That way if there's an issue, you can refer them to the style guide and show where it clearly states how the logo can and cannot look. If your company has multiple logos it uses you can condense the pages down and include all of the above information in single pages, or have pages dedicated to each logo, which you can see in the example from FedEx's style guide below.

Logo Style Guide Sample

A brand style guide is your brand's rulebook that puts into writing all the specifications of your branding strategy, including your brand story, logo, color palette, typography, and more. You can think of your brand's style guide as a reference book that people can use a guide for representing your brand.
