Living Beyond OCD Using Acceptance and Commitment Therapy FaithWords The real-life Nickel and Dimed—the author of the wildly popular “Poverty Thoughts” essay tells what it’s like to be working poor in America. ONE OF THE FIVE MOST IMPORTANT BOOKS OF THE YEAR--Esquire

“DEVASTATINGLY SMART AND FUNNY. I am the author of Nickel and Dimed, which tells the story of my own brief attempt, as a semi-undercover journalist, to survive on low-wage retail and service jobs. TIRADO IS THE REAL THING.” —Barbara Ehrenreich, from the Foreword As the haves and have-nots grow more separate and unequal in America, the working poor don’t get heard from much. Now they have a voice—and it’s forthright, funny, and just a little bit furious. Here, Linda Tirado tells what it’s like, day after day, to work, eat, shop, raise kids, and keep a roof over your head without enough money. She also answers questions often asked about those who live on or near minimum wage: Why don’t they get better jobs? Why don’t they make better choices? Why do they smoke cigarettes and have ugly lawns? Why don’t they borrow from their parents? Enlightening and entertaining, Hand to Mouth opens up a new and much-needed dialogue between the people who just don’t have it and the people who just don’t get it.

Instant #1 New York Times Bestseller & Wall Street Journal Bestseller In *The Obstacle Is the Way* and *Ego Is the Enemy*, bestselling author Ryan Holiday made ancient wisdom wildly popular with a new generation of leaders in sports, politics, and technology. In his new book, *Stillness Is the Key*, Holiday draws on timeless Stoic and Buddhist philosophy to show why slowing down is the secret weapon for those charging ahead. All great leaders, thinkers, artists, athletes, and visionaries share one indelible quality. It enables them to conquer their tempers. To avoid distraction and discover great insights. To achieve happiness and do the right thing. Ryan Holiday calls it stillness--to be steady while the world spins around you. In this book, he outlines a path for achieving this ancient, but urgently necessary way of living. Drawing on a wide range of history's greatest thinkers, from Confucius to Seneca, Marcus Aurelius to Thich Nhat Hanh, John Stuart Mill to Nietzsche, he argues that stillness is not mere inactivity, but the doorway to self-mastery, discipline, and focus. Holiday also examines figures who exemplified the power of stillness: baseball player Sadaharu Oh, whose study of Zen made him the greatest home run hitter of all time; Winston Churchill, who in balancing his busy public life with time spent laying bricks and painting at his Chartwell estate managed to save the world from annihilation in the process; Fred Rogers, who taught generations of children to see what was invisible to the eye; Anne Frank, whose journaling and love of

nature guided her through unimaginable adversity. More than ever, people are overwhelmed. They face obstacles and egos and competition. *Stillness Is the Key* offers a simple but inspiring antidote to the stress of 24/7 news and social media. The stillness that we all seek is the path to meaning, contentment, and excellence in a world that needs more of it than ever.

"I came that they may have life, and have it abundantly." – Jesus Christ. Does the word "abundant" describe your life? Do you feel stuck in the rut of daily routines? Are you experiencing the abundance of joy, fulfillment and purpose that the Bible says we should have? When you think of this verse, it may sound like it is meant for other people, but not for you. The truth is that it is meant for all believers and it is just as true today as it was when it came from the mouth of Christ. *Life Beyond Living* will take you on a journey to discover how the principles of Scripture can lead you to a life that is purposeful, meaningful and beyond ordinary, a life beyond living.

Relationships are messy. We're all different and imperfect, and we can struggle to get along--especially with those who disagree with us. Often we find ourselves divided--even as Christians. How can we work out our differences and disagreements with humility and grace, always showing the love of Christ, while still remaining true to what we believe? The Apostle Paul wrote to the Christians living in Corinth about this very thing. The cultural backdrop of Corinth was even more overtly sinful than our culture today, yet Paul boldly encouraged the Corinthian Christians not to ridicule one another or outsiders but to work together to show the love of Christ. In this six-week study we will explore Paul's first letter to the Corinthians to learn how we as Christians are to deal with differences and divisions--whether in the workplace, neighborhood, school, home, social media community, or church. We'll discover that the answer is living and sharing the radical love of Jesus Christ, and we'll unpack what this means and how we can live it out day by day. The Participant Book includes five days of lessons for each week, combining study of Scripture with personal reflection, application, and prayer. Other components for the Bible study, available separately, include a Leader Guide, DVD with six 25-30 minute sessions, and boxed Leader Kit (an all-inclusive box containing one copy of each of the Bible study's components).

In *Future Grace*, author John Piper helps readers discover the key to overcoming sin and living a life that honors God. Many men and women attempt to walk upright out of gratitude for what Christ did in the past, but Piper encourages believers to look ahead to the grace God provides for us on a day-by-day, moment-by-moment basis—putting faith into action by laying hold of God's promises for the challenges we face. Sever the Root of Sin No one sins out of duty. We sin because we want to. Sin promises happiness, and we buy the lie. So how can the root of sin be severed in our lives? The penalty of sin must be paid by the righteous blood of Christ. And the power of sin must be broken by banking on the promises of Christ. John Piper's meditations are rooted in rock-solid biblical reflection. Chapter by chapter—one for each day of the month—he reveals how, by cherishing the promises of God, you can break the power of anxiety, despondency, covetousness, lust, bitterness, impatience, pride, misplaced shame, and more. From the Trade Paperback edition.
