Locomotive (book) - Wikipedia
Locomotive is a 2013 children's book written and illustrated by Brian Floca. A non-fiction book written primarily in free verse, the book follows a family as they ride a transcontinental steam engine train in summer of 1869. The book details the workers, passengers, landscape, and effects of building and operating the first transcontinental railroad. The book also contains prose about the earlier and later history of locomotives.
