TV presenter, writer and adventurer Alice Morrison gives her own unique and personal insight into Morocco, her home for 1001 nights. When Alice Morrison headed out to Morocco, it was

to take on one of the most daunting challenges: to run in the famous Marathon des Sables. Little did she expect to end up living there. But as soon as she settled in a flat in Marrakech, she was won over by the people, the spectacular scenery and the ancient alleyways of the souk. Soon she was hiking over the Atlas mountains, joining nomads to sample their timeless way of life as they crossed the Sahara desert, and finding peace in a tranquil oasis. Despite more than 10 million tourists coming to Morocco each year, there is remarkably little that has been

written about its people, their customs and the extraordinary range of places to visit, from bustling markets to vast, empty deserts. Alice makes sure she samples it all, and as she does she provides a stunning portrait of a beautiful country. As a lone woman, she often attracts plenty of curiosity, but her willingness to participate - whether thigh deep in pigeon droppings in a tannery or helping out herding goats - ensures that she is welcomed everywhere by a people who are among the most hospitable on the planet. Alice came to fame with her BBC2 series Morocco to

Timbuktu, and now she joins the ranks of great travel writers who can bring a country vividly to life and instantly transport the reader to a sunnier place. If you're thinking of going to Morocco, or you want to recall your time there, *My 1001 Nights* is the ideal book.

NOW ON NETFLIX! Starring Gabriel Basso and Luciane Buchanan "Matthew Quirk moves into David Baldacci and John Grisham territory with *The Night Agent*, a paranoid, pulse-pounding thriller that could not be more prescient. If you're wondering where the best of the next generation of suspense talent is headed, look no further." – Joseph Funder To find a Russian mole in the White House, an FBI agent must question everything. . . and trust no one. No one is more surprised than FBI Agent Peter Sutherland when he's tapped to work in the White House Situation Room. When Peter was a boy, his father was suspected of selling secrets to the Russians—a

breach that cost him his career, his reputation, and eventually his life. Now Peter's job is monitoring an emergency line for a call that has not—and might never—come. Until tonight. At 1:05 A.M. the phone rings. A terrified young woman named Rose tells Peter that two people have just been murdered and that the killer might still be in the house with her. One of the victims gave her this phone number with urgent instructions: "Tell them OSPREY was right. It's happening..." The call thrusts Peter into the heart of a conspiracy years in the making, involving a Russian mole at the highest levels of the U.S. government. Anyone in the White House could be the traitor. Anyone could be corrupted. To save the nation, Peter must take the rules into his own hands, question everything, and trust no one. *The Night Agent* marks the return of the classic conspiracy thriller, a *Three Days of the Condor* for today's chaotic world. With incredible twists and heart-stopping action, this electrifying novel pulls back the curtain on Washington power and confirms

Matthew Quirk as a new master of suspense. Don't miss Matthew Quirk's twisty new thriller, *Inside Threat!* Look for these other pulse-pounding thrillers by Matthew Quirk: *Red Warning Hour of the Assassin* *Dead Man Switch* *Cold Barrel* *Zero The Directive* *The 500* *The World Factbook 2003* HarperCollins Welcome to this vibrant corner of the world.
