Confronting Christianity In a world of increasing ideological diversity, kids are being challenged to think through their own beliefs at an early age. Questions like How can you believe the Bible is true?; Why can't we just agree that love is love?; and Isn't Christianity against diversity? can seem like roadblocks for kids who are following Jesus, as well as for those who might otherwise consider faith in Christ. In this helpful book—written both for Christian kids and for those who think Jesus is just a fairy tale character—Rebecca McLaughlin invites readers ages 12–15 to dig deep into hard questions for themselves and perhaps discover that the things that once looked like roadblocks to faith might actually be

signposts.

The chapters of this book are nothing but mirrors for seeing your ''self'' from different angles. And though the journey we are about to embark on is an inner one, it will draw upon every aspect of your life. The only requirement asked of you is the willingness to honestly look at yourself in the most natural, intuitive manner.

Remember, if we are seeking the root of ''self,'' what we are actually seeking is you. As you

read through these pages, you will find that you know much more than you thought you did about some very deep subjects. The fact is, you already know how to find yourself; you have just gotten distracted and disoriented. Once refocused, you will realize that you not only have the ability to find yourself, you have the ability to free yourself. Whether you choose to do so or not is entirely up to you. But upon completion of your journey through these chapters, there will be no more confusion, no more lack of empowerment, and no more blaming others. You will know exactly what must be done. And should you choose to devote yourself to the ongoing journey of self-realization, you will develop a tremendous sense of respect for who you really are. It is only then that you will come to appreciate the full depth of meaning in the advice: ''This above all: to thine own self be

true.'' ---- Introduction

The Egyptians in Exodus 1 were intent on enslaving the Israelites, wearing them down so that God's chosen people

would become disillusioned and not live up to their destiny. Of the original two million Israelites who received God's invitation to enter the Promised Land, only two actually entered it! Similarly, modern day Christians often hear and understand the promises of God each Sunday morning at church but then rarely choose to experience them in everyday life. In One in a Million, Bible teacher Priscilla Shirer invites us to change that pattern for good, living beyond our circumstances and expecting to see God move in miraculous ways day after day. Without a doubt, we can find and follow God's purpose for our journey. We can make it to the Promised Land! God's Answers for Today's Problems Cambridge University Press
