Living Beyond Fear Vintage
From the bestselling author of *Kafka on the Shore*: A magnificent coming-of-age story steeped in nostalgia, “ a masterly novel ” (The New York Times Book Review) blending the music, the mood, and the ethos that were the sixties with a young man ’ s hopeless and heroic first love. Now with a new introduction by the author. Toru, a serious young college student in Tokyo, is devoted to Naoko, a beautiful and introspective young woman, but their mutual passion is marked by the tragic death of their best friend years before. As Naoko retreats further into her own world, Toru finds himself drawn to a fiercely independent and sexually liberated young woman. Stunning and elegiac, Norwegian Wood first propelled Haruki Murakami into the forefront of the literary scene.

Maybe it ’ s the end of the world, but not for Candace Chen, a millennial, first-generation American and office drone meandering her way into adulthood in Ling Ma ’ s offbeat, wryly funny, apocalyptic satire, *Severance*. "A stunning, audacious book with a fresh take on both office politics and what the apocalypse might bring." —Michael Schaub, NPR.org “ A satirical spin on the end times-- kind of like *The Office* meets *The Leftovers*. ” --Estelle Tang, Elle NAMED A BEST BOOK OF THE YEAR BY: NPR * The New Yorker ("Books We Loved") * Elle * Marie Claire * Amazon Editors * The Paris Review (Staff Favorites) * Refinery29 * Bustle * BuzzFeed * BookPage * Bookish * Mental Floss * Chicago Review of Books * HuffPost * Electric Literature * A.V. Club * Jezebel * Vulture * Literary Hub * Flavorwire Winner of the NYPL Young Lions Fiction Award * Winner of the Kirkus Prize for Fiction * Winner of the VCU Cabell First Novelist Award * Finalist for the PEN/Hemingway Award for Debut Novel * A New York Times Notable Book of 2018 * An Indie Next Selection Candace Chen, a millennial drone self-sequestered in a Manhattan office tower, is devoted to routine. With the recent passing of her Chinese immigrant parents, she ’ s had her fill of uncertainty. She ’ s content just to carry on: She goes to work, troubleshoots the teen-targeted Gemstone Bible, watches movies in a Greenpoint basement with her boyfriend. So Candace barely notices when a plague of biblical proportions sweeps New York. Then Shen Fever spreads. Families flee. Companies cease operations. The subways screech to a halt. Her bosses enlist her as part of a dwindling skeleton crew with a big end-date payoff. Soon entirely alone, still unfevered, she photographs the eerie, abandoned city as the anonymous blogger NY Ghost. Candace won ’ t be able to make it on her own forever, though. Enter a group of survivors, led by the power-hungry IT tech Bob. They ’ re traveling to a place called the Facility, where, Bob promises, they will have everything they need to start society anew. But Candace is carrying a secret she knows Bob will exploit. Should she escape from her rescuers? A send-up and takedown of the rituals, routines, and missed opportunities of contemporary life, Ling Ma ’ s *Severance* is a moving family story, a quirky coming-of-adulthood tale, and a hilarious, deadpan satire. Most important, it ’ s a heartfelt tribute to the connections that drive us to do more than survive.

Faithful, Abundant, True - Bible Study Book Hay House, Inc
The key to the life you want is already within your grasp. Join bestselling author Van Moody as he helps you learn the 3 keys necessary to discover your life's purpose and the satisfying fulfillment you're longing for. One question lies behind every struggle we face: How do I deal with myself? Behind all our stumbles, behind each of our missteps, behind every one of our failings lies an inability to handle what Moody calls the "I-Factor." More than self-worth or self-respect, beyond even character and perception of purpose, the I-Factor is about managing yourself--your whole life--well. In this inspiring book, Moody reveals how to get hold of your I-Factor and finally get out of your own way. In *The I-Factor*, Moody identifies three dynamics essential to winning the battle of the I-Factor: Identity: When you understand your identity you know who you are, setting your foundation for everything Significance: When you understand your significance, you see the purpose and the greatness you were created for Perspective: When you understand perspective, you can view the problems you face as stepping stones to greatness rather than stumbling blocks Weaving together personal stories, practical principles, and profound biblical truth, *The I-Factor* provides the key to achieving the life of greatness that you are destined for. Praise for *The I-Factor*: "Van Moody takes you on a biblically balanced, often painfully penetrating look--not just a look at the you in you, but a look at the God in you who defines and declares your destiny and worth." --Kenneth C. Ulmer, D.Min, PhD; Faithful Central Bible Church; founder-CEO, The Ulmer Institute

Chasing Vines One World
#1 NEW YORK TIMES BEST SELLER • In this urgent, authoritative book, Bill Gates sets out a wide-ranging, practical—and accessible—plan for how the world can get to zero greenhouse gas emissions in time to avoid a climate catastrophe. Bill Gates has spent a decade investigating the causes and effects of climate change. With the help of experts in the fields of physics, chemistry, biology, engineering, political science, and finance, he has focused on what must be done in order to stop the planet's slide to certain environmental disaster. In this book, he not only explains why we need to work toward net-zero emissions of greenhouse gases, but also details what we need to do to achieve this profoundly important goal. He gives us a clear-eyed description of the challenges we face. Drawing on his understanding of innovation and what it takes to get new ideas into the market, he describes the areas in which technology is already helping to reduce emissions, where and how the current technology can be made to function more effectively, where breakthrough technologies are needed, and who is working on these

essential innovations. Finally, he lays out a concrete, practical plan for achieving the goal of zero emissions—suggesting not only policies that governments should adopt, but what we as individuals can do to keep our government, our employers, and ourselves accountable in this crucial enterprise. As Bill Gates makes clear, achieving zero emissions will not be simple or easy to do, but if we follow the plan he sets out here, it is a goal firmly within our reach.

A Parable about the King Berrett-Koehler Publishers
Have you ever wanted to create your own autobiography or wished you could read about the life of a relative or friend? The Book of Myself is a do-it-yourself memoir that helps you record and preserve the experiences, relationships, and lessons that define you. Created by a grandson who wanted to capture his grandfather's life story for future generations, The Book of Myself offers 201 memory-evoking prompts on family, friends, and the journey you take through all of life's stages. It is the perfect way for you -- or someone close to you -- to record life's highlights and everyday moments that can slip through your fingers if not written down.

Overcoming Headaches and Migraines Simon and Schuster
#1 New York Times bestseller What would it be like to free yourself from limitations and soar beyond your boundaries? What can you do each day to discover inner peace and serenity? The Untethered Soul offers simple yet profound answers to these questions. Whether this is your first exploration of inner space, or you’ve devoted your life to the inward journey, this book will transform your relationship with yourself and the world around you. You’ll discover what you can do to put an end to the habitual thoughts and emotions that limit your consciousness. By tapping into traditions of meditation and mindfulness, author and spiritual teacher Michael A. Singer shows how the development of consciousness can enable us all to dwell in the present moment and let go of painful thoughts and memories that keep us from achieving happiness and self-realization. Copublished with the Institute of Noetic Sciences (IONS) The Untethered Soul begins by walking you through your relationship with your thoughts and emotions, helping you uncover the source and fluctuations of your inner energy. It then delves into what you can do to free yourself from the habitual thoughts, emotions, and energy patterns that limit your consciousness. Finally, with perfect clarity, this book opens the door to a life lived in the freedom of your innermost being. The Untethered Soul has already touched the lives of more than a million readers, and is available in a special hardcover gift edition with ribbon bookmark—the perfect gift for yourself, a loved one, or anyone who wants a keepsake edition of this remarkable book. Visit www.untetheredsoul.com for more information.

The Book of Myself Tyndale House Publishers, Inc.
“I came that they may have life, and have it abundantly.” – Jesus Christ. Does the word “abundant” describe your life? Do you feel stuck in the rut of daily routines? Are you experiencing the abundance of joy, fulfillment and purpose that the Bible says we should have? When you think of this verse, it may sound like it is meant for other people, but not for you. The truth is that it is meant for all believers and it is just as true today as it was when it came from the mouth of Christ. Life Beyond Living will take you on a journey to discover how the principles of Scripture can lead you to a life that is purposeful, meaningful and beyond ordinary, a life beyond living.

Living Beyond Offenses CertaPublishing.com
This nine-session Bible study helps the Christian woman put all of these roles, characteristics, and emotions into perspective. Each session focuses on one fruit of the Spirit and considers how the lives and stories of nine biblical women convey that characteristic.

Severance Simon and Schuster
Look at the supernatural aspects of the fruit of the Spirit and that you cannot grow, learn, or produce the fruit on your own. Beth challenges you to develop the fruit by maintaining an intimate relationship with the Spirit of God.

Living Beyond Yourself: How to Navigate Into Success and Significance Lifeway Christian Resources
The Untethered Soul: The Journey Beyond Yourself by Michael A. Singer - Book Summary - Readtrepreneur (Disclaimer: This is NOT the original book, but an unofficial summary.) A quest to find oneself among all the day to day distortions that distract us from searching the true meaning of life. "Who are you?" it seems like an easy question but in fact, it couldn't be more complicated. The Untethered Soul acts as a way to seek the answer of that question and during the process of soul searching, you'll find a large array of potential you might have never explored. Knowing oneself is the first step to true success as a professional and true bliss as a human being. (Note: This summary is wholly written and published by Readtrepreneur. It is not affiliated with the original author in any way) "There is nothing more important to true growth than realizing that you are not the voice of the mind - you are the one who hears it." - Michael A. Singer Michael A. Singer determined when finding out the meaning of his existence that the answer to the million-dollar question "who are you?" is to be found in our consciousness with the capacity of observing ourselves and the world that surround us. With the help of Singer, you'll be able to tap into your consciousness to determine the meaning of your existence and at last, reach a state of pure bliss. Michael Singer stresses that to let go of painful moments and start focusing in "the right now" you have to do soul searching to reach the deepest levels of your being and comprehending who you are and achieving happiness. P.S. The Untethered Soul is an extremely helpful book that will aid you know yourself in a level that you thought it was impossible. The Time for Thinking is Over! Time for Action! Living Beyond Yourself Lifeway Church Resources
"Hosts of all kinds, this is a must-read!" --Chris Anderson, owner and curator of TED From the host of the New York Times podcast Together Apart, an exciting new approach to how we gather that will transform the ways we spend our time together—at home, at work, in our communities, and beyond. In *The Art of Gathering*, Priya Parker argues that the gatherings in our lives are lackluster and unproductive--which they don't have to be. We rely too much on routine and the conventions of gatherings when we should focus on distinctiveness and the people involved. At a time when coming together is more important than ever, Parker sets forth a human-centered approach to gathering that will help everyone create meaningful, memorable experiences, large and small, for work and for play. Drawing on her expertise as a facilitator of high-powered gatherings around the world, Parker takes us inside events of all kinds to show what works, what doesn't, and why. She investigates a wide array of gatherings--conferences, meetings, a courtroom, a flash-mob party, an Arab-Israeli summer camp--and explains how simple, specific changes can invigorate any group experience. The result is a book that's both journey and guide, full of exciting ideas with real-world applications. The Art of Gathering will forever alter the way you look at your next meeting, industry conference, dinner party, and backyard barbecue--and how you host and attend them.

The Quest - Study Journal Lifeway Christian Resources
“Is it working? Your belief system, that is. Is it really working? God’s intention all along has been for the believer’s life to work. From divine perspective toward terrestrial turf, God meant for his children to succeed. . . Are our Christian lives successful? Are they achieving and experiencing what Scripture said they would? In a recent sermon my son-in-law preached, Curt told us the only way we were going to impact the world and the next generation is to prove that our faith in Christ is real and that it works. For countless Christians I’m convinced it’s real. My concern is whether or not we have the fruit to suggest it works.”—Beth Moore; Believing God

Golden Fruit Hachette Books

NATIONAL BESTSELLER • Provocative and illuminating essays from women at the forefront of the climate movement who are harnessing truth, courage, and solutions to lead humanity forward. “A powerful read that fills one with, dare I say . . . hope?”—The New York Times

NAMED ONE OF THE BEST BOOKS OF THE YEAR BY SMITHSONIAN MAGAZINE

There is a renaissance blooming in the climate movement: leadership that is more characteristically feminine and more faithfully feminist, rooted in compassion, connection, creativity, and collaboration. While it’s clear that women and girls are vital voices and agents of change for this planet, they are too often missing from the proverbial table. More than a problem of bias, it’s a dynamic that sets us up for failure. To change everything, we need everyone. All We Can Save illuminates the expertise and insights of dozens of diverse women leading on climate in the United States—scientists, journalists, farmers, lawyers, teachers, activists, innovators, wonks, and designers, across generations, geographies, and race—and aims to advance a more representative, nuanced, and solution-oriented public conversation on the climate crisis. These women offer a spectrum of ideas and insights for how we can rapidly, radically reshape society. Intermixing essays with poetry and art, this book is both a balm and a guide for knowing and holding what has been done to the world, while bolstering our resolve never to give up on one another or our collective future. We must summon truth, courage, and solutions to turn away from the brink and toward life-giving possibility. Curated by two climate leaders, the book is a collection and celebration of visionaries who are leading us on a path toward all we can save. With essays and poems by: Emily Atkin • Xiye Bastida • Ellen Bass • Colette Pichon Battle • Jainey K. Bavishi • Janine Benyus • adrienne maree brown • Régine Clément • Abigail Dillen • Camille T. Dungy • Rhiana Gunn-Wright • Joy Harjo • Katharine Hayhoe • Mary Annaïse Heglar • Jane Hirshfield • Mary Anne Hitt • Ailish Hopper • Tara Houska, Zhaabowekwe • Emily N. Believing God Lifeway Church Resources

When your life has been shaken by an unexpected event or issue, what practical steps can you take to turn things around? Making Sense Out Of Life is a timely book to help people successfully navigate through tough yet important times. "I am an avid reader and this is the first book that I've read that provides good, practical solutions to life's challenging problems that we all may face at one time or another," writes Dr. Mike Zobel of GODTV. Key areas practically dealt with in McGuffin's book include: overcoming a job crisis, how to leave your past in the past, great ways to improve relationships, discussing why sex is so complicated, learning how to hear God clearly, and moving past the issues that incapacitate you. This book helps you understand and move past a settled-for life and advance forward on these and other key issues. "This book is chock-full of practical wisdom. I highly recommend it!" writes best-selling Christian author Larry Tomczak. "This book belongs in every church library," encouraged Christian Counselor Nelson Alsup. Florida Hospital College of Health Sciences President David Greenlaw says that "this book helps successfully deal with the most important issues facing our society today." Making Sense Out Of Life challenges readers to consider the ramifications of the thought that if God is truly God, then everything changes. If you or someone you know is wrestling with hard issues, this book will provide a fresh perspective and practical ways to move forward in life!

When Godly People Do Ungodly Things One World

Summary of The Untethered Soul HarperChristian + ORM

Many people feel a loss of control when they are offended and believe that unforgiveness will allow them to regain power or control. However, it is just the opposite, when you do not forgive it gives the person who caused you pain power over you. There are others who do not realize they need to forgive. Many have moved on and forgiven with their mouth but not with their heart, and many have hidden the offense inside and havenot dealt with it because it was so painful. Our ability to forgive will be put to the test many times. The author shares some of her own testing times in this book and the path she had to take to forgive and be free. This book will challengeyou torealize where you are and reveal how you too can stop giving your pain power and forgive. It will help you to stand victoriously when offenses come and be free.
