Alpha St. Martin's Paperbacks Nominated as one of America's best-loved novels by PBS's The Great American Read Six days ago, astronaut Mark Watney became one of the first people to walk on Mars. Now, he's sure he'll be the first person to die there. After a dust storm nearly kills him and forces his crew to evacuate while thinking him dead, Mark finds himself stranded and completely alone with no way to even signal Earth that he's alive—and even if he could get word out, his supplies would be

gone long before a rescue could arrive. Chances are, though, he won't have time to starve to death. The damaged machinery, unforgiving environment, or plain-old "human error" are much more likely to kill him first. But Mark isn't ready to give up yet. Drawing on his ingenuity, his engineering skills—and a relentless, dogged refusal to quit—he steadfastly confronts one seemingly insurmountable obstacle after the next. Will his resourcefulness be enough to overcome the impossible odds against him?

#1 New York Times bestselling author Lora Leigh is back—with a vengeance—in her latest novel of passion and intrigue, *Dagger's Edge*, featuring the men of Brute Force. Ivan Resnova wants nothing more than to escape his hard, brutal past. Starting over is not so easy once you've been a powerful crime boss but now, instead of being punished for his alleged crimes, Ivan fears that the one woman he can't forget is in danger of paying the price. Crimsyn "Syn" Delaney thought the danger she'd faced was over, and that she could resume her life. She never imagined it would

return with a vengeance and throw her back into Ivan's world. But when an attempt is made on her life, she needs Ivan more than ever to keep her safe—even if she is in danger of falling deeply and dangerously in love. . . . "Leigh's books can scorch the ink off the page." —RT Book Reviews

Midnight Sins St. Martin's Press

Especially when their mutual attraction leads to distraction... RED GARNIER "Reckless" Police detective Zach Rivers isn't the only man in Phoenix who's obsessed with the beautiful Paige Avery—but he's definitely the sexiest and, quite possibly, the most

dangerous... ALEXIS GRANT "Tempt Me" R&B star Anita has beauty, talent, fame-and her very own stalker-which is why she needs a professional bodyguard. But can she resist mixing business with pleasure when the hired muscle is to die for? LORIE O'CLARE "Love Me 'til Death" Homicide detective Ashley Jones hates working with the FBI. But Chase Reed is one special agent whose rule-breaking methods, razor-sharp mind, and rock-hard body make for one killer combination... The Wretched of the Earth HarperCollins Meet Captain Jordan Malone. For years he has been a silent, sexy warrior and guardian, operating independent of government protocol or oversight, leading

his loyal team of Elite Ops agents to fight terror at all costs. A legend in the field, Jordan's true identity has remained a mystery even to his own men...until now. Tehya Talamosi, codename Enigma, is a force to be reckoned with. A woman this striking spells nothing but trouble for Jordan. Armed with killer secrets—and body to die for—she'll bring Jordan to his knees in longing as they both take on the most deadly mission they have ever faced. Because resisting desire this strong is impossible... Live Wire is an Elite Ops novel from Lora Leigh. Enigma Random House From veteran food writer, recipe developer, and creator of the James Beard Award-winning Jarry magazine comes an innovative approach to vegetarian cooking. What have I got to eat? It ' s a

question we ask every time we open up the refrigerator or pantry door. It might be eggs, some cheese, and half a loaf of bread, or a box of wilting greens, garlic, and some sweet potatoes. Though these ingredients may not seem like much to make a delicious meal, recipe developer and author Lukas Volger knows it 's all you need. In *Start Simple* he offers a radically new, uncomplicated, and creative approach to cooking that allows you to use what you already have on hand to make great meals you didn 't think were possible. Magic can happen with just a few ingredients: sweet potatoes, tortillas, eggs, cabbage, hearty greens, beans, winter squash, mushrooms, tofu, summer squash, and cauliflower. Volger advises readers to stock up on these eleven building blocks instead of shopping for a single recipe. A protein (tofu, beans, eggs) is a foundation. A crunchy garnish (cabbage, greens) is a finishing touch. Once these structural components of a meal are established, home chefs can throw in their own variations and favorite flavors—mixing, matching,

and adding ingredients to customize their dishes. While *Start Simple* is a vegetarian cookbook—none of the recipes include meat—Volger 's approach transcends categories. His methods aren 't about subscribing to a specific dietary regimen; they are about simply recognizing and embracing the way people cook and eat today. Creating weekly meal plans based on intricate recipes sounds good, but it can be difficult to execute. Having a well-stocked pantry paired with a choose-you-own adventure guide to creating simple yet inventive meals is more practical for your average home cook.

Following the success of his #1 New York Times bestseller *Make Your Bed*, which has sold over one million copies, Admiral William H. McRaven is back with amazing

stories of bravery and heroism during his career as a Navy SEAL and commander of America's Special Operations Forces. Admiral William H. McRaven is a part of American military history, having been involved in some of the most famous missions in recent memory, including the capture of Saddam Hussein, the rescue of Captain Richard Phillips, and the raid to kill Osama bin Laden. *Sea Stories* begins in 1963 at a French Officers' Club in France, where Allied officers and their wives gathered to have drinks and tell stories about their adventures during World War II—the place where a young Bill McRaven learned the value of a good story. *Sea Stories* is an unforgettable look back on one man's incredible life, from childhood days sneaking

into high-security military sites to a day job of hunting terrorists and rescuing hostages. Action-packed, humorous, and full of valuable life lessons like those exemplified in McRaven's bestselling *Make Your Bed*, *Sea Stories* is a remarkable memoir from one of America's most accomplished leaders. It was supposed to be simple. All Navy SEAL Nathan Malone had to do was rescue three young girls from a Colombia drug cartel, then allow himself to be captured just long enough to draw out a government spy. That was before his mission went disastrously wrong...and before his wife, Bella, was told that Nathan was never coming home. Bella's mourned her husband's death for three long years. But she has no idea he's still alive. Forced to assume a new identity, the man Nathan was is now dead.

If he can get back to his wife, can he keep the secret of who he really is...even as desire threatens to consume them? And as danger threatens to tear Bella from Nathan's arms once more?

100 Deadly Skills DIANE Publishing

From the #1 New York Times – bestselling author of *A Long Way Gone*. A powerful novel about young people living at the margins of society, struggling to replace the homes they have lost with

the one they have created together. Hidden away from a harsh outside world, five young people have improvised a home in an abandoned airplane, a relic of their country's tumultuous past. Elimane, the bookworm, is as street-smart as he is wise. Clever Khoudiemata maneuvers to keep the younger kids—athletic, pragmatic Ndevui, thoughtful Kpindi, and especially their newest member, Namsa—safe and fed. When Elimane makes himself of service to the shadowy William Handkerchief, it seems as if the little family may be able to keep the world at bay and their household intact. But when Khoudi comes under the spell of the “beautiful people”—the fortunate sons and daughters of the elite—the desire to resume an interrupted coming of age and follow her own destiny proves impossible to resist. A profound and tender portrayal of the connections we forge to survive the fate we're dealt, *Little Family* marks the further blossoming of a unique global voice.

Killer Secrets St. Martin's Griffin

Deep within the Pentagon, a covert, multi-billion arms-for-influence program was created. The objective was to protect the United States and its allies from terrorist acts by secretly enabling a hand-picked man to emerge as the most powerful leader in the Middle East. But the charismatic Tristan Nazir double-crosses America, twisting the program for his own violent ends to create ISIS. Now America is at great risk. Elite operative Dewey Andreas is sent to Syria to retrieve details about the source of ISIS's funding but his cover is blown mid-operation and chaos erupts in the streets of Damascus. Trapped and outnumbered, Dewey manages to send proof of the awful truth—unknown at even the highest levels in the government—that ISIS's munitions were indeed provided by America itself. This information arrives in time to for the U.S. to cut

off a final arms shipment before it reaches ISIS. But the vicious Nazir, is far from finished. He launches a bold strike into the heart of America, sending a terrorist cell to take over a dorm at Columbia University, capturing hundreds of college students as hostages. For every hour that the shipment of weapons is withheld, the terrorists will publicly execute one student. The potential loss of life is intolerable. A frontal assault is impossible. Releasing the shipment is unthinkable. There is nowhere to turn... In a situation with no solutions, there remains only one option—Dewey Andreas.

Men of Danger Currency

The author of *Race for Profit* carries out “ [a] searching examination of the social, political and economic dimensions of the prevailing racial order ” (Michelle Alexander, author of *The New Jim Crow*).

In this winner of the Lannan Cultural Freedom Prize for an Especially Notable Book, Keeanga-Yamahtta Taylor “ not only exposes the canard of color-blindness but reveals how structural racism and class oppression are joined at the hip ” (Robin D. G. Kelley, author of *Freedom Dreams*). The eruption of mass protests in the wake of the police murders of Michael Brown in Ferguson, Missouri, and Eric Garner in New York City have challenged the impunity with which officers of the law carry out violence against black people and punctured the illusion of a post-racial America. The Black Lives Matter movement has awakened a new generation of activists. In this stirring and insightful analysis, activist and scholar Keeanga-Yamahtta Taylor surveys the

historical and contemporary ravages of racism and the persistence of structural inequality, such as mass incarceration and black unemployment. In this context, she argues that this new struggle against police violence holds the potential to reignite a broader push for black liberation. “ This brilliant book is the best analysis we have of the #BlackLivesMatter moment of the long struggle for freedom in America. Keeanga-Yamahtta Taylor has emerged as the most sophisticated and courageous radical intellectual of her generation. ” —Dr. Cornel West, author of Race Matters “ A must read for everyone who is serious about the ongoing praxis of freedom. ” —Barbara Ransby, author of Ella Baker and the Black Freedom Movement “ [A] penetrating, vital

analysis of race and class at this critical moment in America ’ s racial history. ” —Gary Younge, author of The Speech: The Story Behind Dr. Martin Luther King Jr.'s Dream

The Secret Service can't control him. The British government can't silence him. But renegade agent Travis Caine is one loose cannon you don't want to mess with, so his commanders cut him a break—and cut him loose. His new HQ is America's top intelligence

force, Elite Ops. His new code name is "Black Jack." And his new assignment is to die for. She's smart, sexy, scintillating—and one of Elite Ops' savviest agents. Lillian Belle's code name is "Night Hawk," and Travis certainly wouldn't mind flying a few midnight maneuvers with her. But when their mission turns into a red-hot game of danger, deceit, and double-crossed signals, Travis begins to wonder: Can he trust her? Can he resist her?

Renegade Pantheon

World-renowned economist Klaus Schwab, Founder and Executive Chairman of the World Economic Forum, explains that we have an opportunity to shape the fourth industrial revolution, which will fundamentally alter how we live and work. Schwab argues that this revolution is different in scale, scope and complexity

from any that have come before.

Characterized by a range of new technologies that are fusing the physical, digital and biological worlds, the developments are affecting all disciplines, economies, industries and governments, and even challenging ideas about what it means to be human. Artificial intelligence is already all around us, from supercomputers, drones and virtual assistants to 3D printing, DNA sequencing, smart thermostats, wearable sensors and microchips smaller than a grain of sand. But this is just the beginning: nanomaterials 200 times stronger than steel and a million times thinner than a strand of hair and the first transplant of a 3D printed liver are already in development. Imagine “ smart factories ” in which global systems

of manufacturing are coordinated virtually, or implantable mobile phones made of biosynthetic materials. The fourth industrial revolution, says Schwab, is more significant, and its ramifications more profound, than in any prior period of human history. He outlines the key technologies driving this revolution and discusses the major impacts expected on government, business, civil society and individuals. Schwab also offers bold ideas on how to harness these changes and shape a better future—one in which technology empowers people rather than replaces them; progress serves society rather than disrupts it; and in which innovators respect moral and ethical boundaries rather than cross them. We all have the opportunity to contribute to developing new

frameworks that advance progress.
