a few midnight maneuvers with her. But when their mission turns into a red-hot game of danger, deceit, and double-crossed signals, Travis begins to wonder: Can he trust her? Can he resist her?

Men of Danger St. Martin's Paperbacks

Previously published in the anthology Men of Danger, New York Times bestselling author Lora Leigh pulls out all the stops in this thrilling romantic suspense novella, Hannah's Luck. When burglars try to break into her home, kindergarten teacher Hannah Brookes is lucky to have Sheriff Rick Grayson on her side. Especially when their mutual attraction leads to distraction... Bests,

Killer Secrets St. Martin's Paperbacks

Following the success of his #1 New York Times bestseller Make Your Bed, which has sold over one million copies, Admiral William H. McRaven is back with amazing stories of bravery and heroism during his career as a Navy SEAL and commander of America's Special Operations Forces. Admiral William H. McRaven is a part of American military history, having been involved in some of the most famous missions in recent memory,

including the capture of Saddam Hussein, the rescue of Captain Richard Phillips, and the raid to kill Osama bin Laden. Sea Stories begins in 1963 at a French Officers' Club in France, where Allied officers and their wives gathered to have drinks and tell stories about their adventures during World War II—the place where a young Bill McRaven learned the value of a good story. Sea Stories is an unforgettable look back on one man's incredible life, from childhood days sneaking into high-security military sites to a day job of hunting terrorists and rescuing hostages.

Action-packed, humorous, and full of valuable life lessons like those exemplified in McRaven's bestselling Make Your Bed, Sea Stories is a remarkable memoir from one of America's most accomplished leaders.

Heat Seeker Penguin

A hands-on, practical survival guide from retired Navy SEAL Clint Emerson, from eluding pursuers, evading capture, and surviving dangerous situations.

From #BlackLivesMatter to Black Liberation St. Martin's Paperbacks

As a bridal shop owner, Mikayla Martin helps make women's wedding dreams come true. Her own life, however, has become a nightmare since she witnessed a murder—and got an up-close-and-personal look at the killer. What's worse: She knows she knows him. But the police, after doing an alibi check, don't believe her. It's up to Mikayla to prove them wrong...and do whatever it takes to solve the murder by herself. Elite Ops agent Nikolai Steele, code name Renegade, is asked to pay an old comrade a favor. This friend swears he's no killer—and Nik believes him—even though he's been mistaken as one by Mikayla. So

Nik goes to set her straight...but the moment he lays eyes on the fiery and determined beauty, he knows he's in too deep. A woman this irresistible can only mean trouble and, sure enough, after sticking her nose in one too many places, someone wants Mikayla dead. Now Nik must find a way to keep her safe, clear his friend's name, and find the real killer, who remains on the loose...

Elite Ops Complete Series Macmillan

A WOMAN ON A MISSION After putting her life on the line to protect classified intelligence, military psychologist Mia Kensington is on a cross-country road trip from hell with an intrusive save-the-day hero. Uninterested in his white knight act, she'd rather take her chances without the ruggedly handsome, cold-blooded operative who boasts an alpha complex and too many guns. AND THE MAN SENT TO STOP HER Colby Winters, an elite member of The Titan Group, has a single objective on his black ops mission: recover a document important to national security. It was supposed to be an easy in-and-out operation. But now, by any means necessary becomes a survival mantra when he faces off with a stunning woman he can't leave behind. MUST PARTNER TO SURVIVE When Titan's safe houses are compromised, Colby stashes Mia at his home, exposing his secret—he's the adoptive father of an orphaned baby girl. Too soon,

danger arrives and Mia lands in the hands of a sadistic cartel king with a taste for torture. As hours bleed into fear-drenched days, Colby races across the globe and through a firestorm of bullets to save the woman he can't live without. If they make it out alive, can he reconcile duty and desire? Does Mia trust her heart to a man who willingly walks into kill-zones?

Midnight Sins Penguin

John Vincent has always led a life of danger, and now he has every reason to want to remain as dead as the obituary in the Australian papers had proclaimed him to be. He'd left nothing behind in the life he had once led—except for one woman, and one night of unforgettable passion. Now, both will return to haunt him... Bailey Serborne is still tormented by a past she can't change and a man she hasn't been able to forget. A man who was supposed to dead.. But now, a stroke of fate has revealed that sometimes, a woman is given a second chance to heal her heart—and exact the sweetest revenge... Heat Seeker is an Elite Ops novel from Lora Leigh.

The Brain That Changes Itself Grand Central Publishing

Released from Walter Reed Hospital, Sergeant Alexandra Hargreaves settles in her hometown of Denver, Colorado. With her family and friends close, and her enemies even closer, she strives to collect the pieces of her shattered life. Then everything falls apart. Haunted by the past, and terrorized in the present, Alex must reach past pain, through memory, and beyond the grave to find her. Alex the Fey thriller series enjoys a cult like following. The series is moving into hardcover in 2021.

Little Family MDPI

Neil Young took on the music industry so that fans could hear his music—all music—the way it was meant to be heard. Today, most of the music we

hear is com-pressed to a fraction of its original sound, while analog masterpieces are turning to dust in record company vaults. As these recordings disappear, music fans aren't just losing a collection of notes. We're losing spaciousness, breadth of the sound field, and the ability to hear and feel a ping of a triangle or a pluck of a guitar string, each with its own resonance and harmonics that slowly trail off into silence. The result is music that is robbed of its original quality—muddy and flat in sound compared to the rich, warm sound artists hear in the studio. It doesn't have to be this way, but the record and technology companies have incorrectly assumed that most listeners are satisfied with these low-quality tracks. Neil Young is challenging the assault on audio quality—and working to free music lovers from the flat and lifeless status quo. To Feel the Music is the true story of his quest to bring high-quality audio back to music lovers—the most important undertaking of his career. It's an unprecedented look inside the successes and setbacks of creating the Pono player, the fights and negotiations with record companies to preserve master-pieces for the future, and Neil's unrelenting determination to make musical art available to everyone. It's a story that shows how much more there is to music than meets the ear. Neil's efforts to bring quality audio to his fans garnered media attention when his Kickstarter campaign for his Pono player—a revolutionary music player that would combine the highest quality possible with the portability, simplicity and affordability modern listeners crave—became the third-most successful Kickstarter campaign in the website's history. It had raised more than \$6M in pledges in 40 days. Encouraged by the enthusiastic response, Neil still had a long road ahead, and his Pono music player would not have the commercial success he'd imagined. But he remained committed to his mission, and faced with the rise of streaming services that used even lower quality audio, he was determined to rise to the challenge. An eye-opening read for all fans of Neil Young and all fans of great music, as well as readers interested in going behind the scenes of product creation, To Feel the Music has an inspiring story at its heart: One determined artist with a

groundbreaking vision and the absolute refusal to give up, despite setbacks, naysayers, and skeptics.

Winters Heat Allegro Editions

This prologue from Lora Leigh's Live Wire is available for sale before the book's official release date. In the prologue to LIVE WIRE, Teyha Tamalosi, code name: Enigma, is the one woman Jordan Malone, commander of the Elite Ops, wants and is the one woman he knows he can never have. But when they share one blazingly hot night, everything changes in ways Jordan could have never imagined. . .

Pre-Incident Indicators of Terrorist Incidents St. Martin's Griffin

In this volume of 15 articles, contributors from a wide range of disciplines present their analyses of Disney movies and Disney music, which are mainstays of popular culture. The power of the Disney brand has heightened the need for academics to question whether Disney's films and music function as a tool of the Western elite that shapes the views of those less empowered. Given its global reach, how the Walt Disney Company handles the role of race, gender, and sexuality in social structural inequality merits serious reflection according to a number of the articles in the volume. On the other hand, other authors argue that Disney productions can help individuals cope with difficult situations or embrace progressive thinking. The different approaches to the assessment of Disney films as cultural artifacts also vary according to the theoretical perspectives guiding the interpretation of both overt and latent symbolic meaning in the movies. The authors of the 15 articles encourage readers to engage with the material, showcasing a variety of views about the good, the bad, and the best way forward.

The Psychosocial Implications of Disney Movies

Pantheon

#1 New York Times bestselling author Lora Leigh

has captivated millions with her sizzling tales. Here, together for the first time, in a short story collection: Reno's Chance Ever since she was a girl, Raven has longed for her friend's brother, Reno, a Navy SEAL. What she doesn't realize is that his true mission is to get into her heart. For Maggie's Sake Maggie is in custody with Joe's SEALs team. Joe, her ex-lover, thinks Maggie is hiding information. He plans to seduce her to get it, but when an enemy captures Maggie, only Joe can save her. Atlanta Heat Em has wanted Macey forever. But as a SEAL under the command of her overprotective godfather, Macey is off-limits...until a kidnapping attempt forces them to share close quarters—and a forbidden desire. Night Hawk For three years, Travis "Black Jack" Caine and Lillian "Night Hawk" Belle have been meeting, late at night. No names given. But tonight is different. An enemy has returned, and Travis and Lillian may never meet again. Are they brave enough to give in to desire and stand together? Cooper's Fall Former ranger Ethan never expected to get an eyeful of prim Sarah Fox from his window. But now his blood is on fire for her. Sheila's Passion As an ex-Marine, Nick's been through some hard things. But when it comes to Sheila, he has his biggest challenge yet. Sheila has sworn off love, but when Nick tempts her into becoming friends with benefits, he intends to make her his forever.

The Golden House St. Martin's Paperbacks

From veteran food writer, recipe developer, and creator of the James Beard Award-winning Jarry magazine comes an innovative approach to vegetarian cooking. What have I got to eat? It's a question we ask every time we open up the refrigerator or pantry door. It might be eggs, some cheese, and half a loaf of bread, or a box of wilting greens, garlic, and some sweet potatoes. Though these ingredients may not seem like much to make a delicious meal, recipe developer and author Lukas Volger knows it's all you need. In Start Simple he offers a radically new, uncomplicated, and creative approach to cooking that allows you to use what you already have on hand to make great meals you didn't think were possible. Magic can happen with just a few ingredients: sweet

potatoes, tortillas, eggs, cabbage, hearty greens, beans, winter squash, mushrooms, tofu, summer squash, and cauliflower. Volger advises readers to stock up on these eleven building blocks instead of shopping for a single recipe. A protein (tofu, beans, eggs) is a foundation. A crunchy garnish (cabbage, greens) is a finishing touch. Once these structural components of a meal are established, home chefs can throw in their own variations and favorite flavors—mixing, matching, and adding ingredients to customize their dishes. While Start Simple is a vegetarian cookbook—none of the recipes include meat—Volger's approach transcends categories. His methods aren't about subscribing to a specific dietary regimen; they are about simply recognizing and embracing the way people cook and eat today. Creating weekly meal plans based on intricate recipes sounds good, but it can be difficult to execute. Having a well-stocked pantry paired with a choose-you-own adventure guide to creating simple yet inventive meals is more practical for your average home cook.

St. Martin's Griffin

Deep within the Pentagon, a covert, multi-billion arms-for-influence program was created. The objective was to protect the United States and its allies from terrorist acts by secretly enabling a hand-picked man to emerge as the most powerful leader in the Middle East. But the charismatic Tristan Nazir double-crosses America, twisting the program for his own violent ends to create ISIS. Now America is at great risk. Elite operative Dewey Andreas is sent to Syria to retrieve details about the source of ISIS's funding but his cover is blown mid-operation and chaos erupts in the streets of Damascus. Trapped and outnumbered, Dewey manages to send proof of the awful truth—unknown at even the highest levels in the government—that ISIS's

munitions were indeed provided by America itself. This information arrives in time to for the U.S. to cut off a final arms shipment before it reaches ISIS. But the vicious Nazir, is far from finished. He launches a bold strike into the heart of America, sending a terrorist cell to take over a dorm at Columbia University, capturing hundreds of college students as hostages. For every hour that the shipment of weapons is withheld, the terrorists will publicly execute one student. The potential loss of life is intolerable. A frontal assault is impossible. Releasing the shipment is unthinkable. There is nowhere to turn... In a situation with no solutions, there remains only one option—Dewey Andreas.

Maverick St. Martin's Paperbacks

A crime lord's daughter finds safety from her father's enemies in the arms of the bodyguard who broke her heart.

Sea Stories Crown

An "infuriating, fast-paced" (The Washington Post) account of the Navy SEALs of Alpha platoon, the startling accusations against their chief, Eddie Gallagher, and the courtroom battle that exposed the dark underbelly of America's special forces—from a Pulitzer Prize-winning reporter WINNER OF THE COLORADO BOOK AWARD • "Nearly impossible to put down."—Jon Krakauer, New York Times bestselling author of Where Men Win Glory and Into the Wild In this "brilliantly written" (The New York Times Book Review) and startling account, Pulitzer Prize-winning New York Times correspondent David Philipps reveals a powerful moral crucible, one that would define the American military during the years of combat that became known as "the forever war." When the Navy SEALs of Alpha platoon returned from their 2017 deployment to Iraq, a group of them reported their chief, Eddie Gallagher, for war crimes, alleging that he'd stabbed a prisoner in cold blood and taken lethal sniper shots at unarmed civilians. The story of Alpha's war, both in Iraq and in the shocking trial that followed the men's

accusations, would complicate the SEALs' post-9/11 hero narrative, turning brothers-in-arms against one another and bringing into stark relief the choice that elite soldiers face between loyalty to their unit and to their country. One of the great stories written about American special forces, Alpha is by turns a battlefield drama, a courtroom thriller, and a compelling examination of how soldiers define themselves and live with the decisions in the heat of combat.

First Strike St. Martin's Paperbacks

Secret government operative Captain Jordan Malone meets his match in Tehya Talamosi, code name Enigma, when they work together on the most deadly mission either of them has ever faced.

Live Wire St. Martin's Paperbacks

FIRST IN A NEW SERIES Three men are bound by one tragedy that continues to bring danger and passion to their lives - and the women they love . . . HE ALWAYS WANTED HER. His name is Rafer Callahan. He was a kid from the wrong side of the tracks who fought through life the only way he knew how: with his fists. But Rafer never meant to bring any harm to Cambria Flannigan, the girl-the lover-whose sister he'd been unable to save . . . SHE LIVES IN FEAR OF HIM. Cami lost her sister in the brutal murders that rocked her home-town so many years ago. Some still believe that Rafe, along with his cousins Logan and Crowe, were involved. But how could Rafe-who haunted her girlish dreams, then her adult fantasies-be a killer? That is the question that keeps her up at night. SOON THEIR HEARTS WILL COME TOGETHER . . . Now a prosperous ranch owner, Rafe is trying to build a new legacy for himself. It's finally time to settle the score with Cami-and make her his. But old wounds open up with a series of new murders . . . and each of the victims has a connection to Rafe,

Logan, and Crowe. With suspicion, fear, and loyalty tearing her apart, Cami is once again at risk of losing her heart - or her life.

Wild Card Grove/Atlantic, Inc.

In this #1 New York Times bestselling John Clark thriller, author Tom Clancy takes readers into the shadowy world of anti-terrorism and gets closer to reality than any government would care to admit... Ex-Navy SEAL John Clark has been named the head of Rainbow, an international task force dedicated to combating terrorism. In a trial by fire, Clark is confronted with a violent chain of seemingly separate international incidents. But there is no way to predict the real threat: a group of terrorists like none the world has ever encountered, a band of men and women so extreme that their success could literally mean the end of life on earth as we know it.

Ranger Handbook (Large Format Edition) Mill Creek Press

Nominated as one of America's best-loved novels by PBS's The Great American Read Six days ago, astronaut Mark Watney became one of the first people to walk on Mars. Now, he's sure he'll be the first person to die there. After a dust storm nearly kills him and forces his crew to evacuate while thinking him dead, Mark finds himself stranded and completely alone with no way to even signal Earth that he's alive-and even if he could get word out, his supplies would be gone long before a rescue could arrive. Chances are, though, he won't have time to starve to death. The damaged machinery, unforgiving environment, or plain-old "human error" are much more likely to kill him first. But Mark isn't ready to give up yet. Drawing on his ingenuity, his engineering skills-and a relentless, dogged refusal to quit-he

steadfastly confronts one seemingly insurmountable obstacle after the next. Will his resourcefulness be enough to overcome the impossible odds against him?
