When I was crying like this I
only ever wished to have
someone by me, but I didn't

knew this bad boy thing was
just a façade he kept to bury
the reality of the world.

Living with the Bad Boy was a very unique story. A bit immature at times, but all together it was cute and funny. The tricks and pranks really had me giggling my way through most of the story.

Although, also at moments cringing, because these two characters are so ruthless. Nothing in this story really jumped out at me, but it was a really good story.
