Live Wire Elite Ops 6 Lora Leigh - orrisrestaurant.com

Live Wire is the latest book in the Myron series, number 10 I think? The  
story isn't as physically action packed as his previous stories but there are  
lots of twists and plenty to keep you guessing. There is some insight into  
the Bolitar family history and Myron's nephew Mickey, who is the hero in  
a new series of stories, is introduced.
