Returning to his longtime home in Japan after his father-in-law's sudden death, Pico Iyer picks up the steadying patterns of his everyday rites:

going to the post office and engaging in furious games of ping-pong every evening. But in a country whose calendar is marked with occasions honoring the dead, he comes to reflect on changelessness in ways that anyone can relate to: parents age, children scatter, and Iyer and his wife turn to whatever can sustain them as everything falls away. As the maple leaves begin to turn and the heat begins to soften, Iyer shows us a Japan we have seldom seen before, where the transparent and the mysterious are held in a delicate balance, and where autumn reminds us to take nothing for granted.

The Best Travel Writing of Don George Lonely Planet

Travel is the only thing you can buy that makes you richer Travel opens our minds to the world; it helps us to embrace risk and uncertainty, overcome challenges and understand the people

we meet and the places we visit. But what happens when we arrive home? How do our experiences shape us? The Kindness of Strangers explores what it means to be vulnerable and to be helped by someone we've never met before. Someone who could have walked past, but chose not to. This is a collection of stories by accomplished travellers and adventurous souls like Sarah Outen, Benedict Allen, Ed Stafford and Al Humphreys, who have completed daring journeys through challenging terrain. Each has a story to tell of a time when they were vulnerable, when they were in need and a kind stranger came to their rescue. These are stories that make our hearts

grow, stories that will restore our faith in the world and remind us that, despite what the media says, the world isn't a scary place - rather, it is filled with Kind Strangers just like us.

A Complicated Kindness

Lonely Planet

A memoir about showbiz in the early 20th century that travels from the theaters of Vienna, Prague, and Berlin, to Hollywood during the golden age, complete with encounters with Franz Kafka, Albert Einstein, and Greta Garbo along the way. Salka Viertel's autobiography tells of a brilliant, creative, and well-connected woman's pilgrimage through the darkest years of the twentieth century, a journey that would take her from a remote

province of the Austro-Hungarian Empire to Hollywood. The Kindness of Strangers is, to quote the New Yorker writer S. N. Behrman, "a very rich book. It provides a panorama of the dissolving civilizations of the twentieth century. In all of them the author lived at the apex of their culture and artistic aristocracies. Her childhood . . . is an entrancing idyll. In Berlin, in Prague, in Vienna, there appears Karl Kraus, Kafka, Rilke, Robert Musil, Schoenberg, Einstein, Alban Berg. There is the suffering and disruption of the First World War and the suffering and agony after it, which is described with such intimacy and vividness that you endure these terrible years with the

author. Then comes the migration to Hollywood, where Salka ' s house on Mabery Road becomes a kind of Pantheon for the gathered artists, musicians, and writers. It seems to me that no one has ever described Hollywood and the life of writers there with such verve. ”
