innovation, dependability, and good old American muscle to farms and fields worldwide. This book provides a hands-on guide to restoring these venerable machines from the ground up, from the first models made to those produced as recently as 1965. With hundreds of full-color photographs, the guide is not just clear and easy-to-follow, but also a feast for the eyes for tractor aficionados. Beginning at the beginning--how to choose and buy your tractor--Tharran Gaines takes readers through step-by-step directions for the complete restoration of Fordson, Ford-Ferguson, and Ford tractors. In straightforward terms he covers everything from troubleshooting and disassembly to engine and gearbox rebuilds, electrical work, reassembly, painting, and post-restoration care and maintenance. Informative photographs and proven tips, techniques, and money-saving advice from experienced restorers make the book an invaluable

resource for amateur mechanic and professional alike. Also included is an appendix listing sources for parts, decals, tires, etc., as well as addresses for tractor clubs and collector associations.

Operator's, Organizational, Direct Support and General Support Maintenance Manual (including Repair Parts and Special Tools Lists)

Learn everything you need to know about the Ferguson MF 35 and TO35! Featuring step-by-step instructions for weekly checks, operator maintenance, engines, cooling and fuel systems, transmissions, brakes, hydraulics, and so much more, this user-friendly restoration service manual goes back to the basics,

detailing a wide range of topics so you can understand your tractor machinery from the inside out! Also included are more than 650 photographs, helpful charts for service schedules, torques, data specs, tool lists, and troubleshooting, and even a buying guide!

Author Chris Jaworski is a technical writer, Tractor & Machinery magazine and a restoration enthusiast. For owners involved in servicing, repairs, or restoration of the Massey Ferguson MF 35 or TO35, this crystal-clear guide will help you enjoy getting the work done quickly, efficiently, and correctly!
