From the founders of
nonprofits Water.org &
WaterEquity Gary White and
Matt Damon, the incredible

true story of two unlikely allies
on a mission to end the global
water crisis for good On any
given morning, you might
wake up and shower with
water, make your coffee with
water, flush your toilet with
water—and think nothing of it.
But around the world, more
than three-quarters of a billion
people can ' t do any of
that—because they have no
clean water source near their
homes. And 1.7 billion don ' t
have access to a toilet. This
crisis affects a third of the
people on the planet. It keeps
kids out of school and women
out of work. It traps people in
extreme poverty. It spreads
disease. It ' s also solvable.
That conviction is what
brought together movie actor
Matt Damon and water expert
and engineer Gary White.
They spent years getting the
answer wrong, then halfway
right, then almost right. Over
time, they and their
organization, Water.org, have

found an approach that works. Working with partners across East Africa, Latin America, South Asia, and Southeast Asia, they 've helped over 40 million people access water and/or sanitation. In *The Worth of Water*, Gary and Matt take us along on the journey—telling stories as they uncover insights, try out new ideas, and travel between the communities they serve and the halls of power where decisions get made. With humor and humility, they illuminate the challenges of launching a brand-new model with extremely high stakes: better health and greater prosperity for people allover the world. *The Worth of Water* invites us to become a part of this effort—to match hope with resources, to empower families and communities, and to end the global water crisis for good. All the authors ' proceeds from the sale of this book will be

donated to Water.org. [A Novel](#) Gary Revel For fans of Gary Soto and Matt de la Peña comes a tale of a contemporary Mexican-American family with a "spunky and imaginative heroine" (Publishers Weekly). Miata Ramirez is scared and upset. The skirt she brought to show off at school is gone. She brought her forklorico skirt to show off at school and left it on the bus. It's not just any skirt. This skirt belonged to Miata's mother when she was a child in Mexico. On Sunday, Miata and her dance group are supposedgoing to dance forklorico, or traditional Mexican folk dances; and that kind of dancing requires a skirt like the one Miata lost. It's Friday afternoon. Miata doesn' t want her parents to know she's lost something again.

Can she find a way to rescue the precious skirt in time? With its focus on family ties, friendship, and ethnic pride and Includes an afterword from its acclaimed author, *The Skirt* is a story that children everywhere will relate to and be inspired by, no matter their background. "A light, engaging narrative that successfully combines information on Hispanic culture with familiar and recognizable childhood themes....A fine read-aloud and discussion starter, this story blends cultural differences with human similarities to create both interest and understanding."—SLJ "Light, easy reading . . . offering readers a cast and situations with which to identify, whatever their own ethnic origins."—*The Bulletin* "Soto's light tale offers a pleasant blend of family ties,

friendship and ethnic pride...[and Miata is] a spunky and imaginative heroine."—*Publishers Weekly*

Gary Gets a Gift Pittsburgh, Pa. : University of Pittsburgh Press

A mesmerizing memoir from a literary legend, giving readers a new perspective on the

origins of Hatchet and other famed survival stories. His name is synonymous with high-stakes wilderness survival adventures. Now, beloved author Gary Paulsen portrays a series of life-altering moments from his turbulent childhood as his own original survival story. If not for his summer escape from a shockingly neglectful Chicago upbringing to a North Woods homestead at age five, there never would have been a Hatchet. Without the encouragement of the librarian who handed him his first book at age thirteen, he may never have become a reader. And without his desperate teenage enlistment in the Army, he would not have discovered his true calling as a storyteller. An entrancing account of grit and growing up, perfect for newcomers and lifelong fans alike, this is the famed author at his rawest and most real.

What Hurts, What Helps

Laurel Leaf

In a prose that is so beautiful it is poetry, we see the world of growing up and going somewhere through the dust and heat of Fresno's industrial side and beyond: It is a boy's coming of age in the barrio, parochial school, attending church, public summer school, and trying to fall out of love so he can join in a

Little League baseball team. His is a clarity that rings constantly through the warmth and wry reality of these sometimes humorous, sometimes tragic, always human remembrances.

The Afterlife Laurel Leaf Expanded from the award-winning Chicano poet's 1977 original, this poetry collection explores the hardships and joys of migrant workers in California. A timely new edition of a pioneering work in Latino literature, National Book Award–nominee Gary Soto's first collection (originally published in 1977) draws on California's fertile San Joaquin Valley, the people, the place, and the hard agricultural work done there by immigrants. In these poems, joy and anger, violence and hope are placed in both the metaphorical and very real circumstances of the Valley. Rooted in personal experiences—of the poet as a young man, his friends, family, and neighbors—the poems are spare but expansive, with Soto's voice as important as ever. This welcome new edition has been expanded with a crucial selection of complementary poems (some previously unpublished) and a new introduction by the author. Praise for *The Elements of San Joaquin* "A response to the charged, ideologically defiant voices from the seventies, *The Elements of San Joaquin* forever changed the course of Latino literature, redirecting us toward the mundane and ephemeral. The poet's only commitment, Gary Soto seemed to suggest, is to life itself. His teacher and role model was Philip Levine, who encouraged him to see his own neighborhood,

indeed his own backyard, as a kingdom. The result was a type of poetry that weathered inclement times in ways that scores of other instant “hits” couldn’t. It was new yet as old as the Bible and it still is. The word “classic” is overused these days. Not in this case.”

—Ilan Stavans, Lewis-Sebring Professor in the Humanities, Latin American and Latino Culture at Amherst College, and general editor of *The Norton Anthology of Latino Literature* “In the original *The Elements of San Joaquin*, Gary Soto defined the Chicano character as an underrepresented part of the American whole, the identity that would serve as foundation for my life’s work. My parents and grandparents had crossed borders, but Soto rooted me, us, here—in the daily poverty of mejicano

vecindades—on all those rural “Braly Streets” of Fresno, Brawley, and Salinas. His elements of sun, wind, stars, and field shadowed my own destiny to bring justice there, to the people of the hoe and harvest.” —José Padilla, Executive Director of California Rural Legal Assistance

A Summer Life Soho Press

This modern classic celebrates the tradition of tamales and family bonding at Christmas. Christmas Eve started out so perfectly for Maria. Snow had fallen and the streets glittered. Maria's favorite cousins were coming over and she got to help make the tamales for Christmas dinner. It was almost too good to be true when her mother left the kitchen for a

moment and Maria got to try on her beautiful diamond ring . . . This is the story of a treasure thought to be lost in a batch of tamales; of a desperate and funny attempt by Maria and her cousins to eat their way out of trouble; and the warm way a family pulls together to make it a perfect Christmas after all. Also available in Spanish as ¡Qué montón de tamales!

In this new collection of poems, Gary Soto once again displays his impressive poetic range—funny, sad, urbane, naive. He digs deeply into his California hometown of Fresno and explores the wonder of the everyday in an ever-shifting world. In

Soto's poems, precocious Berkeley dogs practice feng shui, raisins march out of a factory under the nose of the night watchman, and shirts are ironed "with the steam of Mother's hate." In the darker second part of the collection, Soto offers 12 "film treatments for David Lynch." What skin-crawling delight Lynch could conjure with the tightwad furniture salesman who meets his death in a pool "blue as toilet wash." Then, back from the brink, Soto presents in the final section a single long poem as graceful and meditative as anything he's written to date. One Kind of Faith confirms Gary Soto's immense talent and will bring his voice to an even wider audience.
