The Catcher in the Rye," written by J.D. Salinger and published in 1951, is a classic American novel that explores the themes of adolescence, alienation, and identity through the eyes of its protagonist, Holden Caulfield. The novel is set in the 1950s and follows Holden, a 16-year-old who has just been expelled from his prep school, Pencey Prep. Disillusioned with the world around him, Holden decides to leave Pencey early and spend a few days alone in New York City before returning home. Over the course of these days, Holden interacts with various people, including old friends, a former teacher, and strangers, all the while grappling with his feelings of loneliness and dissatisfaction. Holden is deeply troubled by the "phoniness" of the adult world and is haunted by the death of his younger brother, Allie, which has left a lasting impact on him. He fantasizes about being "the catcher in the rye," a guardian who saves children from losing their innocence by catching them before they fall off a cliff into adulthood. The novel ends with Holden in a mental institution, where he is being treated for a nervous breakdown. He expresses some hope for the future, indicating a possible path to recovery.

The Night and Its Moon Turtleback Books

In the tradition of The Celestine Prophecy comes the first book in a gripping post-apocalyptic trilogy involving the search for ancient books whose secrets hold the key to humanity's survival. In 2027, the Great Disruption shook the world. An unexplained solar storm struck the earth, shifting it four degrees south on its axis. Everything went dark. Humanity was on the verge of despair. Then a man named Camden Ford discovered a set of ancient books called the Chronicles of Satraya. Thirty years later, the world is a different place. Thanks to the teachings of the Chronicles, hope has been restored, cities rebuilt, technology advanced. The books also have a different owner: Logan Cutler, who inherited them when Camden mysteriously disappeared. But when Logan auctions off the books to pay his debts, they fall into the wrong hands. The Reges Hominum, a clandestine group that once ruled history from the shadows, is launching a worldwide conspiracy to regain control. Soon Logan realizes he's made a terrible mistake. With the help of special agent Valerie Perrot and the wisdom of the Chronicles as his guide, he embarks on an epic quest to get the books back before it's too late. Abounding with questions about humanity's secret past and its unknown future, Journey into the Flame will not only take you to the start of an incredible new world, it will also take you deep into the greater mysteries of the self.

Meredith and Nina Whitson are as different as sisters can be. One stayed at home to raise her children and manage the family apple orchard; the other followed a dream and traveled the world to become a famous photo journalist. But when their beloved father falls ill, these two estranged women will find themselves together again, standing alongside their cold, disapproving mother, Anya, who even now, offers no comfort to her daughters. On his deathbed, their father extracts one last promise from the women in his life. It begins with a story that is unlike anything the sisters have heard before - a captivating, mysterious love story that spans sixty-five years and moves from frozen, war torn Leningrad to modern-day Alaska. The vividly imagined tale brings these three women together in a way that none could have expected. Meredith and Nina will finally learn the secret of their mother's past and uncover a truth so terrible it will shake the foundation of their family and change who they think they are. Every once in a while a writer comes along who navigates the complex and layered landscape of the human heart. For this generation, it's Kristin Hannah. Mesmerizing from the first page to the last, Winter Garden is an evocative, lyrically-written novel that will long be remembered.

Long Day's Journey Into Night Turtleback

Celebrated for their books on Eugene O'Neill and enjoying access to a trove of previously sealed archival material, the Gelbs deliver their final volume on the stormy life and brilliant oeuvre of this Nobel Prize-winning American playwright. This is a tour through both a magical moment in American theater and the troubled life of a genius. Not a peep show or a celebrity gossip fest, this book is a brilliant investigation of the emotional knots that ensnared one of our most important playwrights. Handsome, charming when he wanted to be: O'Neill was the flame women were drawn to—all, that is, except his mother, who never let him forget he was unwanted. By Women Possessed follows O'Neill through his great successes, the failures he was able to shrug off, and the long eclipse, a twelve-year period in which, despite the Nobel, nothing he wrote was produced. But ahead lay his greatest

achievements: The Iceman Cometh and Long Day's Journey into Night. Both were ahead of their time and both received lukewarm receptions. It wasn't until after his death that his widow, the keeper of the flame, began a fierce and successful campaign to restore his reputation. The result is that today, just over 125 years after his birth, O'Neill is a towering presence in the theater, his work—always in performance here and abroad—still electrifying audiences. Perhaps of equal importance, he is the acknowledged father of modern American theater, the man who paved the way for the likes of Arthur Miller, Tennessee Williams, Edward Albee, and a host of others. But, as Williams has said, at a cost: "O'Neill gave birth to the American theater and died for it."

The complete history of one of the most long-lived and legendary bands in rock history, written by its official historian and publicist—a must-have chronicle for all Dead Heads, and for students of rock and the 1960s' counterculture. From 1965 to 1995, the Grateful Dead flourished as one of the most beloved, unusual, and accomplished musical entities to ever grace American culture. The creative synchronicity among Jerry Garcia, Bob Weir, Phil Lesh, Bill Kreutzmann, Mickey Hart, and Ron "Pigpen" McKernan exploded out of the artistic ferment of the early sixties' roots and folk scene, providing the soundtrack for the Dionysian revels of the counterculture. To those in the know, the Dead was an ongoing tour de force: a band whose constant commitment to exploring new realms lay at the center of a thirty-year journey through an ever-shifting array of musical, cultural, and mental landscapes. Dennis McNally, the band's historian and publicist for more than twenty years, takes readers back through the Dead's history in A Long Strange Trip. In a kaleidoscopic narrative, McNally not only chronicles their experiences in a fascinatingly detailed fashion, but veers off into side trips on the band's intricate stage setup, the magic of the Grateful Dead concert experience, or metaphysical musings excerpted from a conversation among band members. He brings to vivid life the Dead's early days in late-sixties San Francisco—an era of astounding creativity and change that reverberates to this day. Here we see the group at its most raw and powerful, playing as the house band at Ken Kesey's acid tests, mingling with such legendary psychonauts as Neal Cassady and Owsley "Bear" Stanley, and performing the alchemical experiments, both live and in the studio, that produced some of their most searing and evocative music. But McNally carries the Dead's saga through the seventies and into the more recent years of constant touring and incessant musical exploration, which have cemented a unique bond between performers and audience, and created the business enterprise that is much more a family than a corporation. Written with the same zeal and spirit that the Grateful Dead brought to its music for more than thirty years, the book takes readers on a personal tour through the band's inner circle, highlighting its frenetic and very human faces. A Long Strange Trip is not only a wide-ranging cultural history, it is a definitive musical biography.

Miracle: The Long Journey Home is a personal narrative of tragedy and loss and one survivor's forty-year journey from trauma and hatred to joy and love through the grace of God. As a seventeen-year-old, the author was the victim of gun violence resulting in the death of a friend and coworker when an armed assailant entered the McDonald's restaurant at which she worked in 1979. The story tells of the trauma experienced by all present that night and the long journey that the author would take over forty years, leading her back to the gunman who committed the crimes and back to our Heavenly Father. Parallel to the author's story is the gunman's background and experience from childhood through his spiritual conversion while incarcerated. The spiritual journey of both the author and the gunman allowed not only for her to forgive him, but to embrace him as her friend and spiritual mentor. This is not an ordinary story of forgiveness, but rather a story of how a deep love of God cleanses the soul of all hatred and anger, leaving only love. The author describes a faith journey that will inspire all, especially those who have been traumatized as survivors of tragedy. Moreover, it will inspire a belief in the power of God to manifest His goodness in the darkest of days of despair, bringing light to even a prison cell where redemption can be born and the unlikely of friendships becomes possible.

In the rec room in at a church in Cypress, Texas, Margery leads her students in a puppet pageant to strengthen their faith in the Bible and evade Satan's hand. But when the young members of the Christian Puppet Ministry put those teachings into practice, one devout young man's puppet takes on a shocking personality that no one could have expected. In this hilarious black comedy, a foul-mouthed sock puppet named Tyrone soon teaches those around him that the urges that can drive a person to give in to their darkest desires fit like a glove. In Hand to God, a "true tour de force" (New York Times), Robert Askins has written a play of "unerring perfection" (Huffington Post). The must-see hit of the 2015 Broadway season, starring Steven Boyer and Geneva Carr, garnered an Obie Award and five Tony Award nominations, including Best Play, following its sold out, critically acclaimed off-Broadway runs at MCC Theater and Ensemble Studio Theatre.

In Burning the Midnight Oil, word-wrangler extraordinaire Phil Cousineau has gathered an eclectic and electric collection of soulful poems and prose from great thinkers throughout the ages. Whether beguiling readers with glorious poetry or consoling them with prayers from fellow restless souls, Cousineau can relieve any insomniac's unease. From St. John of the Cross to Annie Dillard, Beethoven to The Song of Songs, this refreshingly insightful anthology soothes and inspires all who struggle through the dark of the night. These "night thoughts" vividly illustrate Alfred North Whitehead's liberating description of "what we do without solitude" and also evoke Henry David Thoreau's reverie, "Our truest life is when we are in dreams awake." The night writers in Cousineau's vespers collection range from saints, poets, and shamans to astronomers and naturalists, and tells of ancient tales and

shining passages from the most brilliant (albeit insomniac) writers of today. These poetic ponderances sing of the falling darkness, revel in dream-time, convey the ache of melancholy, conspire against sleeplessness, vanquish loneliness, contemplate the night sky, rhapsodize on love, and languorously greet the first rays of dawn. Notable night owls include Rabandranath Tagore, Mary Oliver, Manley Hopkins, Jorge Borges and William Blake.

'In the beginning, my journeys feel at best ludicrous, at worst insane. This one is no exception.' Kira Salak recently became the first person to successfully canoe 600 miles down the River Niger from Old S gou to Timbuktu - the golden city of the Middle Ages, and, legend has it, the doorway to the end of the world - in Mali, West Africa. Enduring tropical storms, hippos, rapids, the unrelenting heat of the Sahara desert and the mercurial moods of this notorious river, she travelled alone through one of the most desolate regions in Africa where little had changed since British explorer Mungo Park was taken captive by Moors in 1797. Dependent on local people for food and shelter, each night she came ashore to stay in remote mud-hut villages on the Niger's banks, meeting Dogon sorceresses and tribes who were alternately welcoming and hostile, so remarkable was the sight of an unaccompanied white woman paddling all the way to Timbuktu. In one instance she barely escaped from men who chased after her in wooden canoes, but she finally arrived, weak but triumphant, at her fabled destination. There, she fulfilled her ultimate goal by buying the freedom of two Bella slaves with gold. **THE CRUELLEST JOURNEY** is a compelling memoir and a meditation on self-will by a young adventurer without equal, whose writing is as thrilling as her life.

Seminar paper from the year 2010 in the subject English Language and Literature Studies - Literature, grade: 1,3, Ruhr-University of Bochum (Englisches Seminar), course: Eugene O'Neill, language: English, abstract: The Iceman Cometh (published in 1940) and Long Day ' s Journey into Night (published in 1956 after O ' Neill ' s death) are widely recognized to be two of Eugene O ' Neill ' s best plays. Both belong to his late plays and apart from that bear a lot of similarities. The focus of this paper will be to analyze The Iceman Cometh and Long Day ' s Journey into Night with special regard to the importance of illusion and reality for both the characters and the progress of the play. Furthermore a comparison will be made between Hickey in The Iceman Cometh and Mary Cavan Tyrone in Long Day ' s Journey into Night in order to show that they have similar functions in their respective plays. Finally a conclusion will be given which will sum up the argumentation.
